Certificate and report from the Accountant-General, dated 16-9-1898, No. A.D.J./303

ORDER THEREON, No 770 d/ 8 Oct/98

Under articles 485 & 518(b) of the Civil Service Regulations (3rd Edition), His Excellency the Governor in Council is pleased to grant to Kadambari Kristnamoorte Pantulu, late Sub-Asst. Insp. of Schools, Ellore Range, an invalid pension fifty one Rupees of Rupees (50-0-0) payable at Ellore from 8th Novr. 1897 in consideration of his qualifying superior service of 27 years, 9 months and 5 days.

2. The medical certificate dated 4 months & 19 days after the applicant ceased to do duty is accepted under art: 914(c) of the Cd. R.

~~3. The full pension a[illegible] the [illegible] has not [illegible] granted as the applicant's character & conduct have not [illegible] thorough[illegible]~~

Character-----"Good".

Reduced in Aug: '82 from Dy: Inspr: on Rs.150/- to Dy: Inspr: on Rs.125 for delay in the submission of annual returns.

In Decr: '82 he was compelled to go on leave without allowances for 1 year & reqd: to resign the service at the end of the year for culpable neglect of duty and untrustworthiness.

In March 1883 the order requiring him to resign the service was cancelled and he was allowed to continue on leave until his services were required. In June 1883 the Director considered that the man's re-employment in the capacity of a Dy: Inspr: was out of the question and accordingly ~~reduced~~ reduced him to the Fourth Assistant Mastership of the Berhampore College on Rs.60.

Satisfactory.

On the 8th Nov:'97 the applicant was relieved of his appointment on the strength of his statement that he had completed 30 years' active service. On receipt of his application for pension it was found that the total period of qualifying service fell short of 30 years and that he was therefore not entitled to a retiring pension. He had not even completed 55 years of age. So, he was called on to produce a medical certificate of unfitness for further service, which he did on the 26th March 1898. His pension papers were submitted by the Director of Public Instruction to the Acctt:-Genl: on 11th July '98 and the delay from March to July is ascribed to the verification of applicant's services.

For orders whether any &, if so, what reduction should be made from the maximum pension admissible. Please see Dr Duncan's recommendation in para 7 of his letter (slip D) d/11.7.98

A reduced pension is to be given where the service is not thoroughly satisfactory. Ordinarily, Govt can tell that a man's service has not been thoroughly satisfactory only by the record of his punishments. The more a man has been punished, the more unsatisfactory, it must be inferred, his service has been & the more his pension should be reduced.

It is submitted that

I think no reduction should be made in this case. The man has done 15 years satisfactory service since his reduction & by serving as Dy. Inspr & Sub Asst Inspr has purged himself ~~of the~~ of the Directors' condemnation in '83 when it was ordered that "if reemployed it should simply be as a very subordinate master in some school."

3.10.98

Reduction in pension should not be considered as an addl punishment to be taken along with the other punishment inflicted on a man in the course of his service.

The reduction flows as a necessary consequence of the unsatisfactory conduct which has provoked punishment.

## CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant was employed in a Government School up to 1st May '63, when he was transferred to the post of Head Master in the Central School at Narasapur. He held that post up to 16th July 75, when he was appointed as Dy. Inspector of Schools, Cocanada Circle on a salary of Rs 100/- per mensem. Although the Central School, Narasapur was not a Government Institution as explained by the Director of Public Instruction in his letter reproduced in G. O. No 182 Ful. dated 18th March '85, the post of the Head Master alone was under a special arrangement, sanctioned by Government brought on the strength of the Educational Department. The applicant's service rendered in that appointment has on the precedent of Vaijapuri Mudaliar's case, disposed of by Government in G. O. No 393 dated 24th March '87 Pension, been admitted towards pension. Should Government, in the circumstances explained by the Director in his letter No 7461 dated 11th July 98, enclosed, and with reference to article 991(c) of the Civil Service Regulations, be pleased to accept the medical certificate which is dated 4 months and 19 days after the appointment, ceased to do duty, his qualifying service in superior grades will in all amount to 27 years 9 months & 5 days, which will render him eligible for an Invalid pension not exceeding Rs 50/- per mensem, equal to 30/60 ths of average emoluments under articles 485 and 518(b) of the Regulations.

