x. Reduction of Establishment

(a) In the Service book, the leave is said to have been availed of for 2 months from 1-6-66. The leave expires on 31-7-66 and not on 1-8-66, as stated in the Service book.

(ab) Dismissed as the incumbent was then insane

(b). The figures shown in Column 4 of the Service book represent the permanent pay of the post and those in Column 7 the acting allowance actually drawn by the applicant; permanent pay shown in col 4 was not drawn by the applicant

(c) In the Service book Column shows Rs 50 the permanent pay of the post. Pay actually drawn by the applicant is only Rs 30, permanent pay as L. F. clerk, Madura Circle + 20 per cent of Rs 50 or [illegible] in all.

(d). In the Service book the leave is said to have extended till 9-8-73. This is evidently a mistake for 8-8-73.

(e). Vide remarks on (d) above.

(f). In the detailed Statement sent on 31-3-70, the applicant is wrongly entered as acting instead of as permanent clerk.

(g) Vide remarks on (c) & (d) above. The same remark applies to most of the Entries in the Service book.

To

Collector of Madura.

Most Respected Sir

I, K Rama Row, Translator beg to bring to your honor's benign consideration, the following circumstances in connexion with my official career.

I was first entertained in the Collector's office of this District, ~~on Rs 10~~ as Military Assistant Clerk on Rs 10 per mensum, on the 10th January 1861, but my services were dispensed with on the 1st January 1862, consequent on the introduction of a new scheme in the Military Pension Department. I was then entertained in the Head Assistant Collector's office as 4th Clerk on Rs 15, on the 21st January 1862 and held several appointments both

acting

acting and permanant till 16th August 1866, on which date I was unfortunately removed from my post of English Clerk in the Collector's office after a pensionable superior service of 4 years, 6 months and 26 days on the alleged of ~~my~~ ground of my having aspersed my superior native officials in the public office, by the then Collector Mr Levinge, while I had been granted an extension of sick leave under medical certificate and when I was labouring under some aberration of mind — My case was then laid before the Honourable D. Arbuthnott, when he became the Collector of the District in 1868 by the late Treasury Dy Collector Mr T. Rama Row, who really pitied my case, having known me too well from my younger days — when the Honorable Gentleman was convinced of the injustice done me, he at once ordered my being again entertained in the public service and I was eventually confirmed by Mr J. R. Arbuthnott, on the 30th October 1869 as Vernacular Clerk on Rs 15 — Ever since I am continuing in Govt Service,

obtaining the bigh~~t~~ opinions of the several officers, under whom I had the honor of serving, as will be seen from the printed testimonials herein enclosed. Your honor will thus observe, that there has been a break in my service of 2 years 3 months and 21 days between the date of my removal and the date of my reinstatement.

× Enclosure III

I therefore earnestly beg that your honor will be pleased to take my hard case into your honor's merciful consideration and recommend to Government for the break being treated, under the peculiar circumstances of the case, as period on leave without allowances or otherwise for this period being condoned to enable me to enjoy the benefit of my former service of 4 years 6 months and 26 days, being reckoned as eligible towards pension

On an appeal preferred by Menatchi Naidu against the decision of the Town sub. On a perusal thereof, it is clear that the assault was caused on your abusing Menatchi Naidu. Though you have sworn to the contrary, it is proved in evidence that what you have deposed is not true. Further, it is proved by documents, that you have without any reasons, aspers: aspersed two of your superior officials in the office when a large number of them had been gathered there. dated 13-10-87. F. No 3879.

The Petr. prays for certain breach in his service being under the peculiar circumstances of the case treated as period passed on leave without allowances, or otherwise for the same being condoned, so that he may be enabled to have the benefit of his former service of 4 years 6 months + 26 days being reckoned as eligible towards pension.

The undersigned thinks that the Petr's case is indeed a hard one, for, if it were not from an uncontrollable cause, viz the affection of aberration of mind, his removal would not have taken place & he would be in a far better position than that in which he is now, & that though his prayer that the breach should be treated as period of leave without allowances, cannot, under the existing rules, be granted, his request that it may be condoned, may, in the opinion of the undersigned, be complied with, under Sec. 102 of the Civil Pension Code, 6th Edition.

Sir,

I have the honor to Submit for favourable Consideration a petition from K. Rama Row. 2. The Treasury Deputy Collector to whom the petition was referred for remarks, reports as follows:—.

"The undersigned thinks that the petitioner's case is indeed a hard one, for if it were not from an uncontrollable Cause, viz, the affection of aberration of mind, his removal would not have taken place and he would be in a far better position than that in which he is now and that, though his prayer that the breach should be treated as period of leave without allowances, Cannot, under the existing rules, be granted, his request that it may be condoned away, may, in the opinion of the undersigned, be complied with, under Section 102 of the Civil Pension Code, 6th Edition."

