submitted to Govt. The applicant held a pensionable appointment as peon of the Revenue settlement Department up to 9-11-~~76~~ 75, when he proceeded on leave without allowances. Although his leave expired on the 30-9-76, he did not return to duty, but absented himself without leave and lost his appointment. On 1-11-76, he obtained a temporary post on the Famine Establishment. On the 3-11-77, he was provided with a permanent appointment as Taluk peon on the Establishment of the Collector of Nellore. After putting in a pensionable service of 18 years 4 months and 28 days (3-11-77 to 31-3-96) the applicant retired on a gratuity of Rs30/- under Govt. Order No. 629, dated 21-7-96.

Finding that his service rendered prior to November '77, was not taken into account in determining the amount of his retiring allowance, the applicant presented a memorial to H. E. the Governor praying that his earlier service also might be taken into account and that a pension might be granted to him in lieu of the gratuity already sanctioned in the Govt. Order quoted above.

The applicant's request cannot be complied with as his service has been interrupted by a break caused by circumstances explained very fully by the Deputy Commissioner of Revenue settlement No. II Party in his letter to the Collector of Nellore No. 1036 dated 4-11-97 (Copy enclosed). Should Govt. however, be pleased to condone the interruption which extends over a period of 1 year 1 month and 2 days (1-10-76 to 2-11-77) and to admit the marginally noted periods of service claimed by the applicant ~~and~~ on the strength of the evidence of his contemporary employes, his whole qualifying service in inferior grades will amount to 31 years 3 months and 24 days rendering him eligible for an Invalid pension equal to ½ pay not exceeding Rs3/- per mensem in lieu of the gratuity of Rs30 already sanctioned to him, under Article 486 and 524 (b) of the Civil service Regulations.

From 1st January to 31st March '64 and from 1st January '66 to 31st December '68.

The delay in the submission of this report is due to a reference which was made to the Collector on the 10th July /97, the reply to which was received in this office only on the 22nd November 1897.

In G.O.No. 629 Pension d/21/7/96, Shaik Nabi Saheb was granted an invalid gratuity of Rs.30 for his qualifying inferior service of 18 years 4 months and 28 days from 3rd Nov.1877 to 31st march 1896. In May 1897, he peti-tioned this Govt. praying that his service prior to Novr. '77 might be taken into account and that he might be given a pension in lieu of the gratuity sanctioned. The petition was referred to the Acct-Genl for remarks and from his report now received it will be seen that the applicant held a pensionable appoint-ment as a peon of the Rev. Sett. Dept. from 14-2-63 to 9-11-75 when he proceeded on leave without allowances, and

C. 7/1/98.

that, although the leave expired on the 30-9-76, he did not return to duty, but absented himself without leave, and lost his appointment.

The Acct-Genl. says that the applicant's request for a pension cannot be complied with, as his service was interrupted by a break caused by overstaying his leave and by the circumstances stated by the Dy. Commr. on page (flagged D.) The Acct-Genl., however, certifies that, if the break of one year, one month and 2 days be condoned by Govt. under Art. 465, C.S.R., the applicant will be eligible for a pension of Rs.3 per mensem against the gratuity of Rs.30 already granted. The applicant says that having been on leave on loss of pay from 9-11-75 to 31-10-76 he applied for extension of leave for one year and ~~that~~ thinking that it was sanctioned he took up the temporary appointment in the Famine establishment wherein he was, in the beginning of 1877, made a Daloyet on Rs. 7 under Mr. (now the Hon. Mr.) Crole, then additional Divisional officer of Nellore, and he held that post till 3rd Novr. 1877 when he was confirmed as a peon on Rs.6 in the Venkatagiri Division. He adds that it was not then usual in the Sett. Dept. to communicate in writing orders on application for leave. The Dy. Commr. Rev. Sett., however, states that there is nothing on record to show that the applicant was granted the extension of leave, nor permitted to take up employment in the Famine Establishment

and that therefore he retained no lien whatever on his permanent appointment in the Settlement Party. Orders are solicited as to whether in the circumstances of the case the condonation of the break may be allowed.

I served as a peon in the Revenue Settlement Department for 12 years. — I took up a peon's place in a Survey party in 1863. I continued to serve as peon from 1st January to 31st March 1864 – Again from 1st Jany: 1866 to 31st December 1868 I served as peon i.e. as a peon in the Settlement Department. For some time between 1st November /76 and 2d November /77 I was employed in the Nellore Poor House and during the remaining period as dalayet under the then

additional sub Collector Mr. Probe, on Rs 7/- per mensem.

Question — Had you a permanent footing during the time in question?

Answer — I was a permanent peon in the Revenue Settlement Deptt up to 8th November/75. Then I took one year's leave and came to Nellore. During my stay in Nellore I served in the Poor House for some time and for some time more as dalayet under Mr. Probe. Throughout the period in question I held a permanent peon's place in the Settlement Department.

