T. Aroonachela Mudaly has presided at the Press for upwards of 3½ years, in The marked reforms he introduced into the office among his subordinates and his subsequent conduct of the duties of the Press Dept. have given me great satisfaction, his punctuality in bringing out the Dist. 5. Any other remarks

The applicant being 62½ years old has applied voluntarily to retire. His retention in service beyond 60 years of age has been sanctioned in G. O. No. $\frac{835}{\text{Revenue}}$ dated 12th February 1897 and No. $\frac{107 \text{ Mis}}{\text{Revenue}}$ dated 10th January 1898, the period covered by the latter extending to 31st March 1899. As he has nevertheless chosen to retire a few months earlier, I have no hesitation to support his application, having regard to the long period of 39 years, 5 months and 29 days he has been in service.

2. It would appear from the History of Service that the applicant was employed as a Piece-work Compositor between 23rd September 1861 and 31st March 1862. He states that he was then employed, not casually, but as a member of the fixed establishment. His service during the period has therefore been reckoned as qualifying in the Superior grade, with reference to Articles 414 (i) and 435 of the Civil Service Regulations.
