(3. The Govt consider that Art 521(a) of the C.S.R. is inapplicable to the present case.

In the case disposed of by G.O. 769 of 19-6-94, the individual therein referred to was of the same age as the applicant, & was invalidated for "general debility, Anemia and Cataract of both eyes," and Art 521(a) C.S.R. was held to apply to his case.

For orders.

Let Art 521(a) be held applicable to this case the maximum pension will be Rs 5-8-2. If it is held inapplicable, the maximum pension will be Rs 5-15-3.

Submitted that the article clearly does not apply. The incapacity is due to disease which has prematurely aged the man & not to advancing years or natural decay. At the same

time the man's past record is not entirely satisfactory. His weight set Rs 5-10-0. H.M. 11/10/98 5.10.98

With reference to your No 835 of the 31 July

of 16 July 1898, I have the honour to inform you
that the Certificate in question was signed by me
when I was in charge of the District during Surgeon

2. The latter officer has, as you are aware, again
left the District on privilege leave for business
leaving our charge to me under the orders
of the Surgeon General on 30 July 1898. and
although I am at present in independent charge
of the District I have not yet been gazetted to
act; and as the Accountant General may
again object the issue of the Certificate now called
for has to be delayed till I am formally
appointed Acting District Medical and
Sanitary Officer.

3. I am however not aware of any
order which the Accountant General
could call for a pension Certificate from
the

from the Commissioned Medical Officer alone.
 Para 5 of appendix to G.O. No 329 of 15 April

 could be granted by any District Medical
