Rupees 36 they are only payable at Rajahmundry
in consideration of my qualifying in Indian Service of
27 years 5 months 29 Days—

4 Please for justice for a Pension to be granted to
me dated 9th August 1897 I sent a petition by the
Register post to your Lordship Honorable Lordships, from
the under Secretary of Government Fort Saint George
Received No 925 Indorsement dated 1897 informed
me regarding my service claims its nature has not
been sufficiently established to warrant the grant
of a pension in the line of the greatest ability & achievement.

5 I served in all my positions in Government
works as authorities promised trusting in my old age
the Government would provide a small pension & livelihood
protection instead of gratuity is granted. By which
I find it great difficulty for my livelihood and to
keep my family and family in these financial days.
I am a poor old man I am humiliated on ancient
wishes by the Government unable to do any hard labour
to be supported.

6 I humbly pray your Lordship please
to order a small income of pension to be granted
to me which will assist me and family
and to be supported. I served for years and supported
under your Lordship's Government to
protection. I humbly pray I am charitable & reasonable
order, begging to pardon me for which act I family
as my duty & shall ever pray for your kind
Lordship's long life & prosperity.

I beg to remain,
Your humble servant & petitioner,
Rajahmundry, Bussagaddi & Mark,
District of Godavari, District Division
of Rajahmundry village, near
Machilipatnam, District.