2. From the enclosed ~~enclosed~~ papers explaining the applicant's degradation on 1 Augt '82, his character and past conduct do not appear to have been entirely satisfactory. But with reference to the Directors recommendation in his letter quoted above, it rests with Government to determine whether any and if so, what reduction should be made in the amount of pension certified to be admissible to him in the preceding para.

3. The delay in the submission of this application is also explained in the Directors letter quoted above.

## Appointments.

Read letter from the Inspector of Schools, First Division, dated 29th June 1883, No. 1357, recommending K. Krishnamurti Pantulu for the Fifth Assistant Mastership of the Berhampore College, and suggesting further arrangements to fill up the Deputy Inspectorship of the Chicacole Circle.

KRISHNAMURTI Pantulu and Subrahmanya Aiyar will exchange places, but as Mr. Monro's proposal regarding Sanjiva Rau would involve the supersession of Sitaramaswami, who stands first for promotion to the Fifth Class, it cannot be approved at present.

2. The Director is accordingly pleased to make the following appointments :—

K. Krishnamurti Pantulu, Deputy Inspector of Schools, Chicacole Circle, Fifth Class, to be Fourth Assistant, Berhampore College.

C. N. Subrahmanya Aiyar, B.A., trained, Fourth Assistant, Berhampore College, to be Deputy Inspector of Schools, Chicacole Circle, Sixth Class.

The Muhammadan Schools at Ádóni and Nagore were omitted, by oversight, from the list of Schools shown in para. 4 of the Director's letter, No. 19-O., read in the above Order.

3. The Inspectors concerned will furnish this office, early in October, with a statement showing, month by month, the receipts, charges and net cost of the above Schools, from 1st April to 30th September 1883, so that the amount due from the Municipalities may be recovered by the Accountant-General. In this account the salaries for March, paid in April, should be omitted, but the salaries due for September, and to be paid in October, included. The Inspectors are also requested to furnish the Presidents of Municipalities concerned with the sanctioned and existing scales of establishment and other particulars that may be required of them in regard to the schools concerned.

4. All furniture, books and maps and school apparatus belonging to the institutions will be handed over with the schools; and the buildings, in cases where these are owned by Government, may be placed at the disposal of the Commissioners for use, rent-free, on condition that they are maintained in good repair and re-transferred to this department again if the schools cease to exist, or if the premises are required by Government.

5. Pending the decision of Government regarding the transfer of High Schools to the Municipalities, the Inspectors are requested to furnish this office with a statement showing the receipts, charges and net cost of the Middle and Primary Departments of the schools, month by month, from 1st April 1883, so that the net cost of the Middle and Primary Departments may be recovered from the Municipalities concerned, without delay, should the schools be transferred to them.

8

9

789

6. The Middle Departments attached to the Government Colleges of the Second-grade will be abolished in December next. The services of all teachers (Pandits excepted) who draw salaries ranging from Rs. 40 to Rs. 50, attached to the Middle School Department, should be dispensed with. Where there are Municipal Schools, the teachers just referred to pass to the Municipalities concerned, but in the case of Cuddalore and Madura, where there are no Middle Schools, the Inspectors of the Fourth and Fifth Divisions will give the teachers concerned immediate notice that their services will not be required after 31st December 1883. In order to protect Government, similar notice will be given by the Inspectors of the First, Second, Fourth, and Sixth Divisions, and the Headmaster, Mangalore College, to teachers whose services the Municipalities may hesitate to take over, pending order of Government. Such teachers as cannot be otherwise provided for will receive the pension or gratuity they may be entitled to under the rules. To enable the Accountant-General to recover the net cost from the Municipalities, the officers concerned will submit a statement showing the receipts, charges and net cost of the Middle Departments from April to December, with particulars for each month. Meanwhile, the Inspectors of Schools, and the Headmaster, Mangalore College, are requested to report, *at a very early date*, the staff they consider necessary, including teachers of oriental languages, for the efficient working of these Colleges.

