CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Submitted to Government. The applicant commenced service on 25-2-61 as 1st Assistant Master, Govt. Normal School, Vellore, which appointment he held till 30th May 1874 when he was dismissed the service for insubordination and neglect of duty. But in consideration of his lengthened service of over 13 years at the time, he was, in the Proceedings of the Director of Public Instruction No. 892 and 970 dated 27th May '74 and 8 June 1874 respectively, reinstated and transferred from the Vellore to the Trichinopoly Normal School as 1st Assistant Master on 23d June 1874. The Director of Public Instruction, however omitted to declare under Article 461 of the Civil Service Regulations that the applicants' past service should count towards pension. There was thus an interruption in the applicants' service from 30th May 1874 to 22d June 1874. Should Government be pleased under Article 465, of the Civil Service Regulations to condone the interruption as recommended by the Director of Public Instruction in para 5 of his accompanying letter No. 7743 dated 18th Feb. 1888

25-2-61 to 29-5-74
1-3-87 to 31-8-88

Director of … accept the marginally noted periods of the applicants' service claimed in his affidavit and the evidence of contemporary employes (a portion of which is also verified from the records of this office), qualifying service in superior grades will be duly proved for 31 years 2 months and 27 days and a Retiring pension not exceeding Rs 20 per mensem equal to 30/60th of average emoluments will be admissible under Articles 509 and 518 (b), of the Civil Service Regulations.

The delay in the submission of the application is explained by the Director of Public Instruction in para 6 of his letter quoted above.

In accordance with Rule 3 under Article 994 (b), the attention of Government is respectfully solicited to Article 514 of the Regulations.

Proceedings of the Director of Public Instruction

Madras 27th May 1874.

Read letter from the Inspector of Normal Schools and Presidency Dn.

(Here enter 14th May 1874 No 568)

With the letter above-recorded Mr Fowler sends up a report from the
Madras Deputy Inspector of Schools upon the result of the enquiries
made by Mr Viziaringa Moodelliar at Vellore concerning the
matters referred to in the Inspector's letter, No 495 of the 29th ultimo

2. From the papers previously submitted and those now forwarded
it is evident that C. Krishnasawmy Pillai, 1st Assistant Master
in the Vellore Normal School must be removed forthwith. This
teacher has persistently shewn spirit of insubordination to the
Head Master, Mr David Joseph – has neglected his duties, –
and is more than suspected of having originated unfounded
complaints against the Head Master.

3. Were it not for Krishnasawmy's lengthened service of some thirteen years, the Director would not only remove him from his post at Vellore, but prohibit his re-employment in the Educational Department for a certain period. As it is however, the Director will content himself with removing Krishnasawmy from the Vellore school, leaving Mr Fowler to suggest the re-employment of that Master on a reduced salary in some other post.

4. Krishnasawmy will be struck off the staff of the Vellore Normal school from the date on which these Proceedings are communicated to him

Proceedings of the Director of Public Instruction

Madras 27 May 1874

Read letter from the Inspector of Normal schools and Presidency Division

(Here enter 14 May 1874 No 568)

With the letter above recorded Mr. Fowler sends up a report from the Madras Deputy Inspector of schools upon the result of the enquiries made by Mr. Vijayarunga Mudaliar at Vellore concerning the matters referred to in the Inspector's letter No 495 of the 29th Ultimo.

2. From the papers previously submitted and these now forwarded, it is evident that C. Krishnaswami Pillai, 1st Assistant master in the Vellore Normal School must be removed forthwith. This teacher has persistently shown a spirit of insubordination to the Head master, Mr. David Joseph — has neglected his duties, — and is more than suspected of having originated unfounded complaints against the Head Master.

8

3. Were it not for Krishnaswami's lengthened service of some thirteen years, the Director would not only remove him from his post at Vellore

but,

but prohibit his reemployment in the Educational Department for a certain period. As it is, however the Director will Content himself with removing Krishnaswami from the Vellore School leaving Mr. Fowler to suggest the reemployment of that master on a reduced salary in some other post.

4. Krishnaswami will be struck off the staff of the Vellore Normal School from the date on which these proceedings are Communicated to him.

3rd June 1874, Madras.

To

E. B. Powell Esqre M.A., C.S.I.
Director of Public Instruction,
Madras.

Honoured Sir,

I beg to bring these few following lines to your honor's favourable Consideration hoping that they will meet with Success.

