Sir,

In Continuation of my report of the 18th June 98 and in obedience to your proceedings No. 617/Emy. of the 20th inst I beg to submit the following for your favourable consideration.

The District Surgeon [illegible] invalided me on the 28th June and the needful certificate countersigned by the Surgeon-General has been forwarded to you direct. I therefore request that you will be so good as to cause my Pension Application to be prepared & submitted for orders with your kind recommendation, the pension being made payable to me at Madras, where I hope to remain as a temporary measure.

I began my service on the 1st January 1870.

1870 and was invalided on the 28th June 1898, after having put in a qualifying service of twenty-five years and eight days.

* This includes three months and one day from 7th March 98, the date of my embarkation at Negapatam, to 8th June 98, the date previous to that of my disembarkation at Madras, spent out of India, qualifying under article 445.A. of the C.S. Regulations.

(2) I beg to add that I commenced my service on the 1st Jan 1870 in the late No. II Settlement Party & continued in it till 31st December 79, when my services were dispensed with on the abolition of that party. During this period, I served in various grades in the office assisted the several ⁘officers in charge of the Party both in the office and in the field, and obtained good characters from them as will be seen from the remarks entered in the Service Register. I was then recommended for a gratuity of

⁘ Hr C.G.A. Goodrich Esq. Late I.C.S.
The late H.F. Clogstoun Esq. I.C.S. C.S.I.
The late Geo. Mac Watters Esq. I.C.S.
J.H. Cook Esq. or
The Honourable A.T. Arundel Esq. I.C.S.

Rs 405 for my qualifying service of y. m. d. 9-4-6, and it was sanctioned in the G.O. copy whereof is attached to my Service Register. I have not drawn the amount as declared by me in the said G.O. While as Head Clerk, I was deputed on Famine Duty in the Kurnool District, where I served for upwards of a year in 1877-78. I had very arduous and responsible duties in connection with the Famine, and my services were acknowledged by the Famine Officer, the late H.F. Clogstoun Esq I.C.S. to be invaluable, as will be seen from the entry in the Service Register. As that officer left the district on furlough to Europe before the final closing of the Famine Operations, and I immediately re-joined the Settlement duty in the same party which subsequently came under abolition, my name does not appear to have been submitted to Government for an addition of one year's service awarded to deserving Famine employees. As however, I recently came to be aware of the G.O. granting the concession, I here respectfully beg that I may also be allowed the said concession, or short deficiency, if any, in my services.

as per correct calculation may at least be condoned. I may here submit that the Medical authorities have seen fit to invalid me, while two months' sick leave still remained to my credit.

(3) I found re-employment in the Accountant-General's office Madras on the 1st April 1881, and continued in it till 23rd January 1892. There, I began as an Auditor on Rs 30 to 50 on the clerical establishment, and gradually rose to the post of a Senior Clerk on Rs 145 in the Subordinate Account Service, appointments wherein being subject to the approval of the Controller-General, Calcutta. By the prompt discharge of my duties, I have given entire satisfaction to the several officers under whom I served in that department, as can be seen from the favourable half-yearly reports of the several Accountants-General to the Controller-General. During the above period I have also officiated as a Superintendent of a Group of the T.A. Dept. on several occasions, a post carrying great responsibilities with it.

(4) In consideration of my intimate acquaintance with the principles of the Revenue Settlement, and of the Field operations of that department, the then Settlement Commissioner, the late H.F. Clogstoun Esq, appointed me in January 1892 as Sub-pro. Uncovenanted Assistant in the present No. II. Settlement Party, then engaged in the Tanjore Dt. in a full vacancy; and confirmed me in the said post with retrospective effect after a prolonged trial of about eight months. In addition to the management of the office work, I had to supervise the preparation of the final accounts of the three settled Taluks of the Vizagapatam Dt. and of the numerous statements required for the final report on the introduction of the new Settlement rates into that Dt. I received the thanks of M.R.Ry. S. Rengachariar Avergal, Dy. Commr. No I. Party, by whom the district was settled, for having submitted to him direct the accounts of that district with my draft final report as will be seen from the copy of his note hereto appended. (Enclosure. A.). Early in July 93, I was transferred to No. ~~II~~ V Party headed by the late M.R.Ry Dewan Bahadur J. Lakshmikanta Row Pantulu Garu, and employed in the South Arcot & Tanjore Districts.