7. Salary Grants to Colleges and Schools are being re-distributed now with effect from 1st April 1883. As the grant for Middle Schools is to be borne hereafter by the Municipalities, a statement showing the names of teachers who are employed in teaching the Middle Departments, wholly or partly, and the grants payable to each, will be prepared by this office and communicated to the officers concerned for their information. Applications for transfers of such grants from and after 1st October next, should be submitted to the Presidents of Municipalities.

8. All Results Grants for the Fifth, Sixth, and Seventh Standards in boys' schools in Municipalities paid during the current year for examinations held before 1st April last, will be a charge on Provincial Funds. As regards grants for examinations held subsequent to that date, and paid from Provincial Funds, a separate account will be submitted, as the amounts must be recovered from Municipal Funds. The Deputy Inspectors will, on receipt of these Proceedings, prepare their certifying memoranda, so as to make all grants for these standards to be payable in future direct from Municipal Funds.

## TESTIMONIALS
OF
## K. KRISHNAMURTI PUNTULU.

To

K. KRISHNAMURTI,
*Narsapur.*

I have received your letter asking me for a testimonial. This honour I must decline to do on principle as I consider that a man's work is his best testimonial, a testimonial about which there can be no mistake. The progress your school seems to be making is and must be of far greater service to you than anything I might say. I feel now for this fact that you must have been doing your work well and laboriously and it is my sincere wish that success will continue to attend you. Always your well wisher.

TUTUCORIN,

The Nursapore Central school is under a Hindu trained Master from Vizagapatam, and the way in which it is conducted is creditable to the teacher. At the Matriculation Examination two of the pupils were successful.—*Mr. Powell, Administration Report for 1869-70, page 24*

OFFICE OF INSPECTOR OF SCHOOLS,

1*st Division, Waltair* 14*th August* 1881.

To

The Deputy Inspector of Schools,

Vizianagaram Range.

The Deputy Inspector's report shews a considerable increase in the number of results Schools in his range, a fact which is creditable to himself and his subordinates. A marked improvement is also noticeable in the Samasthanam Branch Schools especially in those at Gajapatinagaram and Chipurupalle.

2. The Inspector observes that the Deputy Inspector has shown laudable energy in promoting the spread of results Schools in the Gunupur and Rayaghada taluqs. It is to be hoped that before long the services of an Inspecting Schoolmaster will be secured for those tracts.

3. The Inspector has read the Deputy Inspector's remarks in para 25 of his report with interest. He fully concurs in these remarks, and has embodied them in his annual report, so as to bring them to the notice of the Director of Public Instruction. The Deputy Inspector will endeavour henceforward to insist upon a more scientific study of Telugu in the English teaching schools in his range. To this end

greater attention should be paid to reciprocal translation and to the study of grammar.

(Signed) A. MONRO,
*Inspector of schools.*

I have much pleasure in testifying to the zeal and popularity of Kadambary Krisnamurty Pantulu Garu who has been Deputy Inspector of schools and as such I have had ample opportunities of meeting him and testing his work in my neighbourhood. I believe he is strictly honest and conscientious.

No. 7461

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,
DIRECTOR OF PUBLIC INSTRUCTION,
*Madras,*

To

THE SECRETARY TO GOVERNMENT,
Pension DEPARTMENT,
*Fort St. George.*

(Thro' the Accountant General).

SIR,

I have the honour to submit, for the favourable consideration of Government, an application for an invalid pension on behalf of M.R.Ry. Kadambarai Krishnamurti Pantulu, Sub-Assistant Inspector of schools, Ellore Range, together with his service book, a memorandum of average emoluments and his Medical and Last Pay certificates.