On Saturday the 30th Ultimo, I was furnished by the Head Master of G. N. School, Vellore, with a copy of your Honour's Proceedings No. 892, which inform me of my removal from the said School, on being found guilty of three charges, viz. persistently shewing a Spirit of insubordination to the Head Master Mr. L. Joseph Pillai, neglect of duties, and Suspicion of being the originator of ungrounded complaints against the Head Master.

To the first of these charges I beg to state that I have always implicitly carried out the instructions given to me by the Head Master and have never given room for such an offence as insubordination, for if I had any such spirit it would have shown itself on the very outset of my teacher's career. Never did any one of the former Head Masters find in me such a Spirit. I am not aware of the instances referred to by the Head Master to show that I possess such a Spirit of insubordination as to deserve so severe a punishment. I have at all times behaved well to my Superiors.

With respect to the Second Charge of neglect of duties, I beg to state that I was always punctual and regular to my work and showed in it so much zeal and energy as is required to make the School stand on a par with Schools of the Same Standard. The decrease of the number of pupils in the highest class is not to be attributed to the want of zeal and energy on my part but to the promotions not being made in the beginning of the year. After the Inspector's Examination in August last, he ordered the Head Master to promote the boys

but

8
37
850

but the latter was very stringent in his promotions promoting only 4 or 5 boys from each class — a thing quite uncommon in this School. It was then represented to the Head master by me and by other assistant masters that such a strict promotion would tend to decrease the number in each and especially in the highest class at the close of the year who then waived the objection by telling that he will get the sanction of the Inspector, if required, for the reorganization of the classes in the beginning of the year. As was predicted, most of the boys who have remained for a year in the highest class left it for Chittoor, Madras &c. I expected that promotions would be made and the classes reorganized but was disappointed. Hence the paucity of pupils in each class. Were I a person who neglect my duty, I would never have attended the School more punctually and regularly than any other master. To neglect my duty I should have some other object in view such as passing the special Test Examinations or trying to secure a place in other departments. But such is not my ambition — my sole aim being to stick up to the Department which has given me bread for more than thirteen years.

With regard to the 3rd charge, I must say, on my honour, that I have never instigated any person or persons to write anonymous petitions against the Head Master as I know full well that such unauthenticated letters are of little or no value. Persons who know me well will bear testimony that such a mean spirit is not found in me. Such letters were sent even in the time of Mr. Y. Amirthanayagam Pillai the former Head master. I hear, on reliable grounds, that such anonymous letters are sent against officers of the Revenue and Engineering Departments. This is to be attributed to the character of the people. It may not be considered impertinent on my part and wish to be excused that when I say native christians meet with all sorts of annoyance and inconvenience in a ssil town like Vellore where people are mostly

ly

engaged in trade and agriculture. It is these anonymous petitions that have induced the Head master to write out a long report against me putting in it things that occurred long ago and which were then considered trifling and insignificant not worth to be noticed. All these have now been magnified to bring me into trouble. The Criticism lesson referred to in the Head master's letter took place in the middle of September last and I do not know why it was not brought to the notice of the Authorities and have me checked if there was any thing unpleasant or wrong. On the 27th & 28th March 1874 the Head master sent memos respecting the state of my class, and the manner and posture I assume during the criticism lessons; on the 2nd or 3rd week of April he forwarded a report against me to the Inspector, embodying in it, I think, the points found in the memos. Ever since the time the memos were sent, I have ever acted always according to the spirit and letter of them. Never did I show any spirit of insubordination. After the receipt of these anonymous petitions, suspecting that I should have originated them, he began to write such memos that were never written before. If the first two charges that were brought had any foundation, why were they not brought to the notice of the authorities then and there? It is a matter that I should request your honour to give a deep consideration.

Lastly, I am very much grieved to find that I am made to suffer for these faults severely. I have been serving in the Department for more than thirteen years faithfully and honestly in the Vellore Normal School and my removal from it has very much depressed my spirit. I therefore request your honor to reconsider my sad case and to reinstate me in my former post. I have a very large family solely depending upon me for support.

Hoping that I shall meet with success.

I beg to remain
Honoured Sir
Your most obedt. and humble Servt.

Proceedings of the Director of Public Instruction, Madras 23rd July 1877

Read letter from the Inspector of Schools, 4th Divn.

