Read—letter from W.J.H. Le Panu Esquire, Collector of Salem to the Secretary to the Commissioners of Land Revenue, Madras, Ref.No.849/cur, dated 27th April 1898, and Reference No.539, dated 16th May 1898

Read also letter from Robert E. Clegg Esquire, Acting Collector of Salem, to the Secretary to the Commissioners of Land Revenue, Madras, Ref.No.849/cur, dated 20th June 1898.

Reference No. 760 (Petition) dated 13th July 1898.

The papers read above, which relate to the re-employment of one Arumugam Mudali, a retired police constable of the Salem District, as village Munsiff of Nuttampatti in the Salem District Taluk, will be submitted for the orders of Government.

2. The pensioner was appointed as village Munsif on the 4th December 1894, as he was the only resident ryot of the village among the applicants for the office, and as he was considered to be the best person available. He did not conceal the fact of his being in receipt of a pension while applying for the above mentioned office, though after employment he was made to sign the non-employment certificate which was in English, until March last owing to some misapprehension in the taluk office. The Board considers that in the circumstances of the case there were strong public grounds justifying the reemployment of the pensioner as he was the only qualified candidate for the appointment. There was no initial attempt on his part at concealment of the fact that he was a pensioner, and it is probable that he signed the non-employment certificate without sufficient knowledge of its contents. The Board, accordingly, recommends that the amount of pay drawn by him as village Munsiff be not recovered from him.

3
It is presumed that the pensioner has now been replaced by some other qualified person.

TRANSLATION.

The p. h. was a Police Constable
on Rs. 7 per mensem and was
pensioned in 1893. In 1894 a series
of robberies were committed on the
high road near Mulhampetti and
in consideration of his experience
in the Police Dept. the p. h. was
appointed Munsif of the
village the pay of which at p. h.
is only Rs. 2 per mensem. The
p. h. was pensioned as he was un-
fit for the active duties of a
Police Constable. He has now
strength enough left in him to
discharge the duties of the
Munsif office for about ten
years

no years more. His pension together
 with the pay of the Munsif office
 comes to only Rs 5.8 which is
 less than the pay he was draw-
 ing as Police Constable. There are
 only 20 houses in the village
 and excepting the dismissed Mun-
 sif there is not one man who can
 read or write; nor is it probable
 that the pay of Rs. 2 would at-
 tract inhabitants of other villages.
 The p. is a native of the
 village & owns a house and
 lands properly. Without considering
 all these facts the Dy Coll. and
 the Coll. have issued orders in
 accordance with G.O. No. 13th
 of 1902 removing him from
 office on the ground that a govt.
 pensioner should not be re-appointed to
 Govt. service without the sanction
 of govt. For the reasons above given
 the p. prays that govt. will be
 pleased to restore him to the
 Munsif office & direct the payment
 to him of the arrears of pay and
 pension due to him.

Sir,

With reference to your letter No 240 dated the 27th January '96, I have the honour to state that as the "Village Service Fund" is an Incorporated Local Fund, the employment of pensioner *W. Rangaswamy Kulu* without the special sanction of Government is objectionable. All payment of pension on his account should accordingly be stopped and the sanction of Government to his employment should be applied for.

Meanwhile the date from which he has been so employed should be reported to this Office

Madras.

Sir,

I have the honor to report that one Wangarala Rangaraya Kumar holder of P. Order N° 20193 is reported to have been employed as a village person at Mahabud of Bunder town in December 92 on a salary of Rs 2/- per mensem. The fact of his having been employed has for the first time come to light only in this month on an objection raised in this office on the acquittance roll of pension payments made in the month of January and the amount of pension paid to him in this month for December 95 (viz) Rs 3-8-0 has been recovered and credited in the current month under instructions contained in items Nos 30 & 7 of your objection statements for February and April 95 respectively.

2. The pensioner under reference is a retired police constable and as such, cannot be reemployed without the sanction of Government. Vide article 576 of Civil Service Regulations. But from the certificate required, he appeared to the bill by a pensioner drawing his pension in India under article 1035 of C. S. R. it appears that the restriction for the returning class pensioners being reemployed without Government sanction extends only to employment in Government establishment or an establishment paid from an Incorporated Local Fund.

3. In the present instance the pensioner is employed as a Mohabard whose salary is debited to the Village Service Fund. As it is not clear whether the Village Service Fund comes under "Incorporated Local Fund" I beg to know whether my action is correct. Pending receipt of reply in reference, the necessary recovery of pension drawn from the date of the pensioner's reemployment is deferred and payment of further pension stopped.

I have

Note for the Under Secretary

Please see copy of letter from the Treasury Deputy Collector, Kistna to the Accountant-General. No. 240 of 27th January 1896, and the Accountant-General's reply to it - No. $\frac{3.A.D.}{54}$ of 11th February 1896

A pensioned Police Constable was reemployed as a Mohabard of Bunder Town, and his salary was, ~~as usual~~, debited to the Village Service Fund. The Accountant-General has remarked that, as the Village Service Fund is an Incorporated Local Fund, the reemployment of the pensioner without the sanction of Government is objectionable.

The Village Munsiff's salary is also debited to the Village Service Fund, & the reemployment in the present case is equally objectionable.