In addition to office work I had to superintend the preparation of the final Settlement accounts of the Chidambaram & Virdhachalam Taluks of the South Arcot Dt., collect the numerous statistics required for the introduction report of that district, and to start and supervise the preparation of the introduction accounts of the three Taluks assigned to that Party in the Tanjore Dt. Under orders of the Board I was placed in charge of the Party for a month when the Dy. Commr. proceeded on Privilege leave in Sept. 93. I then carried on the whole work of the Party myself till relieved by M.R.Ry Rao Bahadur M. Audinarayaniah Pantulu Garu. Early in December 93, I was re-transferred to Party No. II. apparently at the instance of the Dy. Commr. of that Party. There, in addition to office work, I had the immediate supervision of the preparation of the introduction accounts of the three Taluks assigned to that Party in the Tanjore Dt., all of which were finished & handed over in time to the Revenue officers for the Jamabundy. I also assisted the Deputy Commissioner in the disposal of the numerous petitions relating to the Settlement of that district and in the collection of the various statistics required for his introduction report of that district.

(5) Early in September 94, I was posted to Mangalore along with the party for the Settlement of the South Kanara Dt., to the languages, and peculiar land tenures, etc, of which I was quite a stranger. I gradually learnt them as far as possible as occasion arose, and assisted the officers in charge of the Party in the supervision of office work and the examination of the soil classifications and the records relating thereto of several villages in that district. Under orders of the Board, I was placed in charge of the Party for a month when the Deputy Commr. proceeded on furlough in October 95. I beg leave to append below a copy of the note* sent to me by M.R.Ry Diwan Bahadur C. Comalundara Castriar Avergal under whom I last served for eight months in that district. That officer having been satisfied of my growing ailment and actual sufferings in that district granted me furlough, which was subsequently commuted into long sick leave by the Medical authorities by whom I was invalided at the end.

* (Enclosure. B)

(6) It will be seen that during my service embracing the period from the 7th Jan 70 to 27th June 98, I have always

shown great devotion to my duty, and have given entire satisfaction to the several officers under whom I served in the Settlement and Financial Departments. I beg to add that, during the said period, I have not even been fined for any ordinary neglect of office duty, or called upon to explain any such conduct on my part.

I beg to remain,
Sir,
Your most obedient Servant
Rangaiengar
Late Uncovenanted Asst.

10th Jan 93.

My dear Sir

Many thanks for sending me the accounts of the Vizagapatam Dt., with a draft report which latter was of great help to me. I have made a few alterations here and there and added something from my personal knowledge of the Dt. Then the whole draft has been re-copied and sent to the Dy. Comr. Negapatam, with a request that he will be good enough to instruct you to go through it and compare the figures etc with the records there, and make such alterations as may be necessary. I want you kindly to check the figures thoroughly and carefully with reference to the records. You may of course make the necessary alterations. I send herewith the following papers

which will help you in checking the draft report. Please return them with the draft.

(1) Books I and II sent by you with your draft. I suppose these should be fair copies and sent to Board. (These are sent in a separate cover.)
(2) Copy of my letter to Board about Palconda dated 11th October 90 with two enclosures prepared by your predecessor.
(3) Abstract of alterations forwarded with your office letter No. 454 of the 12th July 92.
(4) The draft copy originally prepared by you.

In your draft (Para 43 of my draft now sent) you give a statement of the settled and unsettled Inams. Please let me know why it is necessary to say this about the unsettled Inams and which are they. I request you will be good enough to check the figures thoroughly — the totals, percentages, etc, etc, etc. You may make the necessary corrections. Blanks as regards figures, dates of proceedings etc must be filled up. I shall feel obliged by your kindly returning the report to the papers as early as possible. If you find any of the facts mentioned in the draft contrary to records, you may bring them to my notice, and I shall very thankfully correct them as I have mostly written from memory.

I was very busy with the Settlement of the three Taluks here, and had besides to go twice through the Dt. on long tours. I had thus no time to go through the report before this. Have you been confirmed? I shall be glad to hear that you have been. Do you know Telugu.

Yours truly

My dear Sir

I am in receipt of all your letters and thank you for your good wishes. I told you when you were proceeding on leave that I was perfectly satisfied with your work as my Uncovenanted Asst. You know your departmental work thoroughly and are familiar with both field and office work and I am indebted to you for having during my first tour in Kasaragode Taluk put me in the way of understanding settlement classification. I found you were reliable and glad to hear from other sources and to be impressed from ~~other tour~~ personal dealings with you as my Uncovenanted Asst. that you were thoroughly honest. Your quiet and unassuming ways of doing business quickly and your general simplicity particularly pleased me. Though I was sorry to lose your services, I recommended you for a transfer in the interests of your health, as I saw that you were suffering and your ailment was likely to be aggravated by the sulphureous and mica-mixed waters of the West coast. I hope the Board will grant your application for transfer. I do not yet know where I am to go. Mr. Parsons relieved me yesterday.

Avergal, Deputy Commissioner of Revenue Settlement, Party no II, Mangalore, No. 752/Mis, dated 6th September 1898:—

I have the honour to submit herewith an application for an Invalid[x] Pension on behalf of M R Ry Zadalangovil S. Renga Iyengar Avergal, late Uncovenanted Assistant of my office.

