Index showing the calculation of average emolument.

As the applicant was on receipt of Rs 15 per month for more than 5 years, i.e., from the year 1888, his average pay comes to Rs. $\frac{60 \times 15}{60} = \text{Rs } 15$ per month.

He has earned 26 years qualifying service.
Therefore the amount of his pension is \$780.00.

N. B. He was in the pensionable Local Fund service for 1 year 7 months & 7 days. As the amount of pension payable from Local Funds is less than one-fourth of the amount payable from Provincial, no distribution is made: the Provincial Revenue will bear the whole charge. Order
 of report had to be submitted on
 the first paper after examining the
 Sivoyjammuaa Cultivation account of
 several villages. The latter is for the
 submission of the accounts of wells in
 each village without parapet-walls.
 Both these papers were received by the
 Revenue Inspector on 30-4-87. The report
 on the first paper was submitted on
 9-5-87. The Revenue Inspector is
 directed to dispose of these papers
 within a week and report to this office.

26-6-87

This is regarding inspecting 4 -
Cases of encroachment in Metapalian
village. The Revenue Inspector says
that two cases were vacated and
the remaining two not vacated by the
party as promised. This fact has
been reported to the Telug on 3-10-87
The Revenue Inspector is unable to explain
why there was a delay of 3 months in the
submission of this very simple report.
The Revenue Inspector ought to have seen
that the orders were executed.

 12-6-87 21-7-87 14-8-87 The first 3 papers

 water was made use of in cultivating
 certain lands in Parakkulam village
 The last two regard encroachment in
 the same village & the crop would have
 been removed a long time ago there
 is no use of inspecting the land at present
 It cannot be believed even for a moment
 that he had no time to inspect the locality
 up to 3rd October last on which date his
 explanation for the delay of papers
 was taken from him This is sheer negligence

 excuse that he had no time to go to the village
 concerned is frivolous These papers relate

 of demarcation stones etc

 have finished them up when he was called on
 to explain for delay

 7-8-87 13-8-87 except in the last mentioned one It cannot be
 said that there was much delay in the disposal
 of these papers as notices to the village giving

15 days time Should be issued to them
 for presenting objection petition if any
 they have any

748 This relates to the cutting of trees by a
 5-7-87 Marava of Krishnapuram village
 The Revenue Inspector says that he went twice
 to this village and that the Marava was
 not found why did he not apply for
 summons to be issued by the Tashildar

134 This relates to the sending of rare plants
 4-7-87 The Revenue Inspector says that he has
 submitted his report that no rare
 plants was available in consequence of
 scarcity of rain This paper is however
 retained in the unanswered list as
 ordered by the Tashildar

140 This is about the inspection of palmarahs in
 18-7-87 Kilavara & Kaghwa puram villages This is a
 matter which ought to have been attended
 to before the close of Jarraban dy for
 18-7-87

801 This is about certain palmarahs on poram
 18-7-87 land The party claiming it wanted
 time to produce certain documents Hence
 this delay

295 This is about reporting whether the land was
 26-7-87 left waste or cultivated The Chairman of the
 village in the district was present Hence the
 delay The Revenue Inspector says that he
 did not submit a report submitted to the
 Tashildar to that effect

27-7-87

This is to report whether Government water was made use of in the cultivation of certain lands in Vellankulam village. The Revenue Inspector explanation for the delay that the Complainant was absent at Trivandrum is inexcusable. He ought to have inspected the spot then and there to ascertain whether Government water was made use of or not. It was needless to examine the proprietor. The only point regarding examination was - How was the land cultivated without Government water - private wells or other facilities for irrigation. It is on this that my foot-note on the D. B. Statement for September was passed relating to the non-collection of arrears of Tasali Jauze.

27-7-87 This is calling for a report about the rate for Compounding single crop wet land in cases where 2nd crop depends on well irrigation.

1646, 349, 894. The first is about the inspection of 7-8-87, 11-8-87, 13-8-87 of palmateds in Ponnakudi village. The remaining two papers are for granting permission to irrigate dry lands. All these have been disposed of before 13-9-87. Hence they call for no remark. On the 10th Sep the Revenue Inspector had 44 transfer petitions pending with him. They were reduced to 11 on the 1st October 1887. This is very strange why should the Revenue Inspector have so many transfer petitions pending disposal what motion had he? In one week he has been able to dispose of 30 petitions. For some reason or other the Red Ins. was unwilling to dispose of these. As he wished one to be done. The Revenue Inspector does not live in the head quarters of his District viz Munnirpallam. He lives in Tirunelveli. He has been recently fined Rs 5 for non dispatch of diaries for more than six months.

