I. Attention is drawn to No. 15 of the revised printed Memo. of Instructions from this office, and to No. 39 thereof regarding the period of the applicant's service from 1-9-'66 to 10-12-'67 when he held the post of Shroff, angalli factory, sub protem.

II. The nature of leave on half pay enjoyed by the applicant from 8-3-'75 to 27-3-75 should be stated. If it was leave on private affairs, the grant would be irregular under article 370 of the Civil Service Regulations and attention is drawn to No. 20 of the above memo.

III. The cause of the applicants transfer on 1-4-82 from an appointment in Superior grade, viz, that of shroff to that of 1st grade Duffadar in the Salt Department, should be explained.

IV. The post of Shroff on whatever pay in the Salt Department being

being superior, attention is drawn to article 455 of the Civil Service Regulations regarding the following periods of leave on private affairs, viz from 16-12-'68 to 23-12-'68 and from 1-9-'69 to 30-9-'69 which should have been shewn in the 2nd page of the application in the column "Period not reckoned as service" under the above article.

V. An affidavit should be obtained from the applicant stating therein to the best of his recollection the grounds of retrenchment of Rs 1-15-- from his salary in October 1867, and whether it was redisbursed to him subsequently.

VI The following discrepancies should be explained.

(a) In the audit Register for 1872, the date of the applicant's appointment as shroff, angalli Salt Factory is given as 1-11-'71 for 1-12-'71 as shewn on the 2nd page of the application.

(b) In the annual returns for 1878 and 1879, the applicant's age is given as 38 years which would make the year of his birth as 1840 & 1841 respectively instead of 1839 as shewn in the service Book.

In the certificate and report read above the date of the applicant's degradation is given as 1st April 1892 which is apparently a clerical error for 1st April 1882. The pension papers are herewith returned to the Accountant General with the request that they may be retransmitted at an early date with the entry corrected.

Read also ~~letter~~ Memorandum from the same officer No.A.B.V./ 107, dated 29th June 1898, returning the pension application of Vaman Kampti with the correction made.

Resolution.

Submitted to Government.

2. In consequence of the destruction by fire of the old records of the Udipi Circle in December 1892 the Assistant Commissioner, Calicut Sub Division, states that he is unable to explain the cause of the degradation of the applicant on 1st April 1882 from the post of shroff on Rs.10 Yelore sub-factory to that of a 1st grade Dufradar in the old Coondapoor Circle. From the Audit Register maintained in this office and from para 3 of the Salt Commissioner's letter No.12,281, dated 11th November 1882, printed in Government Order No.472, Revenue, dated 19th April 1883, it would appear that three out of the four shroffs employed in the factories of the Coondapoor Circle were absorbed in the newly created Preventive force on the 1st April 1882 and that the applicant was one of them. He was promoted to the post of shroff in the same Circle on 1st October 1882 in the vacancy caused by the

Flag B

retirement under the 55 years' rule of the only shroff who was retained. In these circumstances the degradation of the applicant does not appear to ~~be~~ have been due to misconduct.
