Attention is drawn to No. 89 of the
revised printed Memo. of Instructions from this office.

An explanation of the following dis-
crepancies is requested

- 1) In the annual return for 1884 the date
of the applicant's birth is shown as 21st
September 1849 instead of as 29th January 1849

as entered in the service book and 1st page
of the application.

In the annual returns from 80/86 the
date of appointment of the applicant
is shown 24th June 1871, which does not
appear on the 2nd page of the application

SIR,

I have the honour to inform you that the
application for pension of gratuity of Namasawung
late 3rd Grade Warden District Jail
Madras

is being delayed for want of the information
noted in the margin. Where possible your
answer should be written underneath the several
points to which your attention is drawn.

2. The enclosures and your reply should
be returned with the least possible delay.

I have the honour to be,

Sir,

Your most obedient Servant,

Chief Superintendent.

If however the applicant commenced service in June 1871 the whole of his qualifying service will amount to less than 30 years in which case he will not be entitled to a pension being an inferior servant. The present application must be rejected on this ground.

3. The certificate of verification as given in the service book does not cover the period up to the date of retirement. In the annual return for 1891, the date of appointment is given as 27 September 1887 which does not appear on the original.

Madras.
To
The Inspector General of Prisons

Sir, I have the honor to return herewith the Pension papers of Ramasamy forwarded with your No. 3500 for forwarding explanation for the discrepancies pointed out by the Accountant General in his No. A.S. 7, dated 28 June 1890, by your address.

1. The office copy of the Annual return for 1884 shows the correct date of birth of the applicant viz: 29 January 1849. It is requested that the date may be corrected accordingly in the return sent.

2. The date of appointment of the applicant to the post of warden on Rs. 8 viz: 24 June 1871, shown in the Annual returns from 1880 to 1888 is incorrect as the Acquittances roll shows that the applicant was receiving only a pay of Rs. 7 per mensem till the end of October 1871.

The applicant commenced service in January 1867 and not in June 1871. He is therefore entitled to pension as an inferior servant, he having put in a service of over 30 years.