Question — Did you avail yourself of any kind of leave or did you undergo punishment such as Suspension, dismissal, &c during the period from 1st January 1864 to 31st December 1864 and 1st Jany: 1866 to 31st December 1868?

Answer — No, none of the kind.

Question — Were you on any kind of leave, or under suspension, dismissal &c, during your Service in the Famine Estt. from 1st November/76 to 2d November 1877?

Answer — No.

Question — Did you receive any endorsement on the leave application which, you say, you submitted to the Settlement Department authorities, after the expiration of the one year's leave granted first?

Answer — No, I did not receive any endorsement on my application for the one year's leave submitted for the second time. Formerly it was not the practice in the Settlement Deptt to communicate in writing the orders granting leave whenever it was granted, so that I presumed that the leave applied for, for the second time also was granted. It was on that belief that I served in the Famine Estt. Surely why would I have taken up a temporary appointment in the Famine Estt. if I had not applied for leave in the permanent pensionable post. Had I received orders from the Settlement Deptt declining to grant me leave, I would have then and there resigned the temporary appointment and joined the permanent one. I therefore assert that I have served in the Famine Estt temporarily holding, as I did, a permanent place in the Settlement Deptt.

(1) Mahomed Akbar (2) Allipuraparu Shaik Hussain (3) Sunyamsetty Narainsawmy who were co-peons with me in the Settlement Deptt. may be enquired. While I was serving in the Famine Estt Mylapore Razu was the Muchi and Kodur Venketsawmy, a dalayit under Mr Crole. These two may also be enquired.

From

E. Scott Esquire,
Acting Collector, Nellore.

To

The Accountant - General
Fort St. George, Madras.

Sir,

With reference to your no. $\frac{\text{I AE}}{148}$ dated 10th July 1897, I have the honour to state that the Services of Sheik Nabee, Sahib in the Revenue Settlement department and in the Famine Establishment prior to November 1877 were not shown on page 2 of his application for gratuity as they were not recorded in his Service Register. In fact Nabee sahib did not bring these facts to notice until he received payment in August, 1896 of the gratuity of Rs 30 Sanctioned in G. O No 629 Pension of 21 July 1896.

2. In enclosing an application for pension prepared with reference to the Statement of his Services verified by the Deputy Commissioner,

7

of Revenue Settlement, I have to state that the reason for the termination of his service in the Settlement Department in October 76 is not satisfactorily explained either by the Deputy Commissioner or by the applicant. The Dy Commissioner says that one Muthushetty Subbarayu who was acting for Nabee Sahib, when the latter was on leave on loss of pay from 9th November 75 to 31st October 1876, was confirmed in his place, and that Nabee Sahib's name does not appear in the pay abstracts from November 1876 to the close of the year 1877. The applicant states in his affidavit that having been on leave on loss of pay from 9th November 1875 to 31st October 1876, he applied for a years' extension and thinking that it was sanctioned he took up temporary appointment in the Famine Establishment. He adds that it was not then usual in the Settlement Department to communicate in writing orders on application for leave. The service in the Famine Establishment does not in his case count for pension under article 410 of the Civil Service Regulations; but this interruption assuming it to be an authorized absence, does not entail forfeiture of past service under article 463 (a) and can be condoned by Government under Article 465 (ii). It seems however impossible to treat this as an interruption otherwise than as 'unauthorized'.

Sir,

I have the honour to return herewith the marginally noted papers (x) received with your letter dated the 24" ultimo, Ref No $\frac{217}{acc}$; and to reply seriatim, to the several points noticed in the Accountant General's letter to you No $\frac{ADK}{273}$, dated the 18" October 1897, of which also a Copy has been received with your letter under reference.

(x)
(1) application for Pension in behalf of Sheik Nabi Sahib;
(2) your letter to the Accountant General dated the 30" September 1897, No $\frac{3149}{acc}$; and
(3) Affidavit dated the 25 August 1897 filed by Sheik Nabi Sahib.

7
23
1013

Point 1. On this point I can only repeat what I already stated in paragraph 2 of my letter to you dated the 25' November 1896, No 812

The records in this office show that Nabi Sahib while holding the post of a permanent peon on Rs 6 a month, proceeded on leave without allowances from 9th November 1875; and that up to September 1876 his name was borne on the Barawards of this Party. From October 76 his name does not appear in the monthly Barwards or any other document whatever. One Mutham Shetti Subbarayudu who had acted for some time in the place of Nabi Sahib was confirmed in it with effect from 1st October 1876. There is nothing on record to show that Nabi Sahib was ever granted an extension of leave, nor permitted to take employment in the Famine Establishment in November 1876; so that it has to be concluded that during his service in the latter establishment Nabi Sahib retained no right to revert to any substantive appointment in this Party. As a matter of fact Nabi Sahib does not appear to have returned to the Settlement Department even after the termination of his temporary service on the Famine Establishment; and there is nothing on record to show that permission was ever given him to seek employment elsewhere thereafter. I am in these circumstances unable to send you any departmental order such as the one referred to in No 40 of the revised printed Memo: of instructions issued by the Accountant General.

