To The Petr.

Note
Petitioner was informed in G.O. 78 Pen. dt 29-1-98 that his service was non-qualifying & that the Govt saw no reason for exceptional treatment in the case. There is nothing new adduced in the present petition to warrant a reconsideration of the above G.O. Hence the petition is rejected under the rule quoted above.

MEMO.

His petition dated 2—10—97 to the Chief Engineer, P. W. D.

Gurunatha Mudaliar is informed that applications for pensions are not considered by Government until the officer retires.

If Gurunatha Mudaliar sends in an application to be allowed to retire the undersigned will recommend his being granted the maximum pension allowable under the Rules.

CHIEF SECRETARIAT
15 JUN 1898
GOVERNMENT OF MADRAS

The humble Memorial of P. GUROONADAM MUDALIAR, *late Temporary Overseer, P.W.D., Bellary Division.*

HUMBLY SHEWETH:—

That your Memorialist retired after a continuous service of nearly 25 years under the impression that he would be allowed a small pension under article 403 of Civil Service Regulations. In fact he was made to believe that he would be granted some pension in consideration of his past faithful service, (Vide copy of Memo dated 12th October 1897, No. 6981 herewith attached) in which the Executive Engineer, Bellary, wrote to the effect that he would recommend your Memorialist being granted the maximum pension allowable.

2. That, to his surprise, he was put in possession of G. O. No. 348 W. dated 11th February 1898 communicating Order No. 78 dated 29th January 1898 in the Pension Department in which it is stated that "the Government sees no reason for exceptional treatment in this case, as the memorialist's service is clearly non-qualifying."

3. That, if the peculiar circumstances of the Petitioner as set forth in his petition under date the 2nd October 1897, were taken into consideration, the above order would not have been passed.

4. That from para 3 of the petition, it will be seen that so long ago as 30th June 1876, your Memorialist was not permitted to take up pensionable appointment in any other Department. The then District Engineer Mr. J. O'Shaughnessy wrote as follows:—

> P. Gurunadam Mudaliar has considerable experience of the East Coast Canal surveys and as the work is to be resumed at once on these surveys, it would be inconvenient to lose his service at present. The District Engineer must therefore refuse to permit Guroonadam Mudalyar to take up employment in any other Department of the Government service at present.....and his claims to permanent employment will not be overlooked when a suitable opportunity occurs. (Vide page 14 and 15 of copies of testimonials which accompanied his petition dated 2nd October 1897.)

5. That if your Memorialist had been allowed to take up the pensionable appointment offered to him in 1876, he would have put in more than 20 years' service at the time of his retirement and would of course be entitled to a decent pension.

6. That in these circumstances your poor Memorialist humbly craves that his case may now be favorably reviewed and he be allowed some pension so that he may not suffer for want of necessaries in his dotage after serving the benign Government all his life time.

For which act of indulgence, your poor Memorialist, as in duty bound, shall ever pray.
