OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),
Madras, Dated 11th June 1898.

READ— Endorsement of C. C. Brasier Esquire, Actg. Conservator of Forests, Southern Circle, dated 28th May 1898, No. 4461 on letter from W. C. Styling Esquire, Acting Collector of South Canara, dated 16th May 1898. Supr. Cir No. 428.

Forest Reference No. 257 dated 11th June 1898.

Submitted to Government.

2. In G.O mis No. 540 Pension, dated 1-7-96, Government sanctioned the re-employment of one superannuated head Constable of Police, Hunsur Shaik Hyder, as a temporary forest watcher in the South Canara District. The period was then fixed for which his employment was to last. But the Accountant General having objected to his being employed after the 31st December 1896 and requested the sanction of Government for his further employment, the Board addressed the Government in its Proceedings Forest No. 470 mis, dated 21st May 1897 with a view to obtain the necessary sanction. Government, however, in its order Mis. No. 506 Pension dated 7-7-97 declared its inability to sanction the employment of the pensioner for more than a year under Article 579, Civil Service Regulations and his services were therefore dispensed with

with from the 17th August 1897.

3. Owing to the Accountant General's objection, the pensioner was not allowed to draw his pension from 1st January 1897 to 17 August 1897, which amounts to Rs. 86.10.5 at the rate of Rs. 11.7.8 per mensem. The Collector reports that the man did his work well as a forest watcher and that had he known that he would lose his pension, he would not have accepted the post, the pay of which is only Rs. 8 a month. The Collector therefore strongly recommends that the amount of pension due to the pensioner for the period in question may be ordered to be paid. The Board support the Collector's recommendation.

4. Under Clause (1) of article 577 of the Civil Service Regulations pensioners who are paid out of a Police Superannuation Fund are permitted to draw their pensions without restriction in addition to the salary of any appointment in which they may be re-employed. The Board presumes that Government has satisfied itself that the pensioner's case does not fall under this article.

Submitted to Government with reference to this office report No. 1723, dated 5th June 1897. in P.O. 506 7.7.97 Pension Page

It is not the intention of the rules to place a pensioner on re-employment in a worse position than if he had not been so employed and as the amount of his pension exceeds his pay as a Forest watcher, there is no objection to his being allowed for the period from 1st January to 17th August 1897, the difference between his pension and pay (Rs 11-7-8 - Rs 8---) at Rs 3-7-8 per mensem.

With reference to para 4 of the Board's Proceedings it is observed that as the pensioner retired long after the abolition of the Police Superannuation Fund in July 1871 he is not entitled to the concession granted in article 577 (1) of the Civil Service Regulations.
