His incapacity does not appear to me to have been caused by irregular or intem-

Sir,

In forwarding herewith the Service Book (together with 3 enclosures viz 2 Copies of Certificates and 1 original affidavit) of Mr. Ramiah Lascar & Pilla Bangaru transferred to work establishment in July 1893 under G.O. No. 840 W. of 28. 3. 93. I have the honor to inform you that from the Service Book the Lascar appears to have been appointed to the Department only on 1st November/94 whereas it is apparent from the Copies of the Certificates and the office Copies of the seq. rolls of the late Golugondah Range recorded in this office that he was on the permanent establishment prior to that date.

From the above documents it must be concluded that the Lascar was on the permanent establishment of the Department from 1st Sept 1866 to end of August/92 when he was thrown out of employment owing to the abolition of the Golugondah Range

He was again employed in the then newly formed Golugonda Division as a Lascar on the permanent establishment on 1st November 1874, Consequently he has put in a total service of 24^{on} 8-12 up to 14th July 1893 as shown in the margin.

In 1883 the Lascar having presented a petition to the then Executive Engineer Nriagapalam Division through Ellamun Chelly Sub Officer praying that his service prior to the abolition of the late Golugondah Range might be included in the Service Book the Executive Engineer stated in his letter No 495 of 18.7.83 to the Sub Officer that there were no records to enable him to verify the services of those employed in the late Golugondah Range previous to 1871 and therefore requested to obtain and send the original Certificates said to have been granted by late Mr Lasky and an affidavit prescribed in Section 124 Rule 5 of the Civil Pension Code. The Sub Officer accordingly obtained from the Lascar the above papers and forwarded the same to the Executive Engineer; the latter merely ordered the affidavit and Copies of Certificates + 1 attached to the Service Book

without taking any further action in the matter.

Had a little trouble been taken in 1883 in instituting a search for the necessary records, the books of office Copies of the aeg. rolls of the late Golugondah Range would have been found then and the necessary information obtained to verify the service of the Lascar from 1866 to 1872 & this reference and delay saved.

Under the Circumstances I request that you will be good enough to obtain sanction of Government to the Lascar being continued on the permanent establishment under G.O. No 1303 W of 15-5-93 and his service from 1st September 1866 to end of August 1872 being entered in the Service Book.
