Sir,

With reference to your letter No. A.D.K./54, dated 21st May 1898, I have the honor to state as regards point:-

1. That the entry in your office Audit Register for 1866 was apparently based on the monthly Taluk Pay bills in which the applicant was shewn as acting up to and thereafter as permanent, which would seem to be incorrect as his appointment was permanent from the very beginning i.e. 1st March 1866 and shewn as such both in the annual state 1866, as also in the original Pay Abstracts re ived from the Kasaragod Taluk office and in the District Gazette dated 3d March 1866, page 110.

2 As the applicant who was suspended from 28th April 1886 to 9th July 1886 pending enquiry was reinstated and the major portion of his pay was paid to him for the above period, at Rs. 26≠ per mensem, after deduction of a small sum of R. a. p. m paid as acting allowance to the Coondapoor Taluk Gumasta who acted as Revenue Inspector during the interval, the period was reckoned as service. As however the authority who reinstated the applicant does not seem to have expressly declared at the time that the period shall count with reference to Article 459 of the Civil Service

Application for pension of Timba Narnappa, late Rev: Inspector of Bellaga Division, Uppinangadi Taluk — Re-submitting the — with all accompaniments and connected papers with explanation for the several points specified in the letter quoted therein.

No. 56.

Proceedings of the Acting Head Assistant Co
of South Canara dated 21st April 1886.

Present. Mir Shujaat Alikhan Esqr.

In January last when I was at Udipi
learnt from a reliable source that the supplies obta
from the Village of Sirwa on the occasion of the mo
of troops through the Udipi Taluk were not paid f
While returning from Udipi I went to Sirwa an
upon enquiry the Potel confessed to me that some
of the articles sent from that Village were not pai
for. My enquiry was verbal and informal as I h
no accounts of the supplies with me at the time. B
from what I then heard I found sufficient reas
to suspect that the Revenue Inspector Narnappa
with or without the participation of the Potel mis
appropriated the moneys paid for the supplies. On
reaching Mangalore I sent an order to the Tahsil
to let me have a full villagewar account of the
supplies obtained and the prices paid. I took car
however not to give out why I sent for the account
as I wanted to begin my enquiry without affor
the Revenue Inspector and the Potels an opportunity
of preparing themselves to obstruct it. In February
I had to go to the Lacca Devi Islands. In ap. I
returned, when the Collector sent me a petition whi
he had received from the inhabitants of Bailoor
complaining of (his) malpractices on the part of
Narnappa in connection with payments for

supplies and labour. I then discovered that the Tahsildar's reply to my call for the account had not been received. I sent him a reminder. His report in answer to the reminder shows that the delay was due to Narnappa not having submitted his account while the other two Revenue Inspectors had given them. I then sent an order to Narnappa calling on him to bring his account to me at Heriadka before the evening of the 20th inst. and warning him that if he did not do so he would be suspended pending enquiry. He appeared on the 20th but without his account. He said the account was not ready and could not be made ready unless he were allowed some more time. He begged me to keep him in office as otherwise he would not be able to prepare his account. All this involves his conduct in great suspicion and goes far to confirm the opinion I formed at Sirva. I think it is very necessary that he should be suspended pending enquiry. I suspended him from office. Inspector Sheshagiri will for the present relieve him. I give Narnappa a week's time from the date on which this order is communicated to him to enable him to prepare and deliver his account failing which he will be punished in a manner he deserves. The Tahsildar will send to me forthwith all the papers &c he may have in respect to the supplies and labour and with them the accounts furnished by the other Inspectors and the Deputy Tahsildar. The clerk who was entrusted with this work should be sent to me with these papers.

No 368.

Proceedings of the Acting Head Assistant Collect of South Canara dated 22nd June 1886.

Read Proceedings dated 21st, April 1886.

Read the records received with the Udipi Tahsildars & the Karkal Deputy Tahsildars reports Nos 217 & 34, dated 25th and 27th April 1886 respectively.

