Sir,

With reference to your letter No 115 dated 5th April 1898 but despatched on the 14th and received here on the 19th April, I have the honor to state that your letter did not specify what portions of Mr Gonsalves's service should be verified. I have got verified entries from 19th June 1864 to 30th November 1896 with reference to office copies of paybills and acquittance rolls, excepting the entry as to his service as Ag. District Munsif of Puttur from 29th October to 30th November 1881. The entries are all correct except as to his service as Ag 4th Gumasta from 1st April 1868 to 12th April 1868. The office copy of paybill for April 1868 shows that he was during that period only a 5th Gumasta. It might be that pay

for 12 days as Ag. 4th Gumasta was subsequently drawn on Supplemental bill office copy of which is not forthcoming.

Mr. Gonsalves's Ag. and non-qualifying service from 1st August 1862 to 30th June 1864 has not been verified as it appears that he was then paid a certain percentage of the fees collected for registration charges. The payrolls for that period are not regularly kept. Such of them as are forthcoming are too old and eaten by white ants to be fit for the purpose of reference.

The period reckoned as service from 1. 2. 70 to 8. 12. 71 and 1. 12. 31 to 27. 1. 57 ought to be $\overset{y}{1}$. $\overset{m}{10}$. $\overset{d}{8}$ and $\overset{y}{5}$. $\overset{m}{1}$. $\overset{d}{27}$ respectively. Sir

I have the honor to forward herewith for submission to the Government through the Accountant General the application for pension of Mr. A. R. Gonsalves, late Sarishtedar of the Sub Court from the 1st April last. The entries of his service were verified and found correct by the District Court, Mangalore as will be found
8
from the accompanying copy of the letter
6
No. 1143, dated 25th April 1898 with the ex-

-ception of one entry, viz: his service as a

gumasta

gumasta from 1st April 1868 to 12th April 1868 the office copy of the pay bill showing that he was 5th gumasta during the period. This does not, however, affect the period of his qualifying service. His service in the Registration Department for broken periods between 1st August 1862 and 30th June 1864 appears to have been paid from the fees collected and is not qualifying service. It was not possible to verify the same in the absence of office copies of pay bills or acquittance roll. The applicant however counts sufficient qualifying service excluding that in the Registration Department and contemporary evidence of this portion of his service in the Registration Department has not been taken.

2. There was some unavoidable delay in submitting the application owing to the records required for the verification of the service having been left at Mangalore. Soon after Mr Gonsalves' retirement a history of his service was prepared and despatched from Nellore on the 14th April to the District Court, Mangalore, for the purpose of verification with reference to the office copies of pay bills &c. in the custody of the Dt Court. It was returned verified and was received on the 30th April. The Sub Court ceased to sit at Nellore from 4th of May and reopened at Mangalore on the 4th instant and the library and other records belonging to the Court and despatched from Nellore were received here but recently.

3. The service book of Mr Gonsalves, the copy of the letter from the District

Court

Court above referred to and his last pay certificate are attached to the application.

Sir,

With reference to your proceedings No. 1704 dated 11th instant returning the application for pension (with enclosures) of Mr. Gonsalves late Sheristedar of this Court for further verification, correction &c I have the honor to state that the Service Register of the Applicant was forwarded to the District Munsif of Puttur on the 12th instant and was returned with his letter No. 762 dated 15th instant together with a copy of the Salary bills and the Accountant General's Slip No. A.B.S./338 referring to the period of the Applicant's Service as Ag. District Munsif of Puttur.

8
13
749

These vouchers show that this period should have been one month instead of 1 month and 2 days as found from the Service Register. The entries in the Register, as well as those in the application for Pension relating to this item of the service are now accordingly corrected. The fact of verification is noted against this entry and the last 2 entries of the service in the application. The errors in the calculation of the periods pointed out in the proceedings are rectified and the applicant's signature has also been obtained in Col. 7 of the Service Book against the last entry.

As to the identifying marks it is found that the applicant does not bear any marks of personal identification other than those recorded

th Canara

1898

With regard to the leave on private affairs and Special leave granted to the applicant in 1865 June and 1868 October there is nothing to show more than the mere fact that he was granted the leave, and it is difficult to find out under what circumstances the leave was granted so long ago.

The application for Pension with enclosures together with the Puttur District Munsif's letter above alluded to with its enclosures are submitted herewith.
