SIR,

In returning, herewith, the enclosures received with endorsement from Government No. 23 dated the 3rd. June 1898, I have the honor to state that the discrepancies referred to in para I of letter from the Government of India No. 1226 G dated 10th. May 1898 are due to Government in the Pension Department having stated the case to the Government of India from entries in the service book of Mr. P. Pereira without considering the effect of the several interruptions in his service.

There is nothing in the service book to show these interruptions.

Sir,

With reference to your letter No.(blank) dated 25th April 1898, forwarding two statements showing the verified services of Mr.P.Pereira in the Public Works ~~Department~~ and Civil Departments, I am directed to state that it is gathered from your letter No.1015 dated 26th October 1896 that, had not Mr.Pereira taken up temporary service in March 1885, his previous service from 4th June 1866 to 25th March 1885 would have been continuous pensionable service. This, I am to observe, is not borne out by the Examiner's verified statements of the man's services; and I am accordingly to request that with the permission of His Excellency the Governor in Council an explanation of the discrepancies may be furnished to the Government of India.

2. I am also to request that the Government of India may be furnished with a certificate of the pension that would have been admissible for the period referred to above if

it were treated as pensionable.