2. M.R.Ry. K. Krishnamurti Pantulu wanted to be relieved of his duties towards the end of September 1897, as in consequence of an attack of malarial fever he was unable to go out on tour or to do much office work. On the strength of his statement that he had completed thirty years of active service, he was relieved on the 8th November 1897. On receipt of his application for pension in January last it was found that the total period of qualifying service he had put in was less than thirty years and he was therefore not entitled to a retiring pension under article 509 of the Civil Service Regulations. As he has not attained the age of 55 years he was called on to produce a medical certificate of physical incapacity for active service. The service book and the application for pension were also returned to the Inspector for revision.

3. The District Surgeon, Rajahmundry, was on tour in Upper Godavari when M.R.Ry. Krishnamurti Pantulu first went to Rajahmundry to be examined; subsequently on the 26th March last

the District Surgeon examined Krishnamurti Pantulu and declared him unfit for further service. The Inspector, Northern Circle, resubmitted the application for pension on the 18th April last, but as many old records had to be searched for, the verification of his long service of more than thirty years with several interruptions and degradations led to some delay in the submission of this application.

4. Though the Central school, Narasapur, was not a Government institution, its Headmaster was brought on the strength of the Educational Department with a salary of Rs.100 and was required to devote two hours of his time daily to teaching the Normal classes located in the same building, as will be seen from paragraph 3 of the Director's letter recorded in G.O.No 1 Educational, dated 6th January 1880. In 1872 an addition of Rs.30 was made to the Headmaster's salary on the understanding that he was to have the supervision of two additional Normal classes maintained by the Local Fund Board, vide G.O.No 931 Financial of the 26th July 1872. Though the Local Fund Normal classes were opened experimentally for one year, the District Board continued to maintaine~~d~~ them till the Local Boards were relieved of all charges connected with Normal schools, vide G.Os.Nos.78 and 744 Financial of the 17th January 1873 and 30th April 1874 respectively.

5. M.R.Ry.K.Krishnamurti Pantulu was degraded in this office Proceedings, No 4037 of the 25th July 1882, from Rs.150 to Rs.125 for delay in the submission of annual returns. In Proceedings No 6446 of the 9th December 1882 he was compelled to go on leave without allowances for one year and required to resign service at the end of the year for culpable neglect of duty and untrustworthiness. In Proceedings No 1956 of the 30th March 1883, however, the portion of the above order requiring him to resign the service of Government was cancelled and he was allowed to continue on leave until his services were required. In Proceedings No 4360 of the 22nd June 1883, it was said that his re-employment in the capacity of a Deputy Inspector was out of the question, and that, if re-employed, it should simply be as a very subordinate master in some school. Accordingly in Proceedings No 5636 of the 16th August 1883 he was reduced to the Fourth Assistantmastership of the Berhampore College on Rs.60.

6. In G.O.No 1768 Financial of the 17th August 1883, Government sanctioned the transfer of the Lower Secondary Department of the Berhampore (among others) College to the Municipal Council. Accordingly in paragraph 6 of this office Proceedings No 6198, dated 7th September 1883, it was stated that the middle department attached to the Government Colleges of the secondary grade (of which Berhampore was one) would be abolished in December 1883 and the Inspectors were asked to give the teachers concerned notice to the effect that their services would not be required after 31st December 1883. Hence the termination of K.Krishnamurti's appointment as Fourth master of the Berhampore College on the 31st idem. He was without employ from 1st January to 28th March 1884. Under article 463 of the Civil Service Regulations Krishnamurti's service up to 31st March 1884 qualifies for pension.

7. It will be observed from the enclosed copy of printed testimonials of M.R.Ry.K.Krishnamurti Pantulu that my predecessors as well as all the Inspectors have certified that he did very good work for not less than 17 years. Ill-health may have had something to do in inducing that indifference in his work after 1882, which, unfortunately, resulted in his degradation. Taking into consideration his long service, the pecuniary loss he suffered by reductions in his salary and by absence on long leave, and the good work done by him for many years, I request that he may be allowed the half pension for which he is now eligible.

8. I beg to submit for reference copies of this office Proceedings referred to in the preceding paragraphs.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Instruction.