Point 2. In reference to this point, I beg to state that the annual Return for 1866 is not forthcoming in my records. The return for 1867 is so worn and torn that Nabee Sahibs name is not traceable in it; and although similar Returns for the years 1868 and 1876 are to be found in my office, yet neither of them contains any mention of Nabi Sahibs name. It is difficult to conclude therefore whether or not Nabee Sahib actually held any appointment at all during the period extending from 1.1.1866 to 31.12.1868 on the Establishment of this Party. But as in the annual returns for 1869, 1870 and 1871 his name is mentioned, it would not probably be unfair to infer that he really held a lien on his appointment during the period above referred to. And as regards the return for 1876, I find that on 1st April of that year Nabi Sahib did hold a permanent appointment of Peon on Rupees 6 a month according to that months' Baraward, and the omission of his name in the annual Return appears to me therefore to have been a clerical mistake.

Point 3. I am unable to furnish any explanation on this point, as the annual Return for 1865 is not to be found in my office records. I beg, however, to suggest with reference to the statement of Nabi Sahib's service forwarded to you with my letter No 812, dated 28th November 1896, that as the applicant only secured a permanent berth as Peon from 1st November 1863, the entry of 1.10.63 in the annual Return may have been a clerical mistake for 1.11.63. In this connection I also beg to point out that in his petition dated 22nd October 1896 forwarded to me with your Endorsement dated 2nd November 1896, Ref: No 59/ccc Petn (Copy enclosed) the applicant states that he "was entertained "as a permanent peon" in the Demarcation "and Settlement Party attached to Nellore and" "North Arcot District" in the year 1860; but in his affidavit dated 25th August 1897, received with your letter now under reply he says that he "took up a peon's place in a Survey Party" in 1863. Nabi Sahib's own statements are thus discrepant as regards the date of commencement of his service.

Point 4. I regret to find that the annual Return for 1872 is also missing from the records. I may, however, state that in the annual Return for 1871 – the next preceding year – the applicant's name is given as "Rangonayakulapet Nabi Sahib". But the Annual Return for 1873 gives only the total number of peons on the establishment, and no copy of the detailed list shewing their individuals names, pay, &c, appears to have been filed with it. But in the Telugu Barawards of the Field establishment for the months of January to March 1872, the applicant's name is given as "Ranganayakulapeta Nabi Sahibu", and in –

similar Barawards for the following months of the same year, his name is described as "Ranganayakulapeta Nabi Sahiba". As there is no person shown as peon bearing the name of 'Sheik Abdul Nabi' in any of the Barawards or English Pay Bills which have been consulted, I beg to submit it as my opinion that the mention of the latter name in the Annual Return for 1872 was a clerical error.

2. In Conclusion, I beg to state that a thorough examination of the statement of Service furnished to Nabi Saheb, with my letter to you dated the 28th November 1896, No. 812, with reference to the papers and books on record, has now disclosed a few errors in that statement in respect of the dates of Commencement and termination of his absences on leave in some instances. Except however in one small particular these errors do not affect whatever claim he may be held to have established for a pension. The particular I refer to is Nabi Sahib's overstay of the leave granted him "with full pay" from 26th October to 9th November 1870, by four days. But as under Article 465 of the Civil Service Regulations this short break might be condoned by Government if it is so pleased, it by itself may perhaps not be held to affect the continuity of his service in the above mentioned year. I now beg to submit a revised statement of Nabi Sahib's service in this Party extending from 14th February 1863 to 30th September 1876, and respectfully request that you will be so good as to have the entries in the application for his pension corrected in the few cases where they differ from those in the former. On the whole, however, I beg to be permitted to remark that as Nabi Sahib's allegation about the grant of any extension of leave after 30th September 1876 is manifestly inconsistent with the fact that his *locum tenens* was confirmed in his acting appointment with effect from the 1st of the following month, and as

Nabi Sahib himself is apparently unable to prove by reference to any papers that his dis-connection from the Settlement Department was in any way authorized, he must be held to have lost his lien on his last appointment in this party by overstaying the leave granted to him.

Regarding the lien of Nabee Sahib on his permanent appointment in the Revenue Settlement Department when he took up service in November 1876 in the Temporary Famine Establishment of this District, no information has been obtained in addition to what has already been stated in para 2 of my No 3149/acc of 30 September 1897 to you.

2. The Deputy Commissioner having now furnished a revised statement of verified services of Sheik Nabee Sahib, a revised application for pension prepared in accordance therewith is enclosed for disposal. In this revised statement a few additional periods of service which are very short are now stated to be not verifiable from Pay Bills &c. For these periods, however, I do not propose to obtain affidavit and contemporaneous evidence, as this would be impossible.
