ORDER THEREON,

Character - Good

Under articles 502 and 518 (b),

of the Civil Service Regulations (2nd Edition),

His Excellency the Governor in Council is

pleased to grant to Kona Kistnamma,

late D^o. Post Mail Overseer,

Madugala - Padero line,

a Superannuation pension

of Rupees (6-14-4)

six annas fourteen aspies four p. & payable at Vozagapatam

from 1st January 1898

in consideration of his qualifying Superior

service of 31 years,

months and 22 days.

2. Notwithstanding the applicant's reduction from Sup^y to inf^y service in 1869, the Govt. is pleased to give him the benefit of Art. 42, C.S.R.

3. The Govt. agrees with the Acct. Genl. in holding that the applicant is entitled under art. 42, C.S.R.

Please see para. 2 of the Acct. Genl's report.

The applicant was employed as a postman for a period of 12 years and odd up to 31st Augt 1878, and this service

the Postmaster General has treated as inferior under the authority of a circular issued by the Director-General of Post Offices on 23rd Jan^y 1897 (Flag. B), wherein

it was ruled that service rendered as a postman or village postman prior to 14th Jan^y 1885 is inferior, unless

it is continuous with service in the same capacity rendered subsequent to that date. Art. 439 C.S.R. lays down that

service of a postman or village postman, whatever his rank, is superior, provided he has served as postman or village postman for 5 years with approval." This

article came into force on 14th Jan^y 1885 and the Director General, holding that retrospective effect cannot

be given to it, has issued the circular above referred to. The Acct. Genl, however, considers that the circular

is incorrect inasmuch as under art. 7(a) C.S.R. an officer's claim to pension should be governed by the rules

certified that should Government be placed under article 436 of the Civil Service Regulations to treat the applicant's resignation from Superior to Superior grade on 1-11-89 as due to circumstances other than misconduct and to admit the period of service noted in the margin, claimed in the affidavit of the applicant on the evidence of contemporary supplies, qualifying service in Superior grades will be duly proved for 31 years, 2 months and 22 days and a Superannuation bonus not exceeding Rs 6-14-4 per annum equal to 20% average emoluments will be admissible under articles 502 & 515 (1) of the Civil Service Regulations 3rd edition. The calculations have been duly verified.

2. In recommending the applicant for a pension of Rs 4-5-11 the Postmaster General has under the authority contained in the circular No. 19 dated 23 January 1897 issued by the Director General of the Post Office, rejected as Superior the applicant's earlier service rendered as Postman up to 31-3-78. The circular does not seem however to be correct as Article 761 of the Civil Service Regulations prescribes that an officer's claim to pension should be governed by the rules in force at the time of his retirement and under Article 439 the applicant seems entitled to count as Superior his

the Postmaster General and that certified to be admissible in the preceding para.

3. The delay in the submission of this application is explained by the Postmaster General in his letter No. 2414-1-892 dated 29 March 1898 enclosed.

4. In accordance with Rule 3 under Article 991 (a), the attention of Govt. is respectfully solicited to Article 514 of the Regulations.