(Here enter 9th July 1877 No 2034)

This report does not shew the number of students in each class of the Normal School and the examination for which they are preparing. The number of classes in the Practising School and the strength of each class should also have been stated. Mr Bradshaw is requested to supply these omissions.

2 If the scheme of study in the Practising School is in accordance with the curriculum prescribed for Government Schools, any criticism on it are out of place in an inspection report. The question is whether the prescribed Course has been fully carried out and on this point Mr Bradshaw's report contains less information than is desirable.

3 As there is not work for 4 normal masters, the services of A. Gopaul Mudalyar must be dispensed with. If possible, employment should be found for him as an Inspecting Schoolmaster or as an assistant master in a middle class school.

4 The Director of Public Instruction considers it desirable that schools of this class should as far as possible be placed under the charge of trained graduates, but he is not able at present to find any suitable employment for Mr Winfred. Mr Bradshaw will report whether he would be likely to answer better

better as a Deputy Inspector than he has done as Head Master of a Normal School. Mr John Bradshaw recommended some time ago that he should be relieved of the charge of the Book Depôt and this will now be done.

E

5 Mr Vinfred will accordingly be relieved of the charge of the Trichinopoly Book Depôt on the 31st August,

6 T. Rungaswami Aiyangar will be promoted to the post of Second Master on a Salary of Rs 45 from the 1st September.

7 C. Krishnaswami Pillai will be reduced to the post of third master from the 1st September on a Salary of Rs 20 with the charge until further orders of the Trichinopoly Book Depôt.

8 As it is of great importance that the Practising Schools should be filled, the Director is prepared if necessary to lower the scale of fees. The Head Master will report through the Inspector of the Division what fees are now levied in each class and what reductions are in his opinion necessary.

The commission of the Trichinopoly Curator amounting in 1875-76 to Rs.416-13-3 and in 1876-77 to Rs.399-8-9. It seems therefore probable that the total remuneration of C.Krishnaswa Pillai as third Master on Rs.20 and Curator on between Rs.30 and Rs.40 will slightly exceed the salary he has drawn as second master on Rs.50.

2. The Inspector will report at the next annual inspection how C. Krishnaswami Pillai has done his work in the easier sphere assigned to him and will also state whether he has been a loser by the change made in his position.

OFFICE OF THE DIRECTOR OF

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,
DIRECTOR OF PUBLIC INSTRUCTION,

THE SECRETARY TO GOVERNMENT,
~~Pension~~ DEPARTMENT,
(Thro' the Acct. General). *Fort St. George.*

SIR,

I have the honour to submit for favourable consideration an application for a retiring pension on behalf of C. Krishnaswami Pillai, First Assistant, Government Training School, Villupuram, together with his service book a memorandum of average emoluments and his last pay certificate.

2. About the end of May 1874 Krishnaswami Pillai was struck off the staff of the Vellore Normal School for insubordination and neglect of duty. This removal did not however entail forfeiture of his past service as he was re-employed shortly after in the Trichinopoly Normal School, vide this office Proceedings Nos. 892 and 970 dated 27th May and 8th June 1874. Further paragraph 3 of the former Proceedings shews beyond doubt that Mr. Powell, the late Director had no intention of removing him from the Department altogether.

3. On 1st September 1877 Krishnaswami Pillai's pay was reduced from Rs.50 to 20 as per Proceedings No 2920-P of the 23rd July 1877. This reduction was due to the remodelling of the staff of the Government Normal School, Trichinopoly, and to the impossibility of providing him with an appointment on the same pay for want of a suitable vacancy. It will also be seen from this office Proceedings Nos. 4405 and 972 of the 18th October 1877 and 15th March 1878, that the late Major General Macdonald had no intention to reduce this

hnaswami Pill in fact a gainer by the change made in his position as regards immediate income.

4. The Government Normal School, Kulitalai, was transferred to the management of the District Board, Trichinopoly, in G.O. No 509 Educational of the 22nd September 1881. Krishnaswami Pillai's service from 1st October 1881 to 31st December 1891 qualifies for pension under article 849 (2) of the Civil Service Regulations. On the provincialization of the Training schools under G.O. No 567 Educational of the 23rd July 1891, he was retransferred to this Department and appointed First Assistant, Government Training School, Trichinopoly. He was allowed the maximum pay-Rs.40 under G.O. No 551 Educational of the 22nd July 1892. He continued to draw the same pay in the Training School, Villupuram also, under G.O. No 852 Educational of the 9th December 1892.

