They did also with ability that fully justified their selection for me by Mr Price from his whole District of Chingleput. SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of In R'Ry. B. S. Ranjiah naidu late a Treasury Collector Kurnool.

is being delayed for want of the information noted in the margin. Where possible your answer should be written underneath the several points to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

I Attention is drawn to No. 45 of the revised printed Memo. of Instructions from this office, and to No 43 thereof and clause V of Part I of the set of rules communicated with G. O. No 530 pension dated the 4th July '97 regarding the applicants suspension from 7-4-77 to 24-9-77.

II. The following discrepancies should be explained
(a) In the annual returns from 1881 to 1885, the months and year of the applicant's birth are given as January '38 instead of August '39 as shewn in the 1st page of the application.
(b) In the 2nd page of the application the applicant is shewn to have held the post of 4th Grade Deputy Collector Subpoteen from 19-12-92 instead of from 18-1-93 as recorded in the Registers of this office.

III As the salary of Rs 400/- drawn by the applicant from 18-1-93 to 24-8-93 was in the arrangement made consequent on the deputation ~~made~~ of M.R.Ry C. Soma Sundra Sastri avergal on special duty as Forest settlement officer, the additional allowance drawn by him cannot count for pension. Vide article 530(i) of the Civil Service Regulations. Subject.

Replying to his letter of objection No. A&K 328 of 22-3-98 on the Pension Application of late M.R.Ry B.S Rungiah Naidu Garu late Tr. Dy. Collector Kurnool.

Statement showing the History of Suspension as of B.S. Rungiah Nayadu while in Bengal about 21 years ago.

My services were lent to the Court of Wards Raj Durbanga from the 15th March 1876 as an accountant.

2. Previous to my joining it one Mr. W.H. Stevens was in charge of the whole of the Raj works. Subsequently the department was split up into two Divisions with an Engineer over each Division and Mr. Stevens as Superintending Engineer.

8. While the works were being carried on thus, the Court of Wards requested Govt. to depute some body from the D.P.W to audit the Engineer's (Mr. Stevens) accounts from the beginning for which one Mr. Billings, Deputy Examiner, was deputed from Calcutta.

4. About this time orders were received to close all the Raj works and dispense with the services of the whole Establishment retaining one Engineer for the construction of the Maha Rajah's Palace, vide Nos. XIV & XVI, pages 9 & 10 of the accompanying pamphlet No: 1.

5. When the above orders were received all the publish papers which were accumulated in the superintending Engineer's office were burnt under the orders of the superintending Engineer owing to the closing of the works. This was considered by the Deputy Examiner as the destruction of office records.

6. He then sent for me as well as the other Divisional Accountant and asked us whether we knew anything about the papers burnt. We answered in the negative as we had no connection with the superintending Engineer's office and that we each be

to the Divisional office and I Such too knew nothing about the matter. He unfortunately suspected that there was some foul play in the Superintending Engineer's office and said that unless we find out the matter he would get us suspended. He also asked me an item of double payment made to a firm named Macdonald Butler & Co. contractors for Raj works, which was subsequently recovered and adjusted. I explained to him that it was made through mistake owing to want of proper check in the Superintending Engineer's office.

7. The Deputy Examiner having been gone to Calcutta with some mistaken idea, got us suspended. But on regular enquiry held subsequently it was proved that what were burnt in the superintending Engineer's office were not the office records but rubbish papers accumulated from time to time and I was reinstated.

8. Subsequently Mr. H. R. Boyce the then Examiner proceeded to Raj Durbanga on inspection duty and on his return to Calcutta, sent for me and expressed his sorrow for my suspension, remarking that there had been great misunderstanding in my case from the beginning to the end and that he would compensate all my loss in due course of time.

9. Accordingly when the Madras Government wanted efficient accountants from Bengal to audit and adjust the Madras Famine accounts of 1876-77, amounting to some crores of rupees, he selected me as one and sent me to Madras recommending me also for the 3rd grade.

10. As to the manner in which the Famine accounts were audited and closed

Vide no. XVIII of no. 1 pamphlet of testimonials, page 11.

Do. pages 13 & 14 of No. 1 Pamphlet

× In accordance

ley me and as to the services rendered by me in the Tanjore Commission etc., the accompanying two pamphlets containing my testimonials will speak for themselves.

11. As regards the date of my birth I beg to state that what was given in the Annual Returns is a mistake. My eldest sister who happens to be with me when I was writing my Service Register, told me that when she was 6 months pregnant I was born and that she confined herself three months afterwards in the month of "Karthigai" of "Vikary" year. Then calculating as closely as possible after deducting three months, Viz, November, October and September of that year. I fixed my birth date as August 1839. I have no horoscope.

12. In Conclusion I beg to state that I have since submitted my memorial to Government praying for the grant of leave on private affairs with effect from the date I availed myself of privilege leave, immediately before retirement in order that I may be entitled to a pension larger than that for which I am recommended by the Collector.

