Certified that I have carefully examined R. Sundaram Iyer,

son of Ramaswamy Iyer,

a Forester

in the District of North Arcot

His age is by his own statement 49 years and by appearance about 55 years.

I consider Forester, R. Sundaram Iyer to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of premature old age, defective eyesight and debility,

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

With reference to your endorsement dated 30th Ultimo on my reference on current no 217 dated 24 November 1895, I have the honor to submit fresh depositions taken from 8 of the complainants who were present, on certain other points connected with the case against Forester Sundaram Iyer and Watcher Syed Ahmed.

2. The Watcher (under suspension) was written to 3 times to appear before me, first on the 3rd December, 2nd on the 6th and lastly on the 18th. The first two having been returned unserved, the third was sent in a registered cover with instructions to present himself before me on the 18th. Though the cover was handed over to him and his acknowledgement received in token thereof, he did not turn up to date. I believe he wantonly evades the Summons. This, in itself, is sufficient to prove that he is guilty of the Charge, and I

recommend

ecommend his summary dis-
missal on this score only.

Forester Sundaram Iyer was
esent at the second enquiry held

ith his cross-examination are for-
arded for your perusal. He was be-
ides furnished with copies of the
epositions and this Office reference on
urrent no: 217 of 24 Novr 1895, for
ffering any explanation he may
have to give in the matter. His expla-
nation received and put up herewith,
is not to the point and very unsatis-
factory.

4. The records on hand disclose that
about 3 months ago, Forester Sundaram
Iyer, who was left at Palracad to go on
with the line clearing work, left his
station without orders, and wasted
his time at Attimur &c Villages
in the detection of an illicit cattle
grazing. All but one of the complain-
ants depose that each of them paid Rs 1
towards his share in the month of Avani
corresponding to June, and that Kuttayan
collected Rs 15 and paid the same to
Watcher Syed Ahmed who gave to the
Forester.

5. The 1st, 2nd, 6th & 11th complainants
state that the Forester was at Attimur
when

when the amount was collected, while the others depose that they do not know where he was at the time. The entries in the Forester's Journal from 14 October 1895, summarised in para 4 of my Reference in current No 217 of 24 November 1895, corroborate their statement; and I am inclined to believe that he was engaged in these Villages at the time in the collection of the amount.

6. There are some discrepancies as to the time of collection and I attribute it mostly to ignorance of the Villagers.

7. The Village Munsif, who is a disinterested witness in the case, also asserts that the Forester troubled the ryots for a bribe, and that he did not report the mal-practice to higher authorities as he was not in the habit of so doing.

8. Though there is no direct evidence to prove that the Forester demanded and received the bribe from the complainants so that he may be criminally prosecuted, it has been sufficiently established that he attempted or helped to extort money illegally, and I therefore recommend that he be departmentally dealt with by a suspension of 3 months.

The Charge of extorting money against Forester Sundaram Iyer has not been established, although his conduct is open to grave suspicion. It is noted that he did not attempt to call Watcher Syed Ahmed in his defence and it has since been found that the latter has absconded.

The charge of neglect of duty, leaving the demarcation work of which he was placed in special charge and wasting nearly a month of his time are clearly set forth in the Extra Asstt: Conservator's No 217 dated 24th Novr 1895 which was communicated to the Forester for submittal of an explanation and is I conclude established. In his explanation the Forester pretends to see no explicit charges on this score against him and affords no explanation beyond a general reference to his diaries.

Enclosure. — 9

Sir,

In returning herewith your letter No. $\frac{\text{A.D.K}}{350}$ dated 21st January 98 together with its enclosures regarding the pension application of R. Sundaram Aiyar, late Forester 2nd grade Tanjore, I have the honour to reply thereto as follows:—

2. I. Your printed memo of Instructions D/22-10-96

(a) The memorandum of calculation referred to in item 7 of the above instructions is herewith attached. I request that it may be returned to me after check and verification, so that it may be used in the District Forest office as a guidance for the future.

(b) Item 27 - The medical officer states that the officer invalided has a specific disease (viz) "incipient cataract" and adds that the forester has lost much flesh and is subject to repeated attacks of fever. The District Forest officer who has seen the man has no further remarks to offer on the subject.

(c) Item 29. The Forester applied for pension to the District Forest officer North Arcot and was therefore examined by the Medical officer of that district on 10" November 97. He reported himself to the District Forest officer at Tuckinofd on the 13" idem for duty under orders of transfer from the Conservator Central circle vide his service order No. 37 D/ 29-10-97. Hence his medical certificate was made out in North Arcot district and was received in this office from North Arcot District Forest officer on ~~24-11-97~~ 4-12-97 :Hm

(d) Item 43. The copy of the order suspending the Forester is herewith sent: if you want any further information on the subject, I request that the District Forest Officer North Arcot may be addressed.

(e) Item 39. (1) The appointment was vacant and the applicant continued to draw full pay of the appointment from the date in question (viz) 23-10-78.

(2) No other officer counted service in the appointment during the period under reference.

(3) The original vacancy was caused by the transfer of the permanent incumbent to some other permanent appointment.

(f) Item 20. The period of privilege leave granted is only for 15 days from the 21st March 90 and not for 3 months and 5 days as stated in the pension application. Necessary corrections have now been made in the latter under the initials of the District Forest officer.

3. The last pay certificate referred to in para II is herewith sent.

4. The Conservator Central circle has

recommend his summary di

has been requested to forward to you direct a copy of his Proceedings No. 2085 D/18-2-95 referred to in Para III.

5. Necessary insertions have now been made under the initials of the District Forest officer in the pension application in accordance with para IV.

6. The sick leave referred to in para V has been noted in the service book vide entries in column 11 of the old book attested by the District Forest Officer Madura with his initials D/28-12-94.

7. Item 1 of Para VI

(a) The entries made in the service book are incorrect: necessary corrections have now been made both in the service book and the pension application with reference to the Pay bills for the period in question.

(b) Item 2. The date of the applicants' appointment to a permanent post is reckoned from 23rd October 1878 under article 406 of the Civil Service Regulations for reasons given in clause (e) of para (2) supra.

(c) Item 3. The information given in the annual return for 1886 appears to be incorrect as will be seen from the verification of services made by the District Forest Officer Madura in the Service book under his signature dated 28th December 94.

From a careful perusal of the above, the Conservator has come to the conclusion that Forester Sundram Aiyar has been guilty of gross inattention to duty with regard to demarcation; this is not the first occasion he has been guilty of the same offence - In 1892 his work inspected by the Conservator was bad and not carried out according to instructions. Were it not for the Forester's length of services on the clerical staff a more severe punishment would have been inflicted.

Order No. 84 of 1854-55

Forester Sundram Aiyar will be reduced from 3rd to 4th grade Forester with effect from date of this order.

Sir,

In reply, I have the honor to state that the only record on the subject is the Salary bill book in which R. Sundram Ayer is shown as Daffadar ag, during the months of November and December 1874, and June to September 1875, and as sub protem in October 1875. In the November 74 bill, the appointment is shown as vacant, and R. Sundram Iyer is shown below, as acting.

2. It is understood that 'Suboverseer' was another name for 'Daffadar'. From the above, it is presumed that the place was permanently vacant in November 1874, and that R. Sundram Iyer was per

put in to act Sub protem. It is not known whether he was confirmed with retrospective effect or not but on this point, R. Lundram Iyer was asked in my office, and he stated that he remembered he was confirmed with retrospective effect. His statement in the matter is enclosed.
