W. B. De Winton Esquire,
Chief Engineer and Secretary
to Government P.W.D.
Madras.

The humble presentation of Korukonda
Andiah, late Maistry, Government Work Shop,
Dowlaisheram.

Most humbly Sheweth,

That in thanking Government for
the pension of Rs 19-14-0 sanctioned in G.O.
No. 525, dated 21st July 1898, on his behalf,
your petitioner most respectfully begs to
lay the following circumstances before your
honor for such gracious re-consideration
as you may deem deserving.

Your petitioner had submitted his
preliminary application for pension in Sept 1897
for verification on the full belief and
expectation that all his Work Establishment
service from 1861 to 1876, a period of 15 years,
would be counted towards pension under
Article 418 of C.S.R., and that he would
get his full pension.

In November 1897, Article 418 referred
to above was, to your petitioner's great dis-
appointment and misfortune, cancelled in
the 3rd issue of the C.S.R., resulting in a
loss of Rs 7-0-8 out of his anticipated
pension of Rs 26-14-8, which would, otherwise,
have been sanctioned. Had your petitioner
known

4
Known that this article would be subsequently
Cancelled, he would have retired sometime
before, and would have received his full
pension.

Your petitioner served for the
most part of his service in malarious
localities, such as Damma gudium and
Beddaole coal boring operations at the
great risk of his health, and also done special
and excellent work in connection with the engines
and machinery at the reconstruction of the
Dowlaiswaram New Head Lock, as specially
reported by the Superintending Engineer 1st
Circle, vide report printed in G.O. No. 4762
6-8-87.

Your petitioner had served Government
for a total period of 36 1/2 years and worked
in malarious places to the full satisfaction
of his superiors, but unfortunately, his case
has been dealt with in the ordinary course
instead of as a special and exceptional
one, and he therefore prays your honor, who
knows him and his work thoroughly from
the time the Lakshmi palam Lock was
constructed up to your leaving the Godavari,
will graciously be pleased to render him such
help as will enable your poor old servant
to get more bread for the short period he
may live without having to work again
in his old age in order to get belliful food.
Your petitioner begs to take the liberty of
bringing to your honors notice that this can
best be done under clause II Article 465 of
the.

the C.S.R, which is more applicable in
his case, as his pension does not exceed
Rs 50 a month.

For which Act of Charity and in
benevolence your poor petitioner will be
greatly indebted to your honor during
the remainder of his life time

Your most obedient & humble petitioner

No. 1227, PUBLIC, 27TH SEPTEMBER 1898.

GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

ORDER—No. 1227, Public, dated 27th September 1898.

Under the authority vested in him by sections 28, 24 and 25 Victoria, Cap. 67, (The Indian Councils Act, 1861), His Excellency the Governor is pleased to direct that the following rules be substituted for those approved in G.O., No. 1192, Public, dated 10th November 1896:—

(1) Petitions for mercy from convicts under sentence of death addressed to the Governor in Council shall be circulated to His Excellency the Governor and the two Civil Members of Council.

(2) Similar petitions addressed to the Government of India, which can be forwarded so as to reach the Government of India 24 hours before the time fixed for the execution, shall be transmitted to the Government of India on the authority of the Chief Secretary without circulation of the papers. Any similar petition, which cannot reach the Government of India within such time, shall be circulated to His Excellency the Governor and the two Civil Members of Council for orders as to whether it clearly contains nothing which is likely to cause the Government of India to take a view of the case different to that taken by the Government on the petition addressed to it by the convict.

(3) Petitions for mercy from condemned prisoners addressed to Her Majesty the Queen-Empress, which are copies of those already considered by this Government or the Government of India, may be withheld on the authority of the Chief Secretary without circulation of the papers. In other cases such petitions shall be circulated to His Excellency the Governor and the two Civil Members of Council for orders.

Memorandum No. 2142.

Read the following paper:—

Copy note by the Honourable Sir Henry Bliss, M. L. E., dated 22nd September 1898:—
I see this proposal for additional expenditure has not been to Financial Department for counter-intials. I think all such proposals should do so before circulation. Once the Member in charge of a department has sanctioned additional expenditure not provided for in the budget or capable of being met by savings, and perhaps a G. O. has issued in the Department concerned, it is almost impossible for the Financial Department to interfere effectively, and thus the control it should exercise is lost.

Copy of the foregoing note is forwarded to all departments of the Secretariat for information.