208. I cannot close this report without a word about my fellowworkmen. Had they behaved like the Tanjore Officials, it would have been easy for them to be bribed to silence, for nothing more was wanted of them than to tell me they had failed to discover frauds. Nothing positive, only negative was required of them, in order to shield Tanjoreans, and there is no doubt that this would have been right handsomely paid for had it been purchaseable. Apart from this they laboured with an assiduity and cheerfulness that I cannot too highly commend, and we had very heavy hours at times, even till 9 and 11 at night. They did it also with ability that fully justified their selection for me by Mr. Price, from his old District of Chengelput. They did their work, too, in the face of much public contumely, which, though it may be held cheap by Europeans, is bitterly felt by Asiatics. Seeing how whole-heartedly and ably they

But a member of the Board of Revenue has absolutely no patronage, not even for a peon, so that I can only commend them to Government as faithful servants who have contributed largely to the fruits of this commission. B. S. He rendered special services in paragraph 76.

EAST INDIA IRRIGATION AND CANAL COMPANY.

MIDNAPORE DIVISION,

Midnapore, 20th August 1864.

I CAN certify that RUNGIAH NAIDOO has been an Accountant in the service of the East India Irrigation and Canal Company, Poory Division, acting under my orders for about 18 months.

He is decidedly an intelligent man and understands his work well. Having been ordered to join another Division on very short notice, I was obliged to leave many accounts in an open state, and I believe RUNGIAH has rendered good service in concluding them subsequent to my departure, but of this my relieving officer, Mr. J. McMillan will be able to form a better opinion from whom he should get a certificate to that effect.

The gratest praise is due for the manner in which the Accounts are kept at the Head Office of this Division. I had not occasion to point out a single irrigularity, every thing was in order, clear, precise, and neat, and the manner in which the books were kept reflected the gratest credit on BABOO RUNGIAH NAIDOO the Accountant.

Though he has not been under my immediate eye, yet I have seen sufficient of his work and heard from the officer under whom he has served, that he is a very intelligent, able, well conducted man, and particularly clever at accounting.

To

THE CONTROLLER OF P. W. ACCOUNTS,

SIR,

I HAVE the honor to submit the following report with reference to your Memorandum No. 9755 of 9th ultimo, on the efficiency or otherwise of the Accountant attached to this Division.

1st.—The Accountant's name is B. S. RUNGIAH NAIDOO—Rank, 4th Grade.

2nd.—He is well acquainted with the Code rules for the preparation of Accounts, although he sometimes through inadvertence fails to comply with them as closely as he should in the haste in which the monthly accounts have sometimes to be despatched.

3rd.—He is both accurate and diligent in his work, and appears to take considerable interest in it.

4th.—He is far from being wanting in intelligence, but on the contrary is a man of quick perception and more than ordinary shrewdness. I am of opinion that he is perfectly capable of carrying on his duties as defined in Chapter XIX of Public Works Code.

5th.—I think I am justified is stating that B. S. RUNGIAH NAIDOO comes very near to the standard of what a Divisional Accountant in my humble opinion should be. Although a very able man, he is capable of

improvement in some points. These are, however, of no serious importance, and, I believe, the measures lately adopted for the better distribution of the office work, more systematic arrangements for getting in accounts in more complete order from the mofussil to avoid the delay of reference and other points connected with Audit notes, Memo of items, and neatness in the alterations and corrections of the office work when necessary, will suffice to remove any cause of complaint.

6th.—I am satisfied that the Accountant is anxious to perform his duties with the utmost credit, and I would beg to draw attention to the fact that the Public Works system of accounts was perfectly new to him prior to 1st January 1869, and to add to his difficulties none of the Sub-Divisional Officers or their clerks had then had any experience in these accounts.

7th.—When it is remembered that the expenditure in this Division has been comparatively heavy and from the difficulty of obtaining contractors who would work at reasonable rates nearly the whole of the work has been performed by mates or the class of men who generally come between the petty contractor and the coolie, I beg to submit that considering his short experience with this system of accounts, it must be admitted that B. S. RUNGIAH NAIDOO is deserving of great credit.

I have the honor to be,

Sir,

Your most obedient servant,

F. G. BROOKS,

Executive Engineer,

Brahmini Division.

Transferred to the Central Office of Accounts, Calcutta.

B. S. RUNGIAH NAIDOO, Accountant, 4th Grade, has been under my orders in the Brahmini Division since January 1869, and was for some years previously in charge of the Accounts of the Divisions when the work was being carried out by the East India Irrigation and Canal Company. Except on two or three occasions when his health entirely failed, he has performed his work very well indeed, and has always been much indefatigable in the discharge of his duties. He is a very zealous, hard working man and has shown considerable ability in making himself master of the system of Public Works Accounts. He is now transferred to the Central Office of Accounts at Calcutta, consequent on the amalgamation of this with the Beropa Division, and as he is anxious to get a transfer to the Province he comes from, I have much pleasure in giving him this recommendation to which I may add, that I can confidently predict he will give every satisfaction to the Executive Engineer he may be sent to, and his services will be more valuable from the experience he will gain in the Controller's Office.

CERTIFIED that BABOO B. S. RUNGIAH NAIDOO Accountant of the Arrah Division, has been under me in this Division for $1\frac{3}{4}$ years very nearly. He is thoroughly up to his work, knows the system of accounts well, so that I have had no trouble as regards all the matters connected with the booking-up of Accounts. The Accountant has given me a great deal of willing assistance over and above these matters, and has been always ready to sacrifice his Holidays and the Sundays to assist me. The Accounts have nearly always been punctually submitted as far, therefore as this office is concerned. The Accountant has done his work well and to my entire satisfaction.