PUBLIC INSTRUCTION

MADRAS

SIR,

I have the honour to inform you that the application for pension ~~gratuity~~ of Mkky K. Krishnamurti Pantulu late a Sub Asstt. Inspector of Schools, Ellore Range. is being delayed for want of the information noted below. Where possible your answer should be written opposite to each point to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.

I Attention is drawn to Nos. 19, 38 & 45 of the printed Memo. of Instructions from this office. as also to Government order 918 Pen dated 4 December 1897 and this office circular No. 11 dated 4 May 1898 regarding the applicants finger-impressions.

II Item No. 18 on the 1st page of the application should be filled in.

III. The verification certificate recorded in the Service Book should be brought up to the date of the applicants retirement.

IV The applicants service from 29-3-84

to 29-1-85 as acting 3rd assistant of the Berhampore College should be shewn as non-qualifying on the 2d page of the application, as he held no permanent appointment during the period - Vide also article 406 of the civil service Regulations.

V. As regards the applicants service from 30-4-85 to 27-6-86 when he held the appointment of a probationary Dy: Inspector of Schools, Ongole Range, information should be furnished whether all the conditions prescribed in article 408 of the civil service Regulations have been fulfilled in the applicants case.

VI. The following discrepancies should be explained :-

In the annual returns for 1895 and subsequent years the date of the applicants appointment as Sub Inspector Ellore Range and that of his promotion to Rs 100 are given as 21-8-93 and 1-10-85 respectively which do not agree with the corresponding dates given on the 2d page of the application.

Copy of letter from the Inspector of schools, Northern Circle, No D/444, dated 22nd August 1898.

In returning herewith the papers sent to me under your endorsement No 7985, dated the 23rd ultimo, I have the honour to state that the objections of the Accountant General Nos. I, II, III and IV have been attended to. The totals at the bottom of of page 2 of the pension application have not been corrected, pending the settlement of the question raised by the Accountant General in objection No V. On this point M.R.Ry.K.Krishnamurti Pantulu informs me that his appointment to the Ongole Range in the Probationary class from 30th April 1885 to 27th June 1886 was permanent, C.Kotayya Chetti, who had been previously in the Ongole Range, having been transferred to the Nellore Range and this statement has been verified by the entries in the list of officers on the 1st January 1895 and 1896. I therefore consider that the conditions prescribed in article 408 of the Civil Service Regulations have been fulfilled in the case. Moreover, the appointment was not probationary, but it was in the class called probationary class. As regard objection No VI, I have to state that the figures given in the service register and pension application are correct. Those given by the Sub-Assistant Inspector in the annual returns for 1895 and subsequent years are incorrect. I enclose Proceedings No 8182 dated 6th December 1886 showing that M.R.Ry.Krishnamurti's promotion to the Rs.100 grade was from 1st October 1886 and not from 1st October 1885. Incorrect figures appear to have been, some how, given in the annual returns for 1895 and the same were repeated year after year.

2. The papers under transmission could not be submitted earlier as the finger impressions of M.R.Ry.Krishnamurti Pantulu, who resides at Nellore, had to be taken in the presence and under personal supervision of the head of the office. The papers were received in this office on the 2nd instant. M.R.Ry.L.C.Williams Pillai went on leave on the 8th instant, I took charge on the 12th and immediately started on tour. On my arrival at this station, I wrote to the Sub-Registrar of this station for a loan of the necessary apparatus and have this

day taken the finger impressions of M.R.Ry.Krishnamurti Pantulu.

SIR,

In returning your letter No A.D.K/108, dated 16th July last, I have the honour to enclose copy of a letter from the Inspector of schools, Northern Circle, No D/444 of the 22nd instant, and to state that M.R.Ry.K.Krishnamurti Pantulu was appointed Deputy Inspector of schools, Ongole, in the grade of a Probationer in this office Proceedings No 1377 of the 7th March 1885 vice M.R.Ry.Kotayya Chetti transferred to the Nellore range. As the vacancy at Nellore was caused by the retirement of the late C.Kuppuswami Sastri, who was granted pension in G.O.No 383 Pension of the 18th March 1885, M.R.Ry.