The Revenue Inspector has accumulated a lot of arrears either from shirking work or from worse motives. Such indolence cannot be tolerated in a Revenue Inspector on whose active and energetic conduct depends a good revenue. There is yet another case against the Red Ins. Survey No 42 in Vagankulam village was mortgaged for Rs 200 to one Muttaya mudaliar without possession by a patta dar Sriwasa Chariar who is a near relation of the village Munsif. An arrear of Rs 8-2-10 occurred in Tasali 1296, and the land was sold for Rs 14-8-2. The excess Rs 6-5-2 was paid to the patta dar. The land is assessed at Rs 12-9-0 and was purchased by the patta dar's own brother who was adopted into another family. The effect of the sale if confirmed will be to remove all the prior incumbrances including the mortgage to Muttaya mudaliar. The sale was conducted in presence of the Revenue Inspector. The patta dar says that all the rules for the conduct of a Revenue sale were adhered to but bases this statement on the allegations of the village officers of the notice and the proclamations of sale were duly notified. It is impossible to believe that Muttaya mudaliar would have submitted to the effacement of his claim (Rs 200) on the land. The astounding decrease in the sale proceeds as compared with the sale value of lands raises the presumption that fraud was practised and that the village officers connived with the patta dar Sriwasa Chariar to defraud Muttaya mudaliar who has suffered beyond doubt that he has sustained injury.

Revenue Inspector

Collector

I refuse to confirm the sale under section 38 of Act II of 1864. The land should be resold. It is impossible to overlook the conduct of the Revenue Inspector. It is impossible to believe that he acted bona fide in the matter of the sale. In his explanation the Revenue Inspector says that he now suspects fraud on the part of the village officials. But that at the time of the sale he was induced to repose confidence in their statement. As regards the publicity of the notice & the proclamation of sale.

I am not inclined to think that the Revenue Inspector is actually blameless. Perhaps he did not knowingly connive with the village officers to defraud the mortgagee but it is certain that he most indifferently performed his duties in this matter as Commissioner for the sale of lands attached for non payment of public Revenue. Viewing this in connection with the very unsatisfactory work turned out by Pichandi Ayar I am obliged to reduce him to the grade of a Taluq Gumatash on pay of Rs 15 in the Tinnivelly Taluq.

Proceedings of the Collector of Tinnivelly

Revenue Appeal No 2 of 1888

Name of the Appellant J. Pichandi Ayar
Residence Village Tinnivelly

Names of the Respondent
Number date and the passport of the order
appealed against and the office passing the
Assistant Collector's proceedings dated 22nd Nov 1887 No 662 regarding the Appellant from the post of 3rd Class Revenue Inspector to that of Taluq Gumatash Ambassamudram taluq 15.

- Read the following papers
- 1) Appeal petition dated 12 January 1888
 - 2) Order appealed against
 - 3) Letter from the Deputy Collector in charge of Tinnivelly Talug No 118 dated 28th April 1888 with records

(Appellant) Parties Present and heard
Orders
Appellant Pichandi Ayar late 3rd Class Revenue Inspector of Tinnivelly Talug appeal against his reduction from the post of 3rd Class Revenue Inspector to that of Taluq Gumatash No 15 by order No 662 dated 22nd Nov 1887 of late Assistant Collector J. V. de Kew.
2) The specific charges on which he was reduced was that of delay in 20 cases referred to appeal for report. There was delay of 5 months in 10 cases of 4 months in two cases and of over 3 months in 4 cases. But it is also to be observed that the Assistant Collector in his order No 36 dated 10th August 1887 remarked that there were then.

pending disposal papers of 6 months standing. This order was not appealed against. Through the Revenue Inspector was fined Rs 5. Hence the cases now under consideration ~~are not to be considered~~ are not to be considered by themselves as accidental cases but as merely instances of a habitual delay.

3. A second charge is made against him that he sold valuable land at such a low price and under such circumstances that he must either have been grossly careless or else 2 1/4 acres of valuable wet land under a river channel were sold for Rs 14-8-0 though they were worth probably 20 times that amount. For as a matter of fact there was a mortgage on the land of Rs 200. And the Revenue Inspector now admits that it is worth Rs 150. The person for whose default the land was sold is a nephew of the village munshif. he had mortgaged the land to an outsider of another village for Rs 200. The revenue sale purchaser (there were only 4 bidders) was the defaulter's brother and the effect of the sale is under the rule to clear off the former encumbrance. The character of the transaction is thus clear while it is not alleged that the Revenue Inspector was privy to the affair. He has nevertheless brought himself under ground suspicion by signing the attachment register in which it is stated that this very valuable land is worth only Rs 12 odd which shows the base assessment on the land. Clearly he was guilty of at least of gross carelessness.

4. This is not all. The Assistant Collector alludes in his order under appeal to his order No 360 dated 10th August 1887 adverse to above. In that order it is stated that the Rev Inspector sent in no diaries from January to June 1887 and only 18—, diaries by his own admission in 1886. That a Revenue Inspector should venture to neglect his known duty to such an extent and should excuse himself by pleading press of work since a carelessness and audacity which were quite insufficiently dealt with by a fine of Rs 5. That fine he of course did not appeal against.

5. Taking these matters into consideration I confirm the Assistant Collector's order and dismiss this appeal.
