Note

Petitioner was a Sumastah in the Karur Tq. He

appears to have been superannuated and retired from the service ^{in April last}

and his pension has probably been sanctioned by the Board of

Rw. He now requests that he may be allowed to continue

in the service for 3 years longer. His request is clearly

inadmissible and hence the above endorsement is submitted

for approval.

Dated 15th June 1898

The Honorable The Secretary to
the Government of Madras
Madras,

Most Respected Sir,

The Humble petition
of Leshagiri Rau, the late Saluk Gumas-
tah of the Karur Saluk, Coimbatore
District most respectfully sheweth:-

1. That the humble petitioner first
entered the Government Service in the
year 1864 in the Settlement Depart-
ment and was satisfactorily working
in the Government Service till April-
last, thus completing a Service of
thirty four years of which eighteen
years are of Superior Service.

2. That the humble petitioner
was forced to retire from April last
with a poor pension of Rs. 4-10-
which is less than a third part of

his pay, as he had only eighteen years in the Superior Service

3. That he is now only fifty ^{five} ~~four~~ years of age, strong both in body and mind and capable of serving in the Revenue Department for some years more.

4. That your honor's humble petitioner petitioned the Sub Collector of this District about his being physically fit to be in the Government Service and requested to send him for medical examination, as was the case with other officers who were likewise compelled to retire and who, on medical examination were considered fit for service some years longer

5. That the Sub Collector on the same petition endorsed that it was futile to extend his service for two or three years more, as it would in no way help to bring to the petitioner full pension after re-

irement and thus considered that it would be unnecessary either to send him to medical examination or to extend his term of office and thus overlooked and ignored what is distinctly said in G.O No 720 dated 21.6.90 that the heads of Departments should allow public servants to complete such short period of service as would entitle them to higher pension.

6. Thereupon your honor's humble petitioner petitioned to the Collector and Board of Revenue for redress but neither of them interfered in the matter

7. That your humble petitioner has a large circle of members depending upon him and him alone, that he had no other source of income than that of his pay and that ever since his retirement from service, he has been suffering to a great length which can be better imagined than described.

8. That the humble petitioner has a Son, well experienced in the office routine business, now acting as an attender in the Deputy Tahsildar's office at Lerundurai, and that his Son before your humble petitioner's retirement put in an application to the Sub-Collector that in case your humble petitioner must necessarily retire, he may be provided with a permanent post, at least as an attender on No 7, for which he received no reply.

9. And lastly that under these circumstances your honor's humble petitioner most respectfully beg to request and pray that an extension of at least three years may be given to him as he is strong and capable of doing work, for which act of kindness and charity your honor's humble petitioner, as in duty, ever bound to pray.

Late Taluk Murastak Khamrion
at Perundurai.