5. I beg to request that the short break of 24 days which was due to the delay in finding suitable employment for him may be condoned and that in consideration of his service of upwards of thirty six years he may be granted the half pension for which he is now eligible.

6. The application was received from the Inspector of schools only about the end of April last; but as many old records in this office had to be searched ~~for~~ for the verification of his long service extending over 36 years the delay in the submission of the application was unavoidable.

7. Copies of this office Proceedings quoted above, the affidavits and contemporary evidences of M.R.Ry. J.M. Velu Pillai and Arunachella Mudaliar are also submitted.

I have the honour to be,
Sir,
your most obedient servant,

prior to 1st August 1892 does not appear to have been verified. If so, the verification should now be completed and the fact noted in the service Book

IV But if the applicant's service is not verifiable wholly from office records as is inferred ~~upon~~ from the submission of the applicant's affidavit and the evidence of contemporary employes, attention is drawn to No 1 and 2 of the above memo with regard to only such periods of service as cannot be verified from office records and the entry in the column "How verified" on the 2nd page of the application should accordingly be modified.

V The following discrepancies should be explained

(a) In the annual returns from 1862 to 1885 the date of the commencement of the applicant's service is given as 14th February 1861 instead of 25th February 1861 as shewn on the 2nd page of the application.

(b) In the annual returns for 1878 and 1879 the dates of the applicant's appointment as 3rd and 1st assistant Master of the Government Normal school Trichinopoly are given as 1st August 1877 and 8th April 1878 respectively which do not agree with the corresponding dates entered on the 2nd page of the application

VI The annual returns for 1876-1877 and 1892 of the Government Normal school Trichinopoly are not forthcoming in this office and copies thereof should be furnished.

× Evidence called for. K

The 14th Feby 1861 the date of appointment order appears to have been entered in annual returns, instead of the 25th Feb 61 the date on which the applicant actually began work in the School. The entry in application may therefore stand as it is.

In Dt Procs 2920 P / 23.7.77, applicant was reduced to 3rd Asst Mastership with effect from 1st Sep 77. So the Entry has been verified with reference to records of the School — So the Entry in Annual Return appears to be wrong — The date of appointment as 1st Asst has been corrected into 8th April '78, agreeing to the Entry in Annual Return.

Copy of return for 1876-77 ~~is sent~~ is herewith forwarded. Copy of return for 1892 not being available an Extract from the list of Officers for that year is enclosed instead.

(1) Information should be furnished as to whether Krishnasami Pillai was sub-pro-tem or Acting as Head Master Vellore Normal School from 25-10-64 to 9-12-64 and whether he was acting in a permanent vacancy.

(2) What was the minimum pay of the appointment in which he was acting

To

as

as Head Master in Normal School during the above period.

(3) Signature of the Head of office is not entered in Column 12 of the Service book against the entry 28th January 1865.

(4) The pay of the officer has been raised from Rs 50 to Rs 60 from 1st May 1866. The number and date of the Proceedings sanctioning this increase should be quoted, and why this entry was not made in the Service book should be explained.

(5) No entries in the Service book from 29th January 1865 to 29th May 1874. This needs explanation.

(6) The entry 30th May 1874 in Column 10 of line 1 in the Service book is evidently a mistake for 29th May 1874 as from the entry in the History of Service and in column 8 of the service book, it is observed that he was without employment from 30th May 74 to 22nd June

June 1874.

(7) A Copy of Proceedings of the Director of Public Instruction No: $\frac{946}{4 \cdot 6 \cdot 74}$ should be obtained and submitted.

(8) As Krishnasami Pillai was dismissed from service on the 30th May 1874, it is questionable whether his previous service will count towards pension.

(9) His reappointment in the Trichinopoly Normal School as 1st Assistant on Rs 50 from 23.6.74 is not entered in the Service Book though the same has been verified.

(10) The cause of reduction in the Trichinopoly Normal School from Rs 50 to Rs 20 from 1-9-77 should be explained.

(11) The number and date of Proceedings appointing him as 1st Assistant or 2nd Master, Trichinopoly Normal School from 1-4-78 should be quoted.