Read accounts received from the Treasury Deputy Collector with his Docket No 747 dated 5th May 1886.

Read Petition presented by Narnappa Revenue Inspector under suspension.

Read statement of supplies and payments prepared by Revenue Inspector Seshagiri.

Read Petition of Complaint presented by the residents of Nire.

I have made enquiries in several villag Someshwar, Bebanje, Shivapur, Hebri, Kuchur, Kanabettu, Haagoudu Halli, Perdur, Heryadka, Bailur, Nire, Jarkal, Yarlapadi, Kavadur Karkal etc and heard Narnappa and such others as had to make any representations.

2 The contributions obtained were of two kinds - the supply of labour and the supply of provisions. As regards the former the officials in charge of the several stations with the exception of Narnappa kept proper roasters wherein they personally noted the absentees and when sanction for the payment of the hire was received it was pai

to the labourers and their receipts were obtained. At Bilur (that was the station given to Narnappa) no roaster was kept. One is now of course on record but that was not prepared at the time when the coolies were employed. Narnappa apparently got confused and forgot that a Roaster was necessary. I casually learnt from the Shanbogue of Yardiad Magne (Bommanbet Tarf) who assisted Narnappa in the work entrusted to him, that at the request f the latter he noted the number of oolies that assembled each day. The eighbouring land holders were got o supply coolies and they sent their akkals; it is likely therefore that he Revenue Inspector thought that he labour thus contributed would not be paid for and no regular account was kept. When a call for a Roaster and a bill of harges was received a stir was made d a roaster of some kind was prepared. preparing this roaster the Revenue spector took care to keep the amount of y as low as possible. In one village tel who supplied the Coolies declined

to

to receive the payment. In another the coolies declined it. These latter complained that the wages offer did not include the wages due for all the days they worked. After this complaint, the Revenue Inspector squared up the differences by paying the coolies 4 annas per head. They now say that they have no complaint.

3. As regards the supply of provisions Narnappa received orders that the owners of the supplies should be got to receive the payment in person from the sepoys. He carried out these orders so literally that in one case a certain individual who according to a private arrangement among the Ryots of his village happens to contribute two eggs were got to accompany his contribution to the camp a distance of more than 6 miles and bring with him a seer of rice and a cocoanut for his food. This is not a solitary instance of its kind. I learn further that there was such a confusion and a loot of the provisions that no body could say what became of them. In some cases prices

were

were paid and received but in a
majority of Cases no such thing was done.
4 At the other stage too the arrangements
were not very well made but the confusion
was not so great. The Patels received the
prices more or less. It is doubtful however
hether the prices reached the real owners.
In my proceedings read above I said
hat Narnappa failed to submit his
ccounts inspite of repeated reminders and
aned from it that there must be some
fect in them which he was not able to
pply. It is found since that these accounts
d been sent to the Tahsildar before I called
them. When my call was received in the
k office the Revenue Inspector was written
bout it but both the Revenue Inspector
the Taluk establishment forgot what
become of the accounts. Hence the delay
e part of the Revenue Inspector.
All things considered I am not prepared
nd Narnappa guilty of any misappropriation
money entrusted to him in connection
e supply work. But he has shown
f utterly unequal to emergencies and
ther unfit for executive work. I order his
ation but till such time as it may be
ry to find for him another place
hich he is better fitted. I take this
unity of suggesting to the Collector that

a

---

a post of equal or higher pay may when convenient be vacated for him in the Sea Customs or such other Department.

7 As for Narnappa's allowances while under suspension I think that a deduction equal to the amount of the Acting allowance which Taluk Gumasta Parmeswariah officiating as Revenue Inspector would be entitled to draw, if he were appointed to act for Narnappa is a sufficient punishment for the gross carelessness he exhibited in his work at Bailur, clause (2) ii III Rule 58 Chapter X of the Pension and Acting allowance Code. This deduction will go to Parmeswariah who has been doing the work of Revenue Inspector during T. Narnappa's suspension.
