From

THE DEPUTY INSPECTOR OF VACCINATION,
Madras Municipality.

To

The Health Officer
Municipal Commission, Madras

Sir,

In forwarding the pension Application of late Asst Deputy Inspector of Vaccination A. Ramaniyulo Naidu, I beg to submit the following remarks.

1. His date of birth as given in the Service Register is January 1843. As no precise date in January was given, I have calculated from 15th January 1843.
2. His first date of appointment as given in the Service Register is 10th May 1865. To corroborate this, the Asst Deputy files the original Appointment order furnished to him by Mr John Shewell. No doubt he was appointed from 10th May/65, but on a reference to the Pay Abstracts and Acquittance Rolls of the North Arcot Circle, it was found that A. Ramaniyulo Naidoo actually entered upon his duties as a Vaccinator from 1st June 1865 and drew pay from that date. I have accordingly corrected the entry 10th May/65 into 1st June/65.
3. His service 1-2 in the Godavari District is not verified by Acquittance Rolls and Pay Abstracts for want of records in this Office. The Treasury Deputy Collector, Godavari, was requested to verify the same. He informed in letter No. 286 dated 19th September/92 that the Pay Abstracts previous to 1880 are not available in the District. The Accountant General was addressed in letter No. H 1596 dated 22-3-98 on the subject and we were informed that the records were not forthcoming. Enclosed letter No. 150 dated 14.3.93 from the President District Board, Godavari will show that Ramaniyulo Naidu's Monthly returns from

3. The applicants signature should be obtained in column 4 of page 4 of the service book.

The applicants signature has been obtained.

4 The applicants absence without leave on the 14th April '97 should be entered in detail in the 2nd page of the application and the period treated as non-pensionable service.

The applicants absence without leave has been entered in the 2nd page of the application & the period treated as non-pensionable service.

5. The class of pension entered opposite to No. 9 in the 1st page of the application should be altered into "Superannuation" under article 508 of the Civil Service Regulations.

The class of pension has been altered.

6. Explanation of the following discrepancies is requested:-

The date of appointment namely 1st September 1868 given in the service book & in the 2nd page of application is correct according to the entry made in the Pay Abstracts. The date given in the Andih Register appears to be incorrect.

(a) In the Andih Register for '69-'70, the date of the applicants appointment is shown as 1st August '68 while this date does not appear in the 2nd page of the application.

The date of birth namely January 1843 given in the service book and in the 1st page of the application is correct as will be seen from the date given in the Annual Returns for other years, one which appears in the Annual Return for 1876 seems to be incorrect.

(b) In the annual Return for '76, the age of the applicant is shown as 38 years meaning thereby that he was born in the year 1838 which does not agree with the year of his birth given in the service book and on the 1st page of the application.