(12) His services from 21-9-80 to 2-10-80 should be verified with reference to the records of the Trichinopoly Normal School.

(13) The transfer of the officer from the

the Govt. Normal School, Kulitalai to the Board Normal School, Kulitalai has not been noted in the Service book.

(14) His services in the Board Normal School, Perambalur from the 17th January 1887 to the 31st March 1888 should be verified.

(15) The Head Master of the Trichinopoly Normal School states that the entries for March 1887 to August 1888 could not be verified as the acquittance roll is missing. It should be clearly stated whether the entries for the period subsequent to August 1888 up to 31st December 1891 were verified.

(16) How the officer came to draw Rs52 from 1-3-92 should be explained.

(7) His services from 1-10-96 up to the date of his retirement should be verified.

(18) The last entry in Col. 7 of the History of Service should be 3-11-18 and not 3-11-15 as entered in it.

(19)

(19) The entries in the Service register from 23rd June 1874 to June 1881 has not been attested.

(20) The reason of termination in many of the appointments have not been entered and attested in the service book.

(21) A memorandum of calculation with reference to articles 530-532 of the Civil Service Regulations should be given to show how the average emoluments entered in the pension application were arrived at.

(22) Reason for the omission of Signature of the Head of the office against most of the entries in the Service book should be given.

(23) The column "How verified" in the History of Service is left blank. The particulars of verification should be entered in this column.

(24) The pension application has not been signed by the Head Master —

and

and the remarks in sheet 3 of the pension application has not been filled in. These omissions should be supplied.

2. It should be ascertained and reported where the records of the late Govt Normal School are at present and why the services of Krishnasami Pillai from 1861 to 1874 could not be verified.

3. It is observed that the service register of Krishnasami Pillai has been maintained in a most shabby manner, the entries relating to his appointments not having been entered from time to time and attested by the Head of office. In fact the service register has not been preserved with any amount of accuracy and correctness on the part of the Officer himself or of the Head of office under whom he served as to admit of a pension application being prepared out of it and submitted to Govt. for Sanction.

4. A copy of the supplementary instructions for the preparation of pension application &c is herewith forwarded to the Head master for his information, guidance and return when no longer required.

This is to certify that C. Harishnasamipillai was the First assistant master in the late Govt. Normal School Vellore from May 1867 to November 1868 when I was an assistant master in the same school. 1 The applicant was only acting for Mr. J. Moses, Head Master, who was on leave from 25-10-64 to 9-12-64. (Vide Proceedings marked A).

2 Minimum pay of the Head Master was Rs. 100 and the maximum Rs. 150, but not progressive. The rule then was that the Acting Officer was entitled to draw a moiety of his own pay together with a moiety of the pay of the permanent incumbent. Mr. J. Moses, Head Master was on receipt of Rs. 120 and the applicant on Rs. 50. Hence the latter drew during his acting period Rs. 85. i.e. his pay Rs. 50 and acting allowance Rs. 35 as marked in the Service book.

3 The Single Signature in the 12th Column refers to all the entries on the page. The preserving of Service books was not insisted upon till very late in 1876. The Service at Vellore was not entered from time to time as changes occurred but on the 17th October 1876 when the applicant was at Trichinopoly. The Inspector, after verifying the several entries with the records of the late Vellore Normal School, affixed only one Signature for all the entries, as he had to sign on the same day i.e. 2d March 1877.

5. There was no change in the applicant's position from 29th January 1865 to 29th May 1874 excepting an increase to his pay (para 4) and Sick leave in 1868 on two occasions marked in the Service Book.

6 30th May 1874 is a mistake.

7. No copy of Director's Proceedings $\frac{\text{No. } 946}{4\text{-}6\text{-}74}$ is with the applicant nor was it communicated to him. Its substance, as far as the applicant is aware, is that he was left unprovided for.