[x] Enclosure 1

2. It will be observed from the Board's Proceedings quoted in the margin[⊗] that the applicant first proceeded on 2 months' privilege leave on 1st September 1896; that this leave was subsequently commuted into furlough for 1 year, and that this furlough

furlough was afterwards extended b 10 months' leave on Medical certificat treating the whole period of leave as leave on Medical certificate under Art. 266 of the Civil Service Regulations. Fro this leave of 22 months the applican should have returned to duty o 1st July 1898. But the Surgeon of the 3rd District, Madras, under whom the applicant had placed himself for medical treatment, invalided him with effect from 28th June 1898 on the ground that M.R.Ry Renga Iyenga is completely and permanently incapacitated for further service of any kind or in the Department to which he belongs, in consequence of dyspepsia (chronic)", and forwarded me a certificate to that effect. This invaliding certificate which is × no 41, dated 28th June 1898. duly countersigned by the Surgeon-General with the Government of Madras, was received by me on 16th July 1898; and it is herewith submitted. × Enclosure no 2. As already reported in my letter to the Board No. 608/Eng dated 16th July 1898, no letter had been given by me to the applicant as required by Article 486 (f) of the Civil Service Regulations, 3rd. Edition, to enable him to appear before the Medical Officer for a certificate of incapacity for further service;

but

but I beg to observe that in the Invaliding Certificate above referred to, it is stated that the Surgeon-General in countersigning the Medical Certificate recommending the applicant for six months' extension of sick leave from 1st January 98, remarked that if not fit for duty at the end of that leave the applicant should be invalided.

3 Although the Invaliding Certificate is dated the 28th June 1898 the applicant was only retired from Service from 1st July 1898, as under Art. 501 of the Civil Service Regulations,

3rd. Edition, the retirement of an officer who is absent on leave other than privilege leave may have effect from the termination of his leave.

4. The applicant has been paid his leave allowances up to the date of his retirement and his Last Pay Certificate is appended[x] to the present application.

x Enclosure no 3.

5. History of service. From the History of the applicant's service appended[x] to this letter, it will be seen that he entered Government service on 1st January 1870 and continued in it up to 31st. December 1879; that from 1st. January 1880 to

x Enclosure no 1

31st.

31st. March 1881 — i.e. for 1 year and 3 months, — he was out of employ owing to abolition of office; and that on 1st. April 1881 he was reentertained in Government service in which he continued up to the date of his retirement. The service rendered by the applicant from 1st January 1870 to 31st. December 1879 appears to have been duly verified, when a Compensation Gratuity of Rs 405 was sanctioned to him for that service in G.O. No 898, Pension, dated 1st. September 1880, a copy of which is filed with the applicant's Service Register[x] herewith submitted; but as this Gratuity does not appear to have been drawn by the applicant, — vide.

vide his declaration at foot of the copy of the G.O. above referred to, and copy of Accountant General's letter No. $\frac{\text{9. AE}}{284}$, dated 8th August 1898, herewith submitted,x — he can count his service during the aforesaid period under Article 565 of the Civil Service Regulations, 3rd Edition. And as the interruption of a period of 1 year and 3 months above referred to when he was out of employ, was in consequence of abolition of office, it does not entail a forfeiture of the said service under Article 463 (d) of the said Regulations. The applicant's service from 1st April 1881 to 30th June 1898 has been duly verified.

x Enclosure no 5

Taking

Taking the entire period of his service from 1st January 1870 to 30th June 1898, and leaving out of account 1 year and 3 months when he was out of employ, and 2 years, 2 months and 25 days, the total of the periods during which he was on leave which did not qualify for pension, the applicant has put in a superior qualifying service of 25 years and 6 days; and this entitles him to a pension of Rs 125 per mensem as shown in the x Statement of average emoluments herewith submitted.

x Enclosure no 6

6. In this connection, I beg to submit (in original) a letter addressedx to me by the applicant on 24th July 1898, regarding the period and character of

x Enclosure no 7

of his past service. In the concluding portion of para 2 of that letter, he requests that if there be any deficiency in his service as per correct calculation, he may be accorded the concession of one year's additional service for the work done by him in connection with the famine of 1877-78. The only record I have of the applicant's work in connection with the famine of 1877-78 is the following entry in Column 8, page IV of his Service Book:—

"T. Renga Iyengar served me for 2 years as Head Clerk in the Rev. Settlement office (Salem and Coimbatore Party), and for upwards of one year

year as Head Clerk when I was in charge of Famine Operations in Three Taluks of the Kurnool District. He has always shown great devotion to his duty, and has given me entire satisfaction. His services during the Famine were invaluable to me."

(Signed) Herbert Cloughstoun
Late Ag. Dy. Director.
Rev. Sett.— and Special
Asstt. Collector, Kurnool."

