SIR,

Enclosures 10.

With reference to your Endorsement No. $\frac{498}{D.B.}$/98 dated 21st July 1898, (Received on the 2nd Instant), I have the honor to inform you that as the transfer of B. Pinto to the Local Funds took effect from 1st March 1880 on reduction of Establishment ordered in G.O. No. 265 d/ 3rd February 1880 and as pay has not been drawn in the P.W.D. from 1st March 1880 ~~I presume~~ that so far as P.W.D was concerned his transfer resulted in a saving

I. As the applicant held no permanent appointment on 1st March 1881 when he was appointed as Aj. Overseer, Mangalore Taluq on Rs 40, the period of his acting appointment as such from 1st March 1881 to 17th June 1881 should be shewn as nonqualifying.

The Applicant's Service from 1st March 1881 to 17th June 1881 has been shown as nonqualifying and the necessary corrections have been made in the pension application.

II In the above circumstances the applicant service in a substantive appointment as sub-overseer in the Local Fund Public Works Department, South Canara would commence from 14th November 1881 and the applicant will not be entitled to any pension for the Local Fund Service as it began subsequent to 20th May 1881 vide para 80 of the Local Fund Rules.

Noted.

III (a) The applicants' service from 1st August 1868 to 31st October 1870 when he held the substantive appointment of Taluq Maistry 4th grade Udipi Taluq on Rs 20 should be treated as inferior under article 435 of the Civil Service Regulations ~~and the~~ total qualifying service in superior grades till 31st March 1880 should accordingly be corrected on the 1st and 2nd pages of the application (b) Further the amount and class of gratuity that he might be entitled to on 31st March 1880 should be entered on the 1st page of the application (C) It should also be stated whether any and if so what savings was effected to Government by the reduction of Establishment on 31st March 1880 as required by article 471 Civil Service Regulations.

The Applicants Service from 1st August 1868 to 31st October 1870 has been treated as inferior and necessary corrections have been made in the application.

The amount and class of gratuity to which he is entitled on 31st March 1880 has been shown on the 1st page of the application.

This point will be answered by the Examiner of Public Works Accounts. Letter No $\frac{1018 \text{ A}}{5 \cdot 8 \cdot 98}$ from the Executive Engineer West Coast Division to whom a reference was made on the point is enclosed for his information.

I The following discrepancies should be explained:-
In the statement of verified services furnished by the Examiner of Public Works Account, the date of the applicants' promotion as Maistry on Rs 25 is given as 1st January 1869 instead of 1st November 1870 as given in the service Book

2. It is impossible to state at this distance of time what savings, if any, were effected by the transfer of Mr. Pinto to the Local Fund Establishment. As, however, the transfer was effected along with the transfer of Local Fund Works to a separate agency, it may be fairly assumed that the pay drawn by Mr. Pinto at the time of transfer, was saved to Government.

3. The salary audit registers of this office clearly show~~s~~ that pay at Rs.25 per

per mensem was passed to Mr.Pinto with effect from Ist,January I869.

I As the applicant held no permanent appointment on 1st March 1881 when he was appointed as Ag: Overseer, Mangalore Taluk on Rs 40, the period of his acting appointment as such from 1st March 1881 to 17th June 1881 should be shewn as non-qualifying.

II. In the above circumstances the applicant's service in a substantive appointment as Sub Overseer in the Local Fund Public Works Department, South Canara would commence from 14th November 1881 and the applicant will not be entitled to any pension for the Local Fund Service as it began subsequent to 20th May 1881. Vide para 80 of the Local Fund Rules.

III (a) The applicant's service from 1st August 1868 to 31st October 1870 when he held the substantive appointment of Taluq Maistry 4th grade Extra Taluq on Rs 20 should be treated as Inferior under Art: 435 of the Civil Service Regulations and the total qualifying service in Superior grades till 31st March 1880 should accordingly be corrected on the 1st and 2d pages of the application.

(c) It should also be stated whether any and if so, what saving was effected to Government by the reduction of Establishment on 31st March 1880 as required by Article 471 Civil Service Regulations.

IV The following discrepancies should be explained:-

In the Statement of Verified Services furnished by the Examiner of Public Works Accounts the date of the applicant's promotion as Maistry on Rs 25 is given as 1st January 1869 instead of 1st November 1870 as given in the Service Book.

2. The applicant counts a total service of 14 yrs, & 7 months under Government, of which 3 yrs 8 months & 7 days are non-qualifying and 2 yrs and 3 months treated as Inferior
