Most Honoured Sir,

The humble petition of A. Samba Iyer, Late Head clerk, Avanashi Sub. registrar's office, Coimbatore district, respectfully Showeth,

That the petitioner served in the Department for a period of 28 years and as such he gets a pension of Rs 1-6-7 a month and has to draw this small amount from the Palladam Taluk Treasury which is of great distance from his native village. Consequently he has to spend a major portion of his pension towards cart hire from his native village to the Taluk Head quarters. Notwithstanding this he has to appear before the Tahsildar and the Divisional Officer to submit himself for the examination of identification every

every now and then. As the petitioner is a poor and big family man, he requests that this small pension may be commuted into gratuity and paid to him in a lump sum in consideration of the 28 years' service in the department and thus protect him.

For which act of kindness and charity, he shall as in duty bound ever pray.

The petitioner begs to remain &c.

From

J. Hesketh Bigge Esqr.,
ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS.

To

THE Chief Secretary to Government,
Judicial Department.

SIR,

With reference to your Endorsement No. 1575, dated the 18th of July 1898 referring to me for remarks letter No. 3963 dated the 4th Idem from the Inspector General of Registration, Madras, submitting a petition from D. Subba Rao, with his recommendation that the services rendered in the Registration Department by him and other clerks from 1st January '75, may be reckoned towards pension, I have the honour to observe that the Petitioner makes two requests namely,

that he may be granted a gratuity in lieu

of the pension of Rs 1-14-6 a month sanctioned to him in G. O. No. 328 dated 16th May 1898 Pension and that his service rendered prior to 1st January '88 may be regarded as pensionable and a higher rate of pension be granted to him.

The first request is inadmissible under Article 515 Civil Service Regulations.

2. As regards the second, I have the honour to invite the attention of Government to para 2 of its order No. 2895 dated 20th December '87, wherein it has already been decided that the service in the Registration Department rendered from 1st January '75 should not count for pension as it was paid by Commission. In forwarding the petition however the Inspector General of Registration suggests that the Government of India be moved to extend the concession granted by Article 400 Civil Service Regulations to this Presidency. I would however point out that the Article in question deals with the payments from a contract grant, service paid from which is non pensionable under Article 398 Civil Service Regulations. The case of the Registration Department in the Madras Presidency is different since it was not paid from an allowance granted by Government as described in the Government of India Resolution P. No. 980 of 16th February 1869, but by Commission. The inadmissibility of the pension therefore rests on Article 430 (a) and not on Article 398 Civil Service Regulations.

3. The enclosures to your Endorsement under reply together with the pension papers of D. Subba Rao, which have been obtained for reference from the Government Secretariat, Pension Department are herewith returned.

I have &c.

Lambayya would get a pension of Rs. 5-8-7 a month. Including service under the commission system, the total qualifying service of the clerk would amount to 23 years, and as the average emoluments

SIR,

With reference to your Endorsement No. 34 dated the 5th of August 1898. referring for my remarks letter No. 4131 dated 9th July 1898 from the Inspector General of Registration, Madras, submitting a Petition from A. Insp

calculated according to the Table A. Appendix 9 to the Civil Service Regulations is Rs 125-9-11, and this amount may be sanctioned to the petitioner in lieu of the pension already granted, provided the Government is pleased on a certificate of good health by a Medical Officer, which should be furnished by the pensioner to admit the application to the benefit of rule 3 (a) of the Appendix quoted above.

The petitioner requests that he may be given a gratuity in commutation of the pension of Rs 1-6-7 already sanctioned to him and the Accts. With regard to the suggestion of the Insp. Genl. of Registration that the applicant

The petitioner should be informed that Govt sees no sufficient reason to deal exceptionally in this respect for the commutation of the pension. The Accts.