8. The applicant was not aware of any report made against him by the Head master till Mr. A. Viziaranga Mudaliar's enquiry, which lasted only a few minutes in the presence of the Head master in the School-room. The applicant was never asked to submit ~~any~~ written explanation to the charges found in the Head master's Report. He came to know what the charges were after the receipt of the Director's Proceedings $\frac{\text{No. } 892}{27\text{-}5\text{-}74}$ (Copy already submitted). He had afterwards an interview with the then Director Mr. E. B. Powell, who promised to go over the applicant's papers (Vide C). The Director was kind enough to tell the applicant that his Proceedings would never affect his pensionary claim to the applicant's Vellore Service as the applicant was only removed from the Vellore staff and not from the Department altogether. Even the interval of (24) days would have been much shorter or perhaps nil had the Inspector suggested the reemployment of the applicant soon after the receipt of the Proceedings. The Inspector suggested other arrangements leaving the applicant without any provision, sanctioned in Pro: $\frac{\text{No. } 946}{4\text{-}6\text{-}74}$ subsequently cancelled in Pro: $\frac{\text{No. } 970}{8\text{-}6\text{-}74}$. The applicant was at first supplied with a copy of Pro: $\frac{\text{No. } 970}{8\text{-}6\text{-}74}$ by the Head master, which was afterwards withdrawn by the same officer in his $\frac{\text{No. } 73}{13\text{-}6\text{-}74}$ (Vide D)×. After waiting for nearly a week, he had to go to Madras to the Inspector, who said

× Must be D

that

that the Head master mistook his memo, and instructed the applicant to proceed to Trichinopoly at once. Even the Director was obliged to leave out the third charge and put in the other two formally in his Pro: $\frac{\text{No. } 970}{8\text{-}6\text{-}74}$. The authorities are requested to consider the applicant's conduct both before and after this unfortunate occurrence. All those connected with him officially will bear testimony as to the character and work of the applicant. It will be a life-long regret if the applicant be made to forfeit his Service of more than thirteen years at Vellore for no fault of his own, may prey upon his health in his old days and may send him to the grave earlier.

(9) The entry is made in the Service Book above the Sick leave entries.

(10) It was intended to reduce the Staff (Vide E) and suitable ~~employment~~ vacancy not existing at the time, the applicant was made a master on Rs. 20 with the charge of the D. Book Depôt to make up his loss by this reduction. On appeal the Director passed an order (no copy with the applicant) that whenever income fell short of Rs. 50, it should be brought to his (Director's) notice. This was when Mr. James Bradshaw was in charge of the Division. When Dr. John Bradshaw assumed charge of the Division, he himself addressed the Director on the subject, who called for a Statement of the applicant's income, which was duly submitted with omissions of charges through oversight. The Director thereupon passed Proceedings $\frac{\text{No. } 972}{15\text{-}3\text{-}78}$ (Vide E,). Thus it will be seen that the reduction was not made for any fault on the part of the applicant.

(11) No copy of the Proceedings with the applicant. The standard of the School was lowered by transferring

ferring Mr. P. Vedandachari B.A. to Saidapet and appointing P. Rungaswami Ayyangar 2d. master to be the Head master and C. Krishnaswami Pillai 3d. master to be the Second master. Proceedings No. $\frac{2765 P.}{14-6-80}$ (vide F) may throw some light on the query.

(12) Reference seems to have been made to the Head master, Govt. Training School, Trichinopoly.

(13) The Govt. Normal School, Kulitalai was transferred to the management of the District Board Trichinopoly in accordance with G. O. No. 309 miscellaneous dated 22nd September 1881 on the 1st October 1881. No copy of G. O is with the applicant. Through some misapprehension it was thought unnecessary to enter it in the Service Book.

(14)
(15) } Vide para (2)

(16) Vide (G)

(17) The Head master, Govt. Training School, Villupuram. has been requested to verify the Service from 1.10.96 up to the date of retirement.

(18) It was an oversight. In the copy with the applicant the entry is 3-11-18.

(19) After the transfer of normal Schools to the Divisional Inspectors and after lowering the standards of these Schools, it was not definitely known who the controlling authority was. Sometimes the Inspector directly exercised authority and at other times the Deputy Inspector.

(20) No proper instructions have been given as to how the entries should be made in the Service Book. Even Mr. Fowkes who had to verify and sign did not point out the irregular entries. Had he at first objected, there would have been neither omissions nor irregular entries.

21 The applicant was on receipt of Rs. 40 a month for the last five years before his retirement. He neither received any allowance in addition to his pay nor had forfeiture. Therefore his emoluments for the last five years amounted to Rs. 2400 or 480 Rs. a year on an average. He is entitled to 30 Sixtieths for years of completed service 25 years and above. He is therefore entitled to $\frac{30}{60}$ of 480 Rs. a year on an average or $\frac{30}{60}$ of 40 Rs. a month i.e. Rs. 20 a month.

