I have the honour to be,

Sir,

Your most obedient Servant,

G. S. S. S. S.
Chief Superintendent.

Attention is drawn to No. 20 of the
printed Memo. of Instructions from this office.

with reference to the privilege leave
enjoyed by the applicant from 25th
February 1885 to 13th March 1885.

2. The applicant's height and his
marks of identification given in the
1st page of the application should
be obtained so as to agree with those
given in the service books.

3. The applicant's medical certificate
should be countersigned by a *Medical*

Medical

Medical officer, if one is now available
in the District.

4. The applicants' Last Pay Certificate
should be transmitted.

5. The applicants' finger prints should
be obtained in the service book; in
the 1st page of the pension application
and in the Collector's half of the Permanent
Pay order, agreeably to the instructions
contained in Government Order 918
Pension dated 4th December 1897 and
this office circular (Pension Department)
No XI dated 4th May 1898.

6. In some of the annual Returns,
the applicants' house or country name
is shown as Patti Venkata Narasimha
Row and Patti Bahshuni Narasimha
Row. Information should be furnished
as to whether these names refer to one
and the same person.

7. In the annual Return for 1895
the date of the applicants' appointment
is given as 28th August 1891, while this
date does not appear in the 2nd page
of the application.

Memo

The total service of the applicant is 22 years
and 5 days (including the inferior service 9 years
and 5 months); which, if the whole of it were taken
into the Superior grade, would entitle him to
a monthly pension of Rs $\left(\frac{22}{60} \times \frac{15}{1}\right)$ or $\frac{R. 5. 8. 0.}{5-8-0.}$

The nearest exact age of the applicant being
49 years, the present value of a monthly pay-
ment of Rs 1 for the whole life is Rs $\frac{127.3}{107.4}$ ac-
cording to the table given in appendix IX of the C.S.R.
Hence the present value of a monthly payment of Rs
 $(5\frac{1}{2} - 3)$ or $2\frac{1}{2}$ for his whole life would be 318.25.

The pension recommended is Rs 3 per mensem and
the gratuity now recommended for the applicant is
inferior service of 9 years and 5 months under
article 436 of the C.S.R, is Rs 30; which amount
together with the pension recommended, does not exceed
the present value of the pension which he would be
entitled to, had the whole service been counted as Superior
grade. Hence a gratuity of Rs 30 being 3 months pay etc
is recommended under article 524 of the C.S.R. in
addition to a pension of Rs 3 under article 518 of the
C.S.R.

The corrections appear to have

This clerk has been sent by the Tahsildar
Narasimhetti Talug for examination in respect to
his fitness or otherwise for further service.

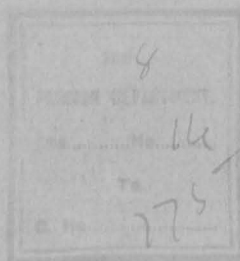

History. He states that he has been using glasses in
consequence of defective vision for the past 11 or 12 years
his sight is now gone bad and is unable to read or
write with the aid of glasses after 5 P.M.

Present condition. A weakly looking individual
visible mucous membrane slightly anemic. There is
cataract in the left eye. Vision in right eye has
been destroyed years ago by iritis. Considering his
age + present state of health I am of opinion that
he is unfit for further service.

Care no 182

Office of the Board of Revenue
(Land Revenue)

Madras, dated 12th September 1898.

Read certificate and report from the Accountant---
General, No. A.D. J/260, on application of Collector of Kistna, dated -
15th June 1898, for an invalid pension and gratuity on behalf of ⁹⁵
P. Narasimha Rao, late gumastah, Narasaraopet taluk office.

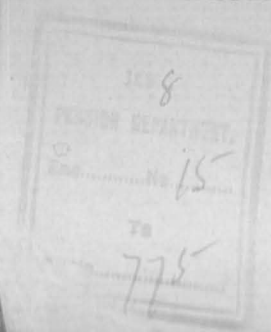

And the following reference thereon dated 23.8.98: -

On page 3 of the pension application the applicant
is shown to have been suspended from 27th to 31st December 1889, --
but from the copy of the suspension order sent in support of the -
entry it appears that the applicant was suspended until further or-
ders, by an order dated 25th Jan. 90⁹⁵ passed by the Divisional Offi-
cer. The Collector is requested to explain the discrepancy and to --
state briefly the circumstances which led to the suspension on that
occasion.

Read also the following letter from R. Morris Esq.,
Ag. Collector of Kistna to the Secretary to the Commissioners of --
Land Revenue, Madras, R.C. No. 1678 B/Accounts, dated 3rd September 1898

With reference to Board's Proceedings No. 940, dated
23rd August 1898, I have the honour to state that the applicant P.V.
Narasimha Rao first applied for leave but was refused it owing to
the then pressure of work, and was granted 5 days casual leave com-
mencing from 27th December 1889. During this period, he went to Coco-
nada, and from that place sent in an application for one month's --
privilege leave. The Tahsildar, in reporting the matter to Divisional
Officer for orders recommended that the period of absence of ~~the~~ this
clerk without obtaining leave in a proper form might be treated as
suspension from duty; and the Divisional Officer approved of this re-
commendation pending the explanation of the clerk on joining his --
office. This was obtained and submitted to Divisional Officer, who --
thereon treated the period from 1st January 1890 to 31st January --
1890 as leave on loss of pay and that from 27th December ¹⁸⁹ to 31st --
December 1889 (5 days) as suspension from service.

Reference

Reference No. 1016 dated 12th September 1898

Submitted to Government with reference to paras 2 & 3 of the Accountant-General's report.

2. Orders are requested as to whether the periods of service noted in the margin which are claimed in the applicant's affidavit may be admitted; also whether any reduction should be made in his pension on account of the in-different character borne by him, as reported by the Collector.

3. It appears from the remarks against item 2 on page 3 of the pension application as well as from the records submitted that the applicant was suspended on two occasions viz. from 27th to 31st. December 1889 and from 27th August 1890 to 26th February 1891. On the first occasion the suspension was awarded as a punishment for overstaying leave. On the second occasion the applicant was suspended for six months on the ground that he was responsible for certain corrections made in a plan relating to an accretion which formed the subject of a suit in the Bandar District Munsiff's Court.
