In 1888 this clerk for the 1st time showed signs of mental derangement and again on 3 occasions at some intervals, the last one being in December 1898. He believes at times that he is possessed by a devil, and behaves very irrationally abusing and assaulting people, refusing food and sleepless at nights; at other times he is quiet and melancholic. At present he appears very quiet. at times does not answer and at times answers after a long time. Answers are not always rational. His memory is bad. Does not sleep well at nights. Eyes are always injected. He has not been benefited by treatment.

From

The Registrar of
South Canara

To

The Inspector General
of Registration
Madras.

Sir,

In reference to Proceedings of No 997 dated 5th Instant, I have the honor to state that N. Varasimayya, 2nd Clerk Coondapoor has been reported upon from year to year, as an inefficient clerk, ignorant of English, prone to commit mistakes of all sorts in copying into the Registers and unfit to be entrusted with any other work. He was served with a notice last year and I however found during my recent inspection of that office that his scriptory work of last year was tolerable just to obviate the necessity of wholly replacing him.

English and Canarese.