22 For a long time there was a doubt as who the "Head of the Office" was. Some were of opinion that the "Head of the Office" meant the controlling authority, the Inspector or the Deputy Inspector and others "Head Master". The head masters under whom the applicant happened to serve considered that to sign such a valuable document as the Service Book was quite unwarranted. They were in the dark as the applicant himself regarding entries and attestation. It is only after coming to Villupuram that the applicant has learned in what way the entries should be made in the Service Book and attested.

(23) Service at Vellore verified by Contemporary evidence and the applicants affidavit.

Service at Trichinopoly and Kulitalai verified by reference to Acquittance Rolls.

Service at Perambalur verified by reference to Acquittance Rolls and Contemporary evidence.

Service at Trichinopoly and Villupuram verified by reference to Acquittance Rolls.

It was 24 Years ap [illegible]

Vellore
10th August 1898.

Explanation called for in the
Inspector's No. 5845. dated 3rd August 1898.

Para V of the Acct. General

(a) The date (4th February 1861) given in the annual returns from 1862 to 1865 as the commencement of the applicant's service is the date of the Director's Proceedings (Vide A) appointing the applicant to Vellore and not the actual date of his joining the appointment. He was furnished with an extract (now missing) of the Director's Proceedings by the Principal of the Govt. Normal Normal School, Madras on the 18th and on the 21st an advance of Rs. 50 was given the applicant to enable him to proceed to his destination. He joined his appointment on Monday 25th February 1861. Hence the date in the application is correct.

(b) The applicant was reduced to a third master on Rs. 20 on the 1st September 1877 (Vide B) and not on the 1st August 1877 as found in the returns for 1878 and 1879. Even in the Verification statement received from the Trichinopoly Training School, the same date is marked i.e. 1st September 1877. It is not known how it came to be marked 1st August 1877 in the returns, perhaps through oversight as the Proceedings were passed in July 1877.

He was made 1st assistant in the Trichinopoly Normal School on the 8th April 1878 as found in the Returns and not on the 1st April 1878 as marked in the application. This wrong entry has been made in the Application through some misapprehension.

2. As for the remarks made by the Inspector of Schools, Southern Circle, I am able to enlighten you so far as shown hereunder:-

No 9. His appointment in the Trichinopoly Normal school as 1st Asst on Rs 50 is from 23.6.74 and not from 23.6.77.

No 10 C. Krishnasami Pilai was degraded. No other information is available.

No 11 Not available.

No 12 verified

No 13 Reasons not known & no information is forthcoming on the point.

No 14 Vide remark No 15.

No 15 Entries subsequent to August 1888 up to 31-12-91 were verified

No 16 Nothing can be ascertained from the records as his appointment was from Rs 40-60 (rising by an annual increment of Rs 4.) Rs 50 was not at the stage of the 3rd increment but Rs 52. The Accountant General seems to have raised it to Rs 52.

3. I spared no pains on my part to make the verification as correct as possible, as far as records were available, and I spent a good deal of time upon this business.

4. I cannot understand your remarks in para 1 that the "verified Extract was not neatly written" The corrections were made in red ink as neat and legible as possible. Further verifications were made by me of such of the Entries as your Extract contained. Had your entries been full, everyone of them ~~would~~ have been verified by me.

Certificate and report from the Accountant-General, dated 5th Oct 1898, No. A.D.J. / 340

Character – Good.

ORDER THEREON, No 794 d/19 Oct/98.

Please see the Acctt-Genl's report. The applicant was dismissed on the 30th May 1874 for insubordination and neglect of duty. On the 23d June 1874 he was, however, reinstated and transferred from the Vellore to the Trichinopoly Normal school. But the Director of Public Instruction omitted to declare, under article 461 C.S.R. that the applicant's past service should count for pension and there was thus an interruption in the applicant's service from 30th May 1874 to 22d June 1874. The Director now recommends that this interruption may be condoned under art. 465 C.S.R. and the Acctt. Genl. certifies that, if this be done, the applicant will be eligible for a pension of Rs 20 p.m. The concession may, it is submitted, be allowed.

The delay from Decr 97 to July 1898 is ascribed by the Director of Public Instruction to the verification of the applicant's services. The further delay was due to the correspondence between the Acctt.-Genl. and the Director.