3. I know Rama Row personally as a man of very respectable character — but for his temporary insanity there would have been no break in his Service. The Honorable D. Arbuthnot when re-appointing him in 1869 admits that Rama Row was dismissed when he was insane (vide enclosure II.) His total Service extends over a period of 22 years and 6 months including his former Service of 4 years, 6 months and 26 days.

4. Though his prayer to treat the breach in his Service as period passed on leave without allowances, Cannot under existing rules be granted, Still the other prayer for the Said period being Condoned seems reasonable. Under these Circumstances, I request that the Board will be pleased to take Rama Row's case into their favorable Consideration and move Government in view to the break in his Service being Condoned.

may be expected to render. The fact that they are Government Pensioners is to a very great extent a guarantee of their honesty of purpose, any questionable practices on their part being likely to affect their hard-earned pension, not to speak, of course, of prosecution, if any, on the penal side.

Government are very particular about getting these pensioners employed accordingly, which, while it will help them deservedly, will also be the means of affording satisfaction to their employers, which cannot otherwise be expected to be the case in the majority of instances.

Where these pensioners may be employed by the Heads of Departments, they are requested to take note that Military Pensioners are bound to be given preference over others not so, and omission to give such preference has been adversely commented upon by the Superintendent of Pensions, who has asked for such cases to be reported to him for needful action.

The Treasury Deputy Collector, who is the local officer in charge of Military Pensioners, maintains a Register of Military Pensioners who are willing to be so employed, and intending employers are requested to place themselves in communication with that officer whenever they may require Military Pensioners to be employed under them, who will duly make arrangements for the same.

Proceedings of the Board of Revenue –

(Land Revenue)

Dated 2d December 1887.

No. 4883 Miscellaneous.

Read the following endorsement of the Accountant General, dated 21st November 1887 No. $\frac{I-AG}{237}$ on letter from the Collector of Madura, dated 5th October 1887. No. 664.

Submitted to the Board of Revenue, with the remark that as it has been ruled by the Government of India No. 571 dated 14th May 1879 embodied in G. O. No. 1235 dated the 26th idem, judicial Department, copy accompanying, that "ordinarily the question of condoning a break in service should only come up for decision when an application for pension is submitted" the present reference appears to be premature, as there is nothing to show that Ram Row is about to retire, or that the case should be treated otherwise than under the ordinary rules.

SIR,

With reference to your letter No. ADK/39 dated 6 May 1898 herewith returned with enclosures, I have the honor to state as follows:—

I (1) On referring to the pay abstracts for June & July 1875 it is found that the incumbent has drawn no pay for the period from 24 June to 30 June 1875, while half pay at Rs 17½ has been drawn by him for the period from 1st to 6 July 1875. It is not traceable at this distance of time how the irregular grant of leave came to be made. The amount of allowance overdrawn is Rs 3-6-2 and the officer responsible is Mr M McQuhae the then President of

8

of the Local Fund Circle Madura.

2. The circumstances under which Privilege leave came to be granted are not traceable in the records. Mr E. G. Ricketts the then Treasury Dy Collector is responsible for the grant of leave and the leave allowance overdrawn is Rs 167-1-6

II The marks of identification referred to are now reproduced in the appropriate column of the service book.

III The correct class of pension is now entered in the 1st page of the application.

IV The papers relating to the dismissal of the applicant are not available in the Huzur Record, they have probably been destroyed some years ago under the rules relating to the destruction of records. A copy of Board's Procs No $\frac{4883\ \text{Mis}}{2\text{-}12\text{-}87}$ and some other papers handed over by the applicant and bearing on the subject are herewith enclosed for perusal and favour of retransmission.

V & VI The entry of full pay Rs 100 in the 2nd & 3rd pages of the application as pay drawn by the applicant as Saptur Estate Manager was made through oversight probably due to the fact that in the Service Register in one place it was stated that the applicant was transferred as manager "on a sanctioned salary of Rs 100 per mensem". The correct amount of pay drawn is now entered under initials. It is observed from the estate pay abstract file of this office that pay was drawn at Rs 85 for the period from 26 October 1896 to 25 November 96 and at Rs 90 for the period from 26 November 96 to 24 January 1897.

VII. A revised memo showing average of emoluments actually drawn during previous 5 years is herewith enclosed. The amount of pension to which the applicant is entitled is also altered from Rs 35 to Rs 35.6.11 in the 1st page of the application.

I have the honor to be
Sir,
Your most obedient servant
