This is the further report of the District Magistrate Godavari upon the case of a constable Gedala Ramasamy who was concerned in the grain robbery in the Agency. He has been taken into custody on 22-11-97. It seems clear from the present report that the man took part in the looting. His presence among the robbers must have given heart to many others. His record in past service was indifferent. Please see the page flagged & in C.O. 824 of 5 Aug 97.

SIR,

With reference to your order No. 882 of 22.11.97 (Pension Department) I have the honor to report that Gedala Ramasami was concerned in the recent grain loots in the agency. In his statement before me (a copy of which is enclosed) he confessed that he went to the loots of Sobhanadripalem and Ganapavaram, as his pension was not sufficient to maintain his large number of children and pleaded guilty to the charge. I therefore convicted him of the offences under Secs 143 & 379 I.P.C. and sentenced him to one month's rigorous imprisonment. As a pensioned Constable it was his duty to exert himself to the utmost to suppress such disorders. Whereas he & most of the members of his family participated in them: not only so but when arrested by the District Superintendent of Police with a gang of others they were collected together with a view to the commission of a similar offence should the opportunity occur & they be able to elude the police.
