To

THE Secretary to Government,

Pension Department.

SIR,

With reference to your Endorsement No. 38 dated the 12th of September 1898, I have the honour to state ^{that} Hospital Assistant T. M. Santappa Pillai, who was granted an Invalid pension of Rs 6-4-11 a month under Government Order No. 1037 dated 2^d November 1892, was reemployed as Hospital Assistant under the Bezvada Taluk Board from 1st September to 20th November 1897, and under the Bezvada Municipality from 21st November 1897 to 31st March '98 and drew pay and allowances for the two periods at Rs 45/- per mensem, while the pay of the appointment he held at the time of

of retirement in March 1892 was Rs 35/- a month. Although the duty upon which he was engaged lasted for less than a year pension for the first period was inadmissible to him under Article 574 of the Civil Service Regulations. For the second period however, pension was paid, as he was re-employed under a Municipality.

The Surgeon General, to whom the papers were referred, states that the Hospital Assistant Santappa Pillai was temporarily employed in the Medical Department in accordance with Government Order No. 724, Public, dated 10 June 1897 which only authorized the reemployment of private practitioners on famine duty and that he should be given his pay and allowances in addition to his pension for the period of his reemployment. In the circumstances, it is for Government to determine whether sanction should be accorded to his reemployment under Article 579 of the Civil Service Regulations. In which case the petitioner can draw his pension in addition to the pay and allowances of his new appointment.

The endorsement under reply and its enclosure

-sures are herewith returned.

I have the honour to be,
Sir,
Your most obedient servant;
