ORDER THEREON, No. 681 d/8th Septr/98.

Characte - Good.

The applicant retired on the 1st Sept 1897, and his pension papers were received by Govt. only on the 15th August 1898. The delay is said by the President to have been due

(1) to the applicant's service book having had to be sent to the Executive Engineer, Calicut, for verification and to obtaining necessary signatures in the service book;

& (2) to supplying omissions and to recovering the leave allowances over-drawn by him in 1875 & 1878.

—

The applicant was granted privilege leave from 4th Oct to 4th Novr. 1875, and this was inadmissible as 11 months had not elapsed after his return from sick leave on the 1st Decr. 1874. He was again granted privilege leave from 23rd Janr. to 25-

Under articles 502 & 518(b) of the Civil Service Regulations (3rd Edition), His Excellency the Governor in Council is pleased to grant to Antony Rodrigues, late Local Fund Overseer, S. Canara Dt., a superannuation pension—

of Rupees (25/-) Twenty five only p.m. payable at Mangalore from 1st September 1897 in consideration of his qualifying superior service of 30 years, 4 months and 9 days.

2. The pension sanctioned will be debited to the Local Funds & Genl. Revenues according to the rule of proportions.

The applicant has now requested the President to refund to him the amount recovered, viz, Rs 42.2.8, with refce to G.O. No 686 Finl of 30.8.97. Explanation for delay.

The delay in the submission of the application is due to the following circumstances:-

The draft pension applicati[on] was received from the District Boar[d] Engineer on 7th December 1897 who explain[ed] that the delay in its submission was due to the fact that the applicant's Service Book had to be sent to the Executive Engineer, Calicut for verification of the applicant's services under Government Employ and for obtaining necessary signatures in the Service Book.

2. On verifying the Services in this Office it was found that on two occasions unauthorized leave was granted to the applicant. Several errors, omissions and discrepancies were also noticed in the application. The application and the Service Book were therefore returned to the District Board Engineer on 4th January 1898 for explanation and for supplying the omissions &c and also to recover the overdrawn pay from the applicant.

3 The application and the Service Book &c were received back from the Dt. Board Engineer on 20th May 98. In Explaining the delay the District Board Engineer says that the amount could not be recovered from the applicant as he was absent at Bombay, that the applicant paid the amount only after his return from Bombay on the 13th Ult. The applicant put in a petition* on the 19th idem protesting against the re-trenchment on the ground that the leave in question was not obtained by him. This necessitated a Reference to the Executive Engineer, Calicut who was requested in this office letter No. 1422 D.B. 25.5.98 to verify again the services of the applicant relating to the periods of leave in question.

* sent herewith

4. In his reply received on 6th June '98 the Executive Engineer said that the entries already made in the Service Book were correct and if necessary a reference might be made to the Examiner of Public Works Accounts, Madras. Vide his letter* No. 662 M. dated 2d June '98.

* herein enclosed.

5. The applicant again put in a petition* on the 23d Instant pro-testing against the retrenchment. The G.O. quoted in the petition has not been communicated to this office.

* Enclosed herein.

Sir,

In continuation of my petition dated 19th May 1898 regarding the recovery in cash of a sum of rupees 42. 2. 8. made on the 13th May 1898 by the District Board Engineer as leave allowances stated to have been overdrawn by me from 4th October to 4th November 1875, and from 23rd January to 25th February 1878 I beg to submit as follows:-

1. Even supposing that leave allowances were erroneously drawn by me, the cases of erronious payments not challenged within six months from the date of payment should have been reported for the orders of the Local Government and without first obtaining the previous sanction of Government no retrenchment order could have been issued. I beg to submit that the leave allowances in question were disbursed to me so far back as 1875 and 1878 by the Dist Engineer

Through The District Board Engineer

Sir,

I beg to submit that agreeably to District Board Engineers memo & Reference on Cir: No. 1547 dated 24th February 1898 (copy of which is enclosed) I refunded Rs 42-2-8 on the 13th instant – But being eager to know for certain whether the amount was really leave allowances over drawn by me, I perused the entries of leave recorded in my Service book. I found the marginally noted discrepancies between the original and rectified entries.

	Original entries.	Rectified entries or entries newly made.
	(a) Entry newly made	Sick leave from 1st June – Do – from 1st Augst to 30 no
The unexpired portion of leave was cancelled	2 Months privilege leave from 5th Octr /75, but joined to duty on 5th Novr /75	1 month and 1 days leave on private affairs from 4th October 1875 to nov November 1875)
	One months privilege leave from 23rd January /78 to 21st February 1878	One months sick leave from 2 January 1878 to 25th February 18 (on half pay)

1. In regard to the newly made entry mar I have to State that so far as my recollecti

goes, I have not obtained sick leave from 24th July/74 to 30th Novr 1874, as I distinctly remember that I was not laid up with illness during the period but was on the other hand placed in charge of Mangalore Town works during the period. I also remember that during this period the present District Court and the Coir godown were built under my supervision. The works being appreciated by the then District Engineer Mr Lawford, I was promoted as acting overseer of Uppinangady Taluq, where I served for about 11 months until I was relieved by Mr E. A. Vas (the present Sub Divisional Officer of Madura District) on my return I obtained two months privilege leave from 4th or 5th October 1875, but availed only [illegible] month's privilege leave in order to relieve Overseer Mr J. S. Albuquerque, who wanted to proceed to Bombay to witness the arrival of the Prince of Wales. I even remember that Mr Lawford had endorsed on Overseer J. S. Albuquerque's leave application that unless I returned from leave, no leave will be granted to him. It is at his repeated request that I had to cancel the unexpired portion of my leave.

I was on privilege leave from 23rd January

2. According to the original entry in my service register it terminated on 21st Feby 1878. This may be a clerical mistake and has been rectified into 25th February 1878. As I was placed in charge of the work of blasting the rocks of Charmady Ghaut, I was laid up with malarious fever, but as I was entitled to privilege leave for three months for the whole period commencing from 23rd January 1878 to 27th March 1878.

3. I may add here that there were two other persons who passed by my very name (Rodrigues) one of them was Minguel Rodrigues Overseer Udipi Taluq and the other was Sebastian Rodrigues Clerk in the District Engineer's Office. It may be that the full names of three Rodrigues in service in the same District, not being carefully distinguished, the record of leave pertaining to one may have been made in the service book of another and given rise to some of these discrepancies

4. I therefore most humbly pray that the leave entries may be ordered to be once more carefully verified. Till this is ordered to be done, the recovery of leave allowance (viz Rs 42-2-8) may be regarded as a payment made under protest.

I beg to remain

SIR,

In reply to your No 1422/"D.B." dated 25th May 1898, I have the honor to state, that the Office Copies of the salary bills show that only a moiety of salary was claimed for Mr A. Rodrigues from 24th July to 30th November 1874, hence it is concluded that he was on sick leave for this period.