February }
14th 1879. }

Article 443 of the Civil Service Regulations, 3rd Edition, says that a "period not exceeding one year "of pensionable service is added to the service of any specially deserving officer who, during employment on Famine duty in Madras in 1877-78, received no extra allowance for such duty, and whose total salary during such duty did not exceed Rs 600 a month." The entry in the applicant's service book above quoted appears to be a *copy* of a certificate, and does not bear the attestation of any officer. Further, under the article quoted above, the concession of 1 year's additional service can only be granted to *specially deserving officers*. Had the late Mr Clougstoun, who appears to have given the certificate above referred to, and under whom the applicant appears to have rendered his famine

service,

service, considered the applicant deserving of the concession, that gentleman would have taken steps to give the applicant the benefit of the one year's additional service now claimed by M R Ry Renga Iyengar.

7. The matter, however, is after all not of much consequence, as even in the absence of the concession of the one year's additional service now asked for by the applicant, he has, as shown above, rendered a qualifying service of 25 years and 6 days which makes him eligible for as much pension as he could have got, had the concession been actually granted to him.

8.

8. Date of birth: Mr. Renga Iyengar's date of birth was at first shown in his Service Register as "Tamil Soumya year 13th Arpasi — About November 1849"; but this entry appears to have been subsequently altered into "1st November 1848" under the initials of Mr. T. W. Rawlins, Accountant General of Madras. The Accountant General in his reply* dated the 8th August 1898, No. DAS/204, to a letter that I addressed him on the subject, states that no G. O. is forthcoming in his office authorising the alteration of the original entry in respect to M. R. Ry Renga Iyengar's date of birth. On the first page of the applicant's Service Register, the "date of entry," i.e, the date on which the Service Register was opened, is shown as 20-1-74, and on that date the applicant's

* Enclosure No 5

applicant's age is shown in the same page of his Service Register as 24 years, 2 months and 25 days. Neither of these latter entries has been altered. But working back from these entries, the date of his birth would appear to have been as originally entered "about November 1849". Further the English year corresponding to "Soumya" year is "1849-50", and 13th Arpasi of that year would correspond approximately to some date in November 1849. The subsequent alteration of it into 1st November 1848 does not, therefore appear to be correct. I beg, however, to observe that the alteration under reference does not affect the pensionable service of the applicant; for, whether he is considered to have been borne in November 1848 or in November 1849, he was not above 25 years, or below 20 years; of age when he first entered Government Service on the 1st. of January 1870; nor could he have been 55 years of age when he retired from service on 1st July 1898. In the Annual lists of Establishments submitted to the Accountant General from 1892 the year in which the applicant was transferred to this Party from the Accountant General's Office – the date of M R Ry Renga Iyengar's birth has been given as 1-11-48. Relying on the correctness of that date, I have left the new entry as it stands, as the correction bears the attestation of the Accountant General. I may, however, remark

that

that it was was irregular on the part of the applicant to have himself altered the date of his birth on the title page of his Service Register without getting the alteration attested by the Head of the Office in which he was then serving.

9. Name. I beg to be permitted to mention that the applicant's name has been spelt in different ways in the different papers relating to his service; but the correct spelling of his name appears to be "Tadalangovil S. Renga Iyengar", and I have adopted this spelling in all the documents herewith submitted.

10. The only acting appointment held by Mr. Renga Iyengar during the last 5 years of his service is that of Sub pro tem Uncovenanted

Assistant, Revenue Settlement Party No V, from 6th July to 29th November 1893; and his service in it counts for pension as the appointment was fully vacant.

11. For reasons already reported to the Board in my letter No. 609/Eng, dated 18th July 1898, I have not been able to obtain the applicant's finger impressions in his Service Register or his pension application; but as directed in B.P. No 4557 Mis, dated 26th July 1898, I beg to submit them without recording those impressions. In G.O. No 632 (Pension Department) dated 22nd August 1898, communicated with B.P. No. 5162 Mis, dated 25th August 1898, Government has remarked about the omission to take the finger prints in the pension application of

J

J. Venkatachella Iyer, late Classifier of this Party; and I respectfully beg, therefore that the Board may be pleased to arrange for the finger prints of M.R.Ry J. Renga Iyengar being taken in its Office.

12. I very much regret that it has not been practicable for me to submit these papers within a month from the date of the applicant's retirement.

As already stated in para 1 supra, the applicant was retired from service from 1st July 1898, but the first intimation I received about his having been invalided by the Doctor was a letter from the applicant himself dated Madras, 13th July 1898, which reached me on 16th idem, and the Doctor's invaliding certificate itself dated the 28th June, was received on the 18th idem. The applicant informed me in his letter above referred to that from 9th March to 8th June 1898, he had spent his leave out of India, and claimed that this period of 3 months should be counted as service qualifying for pension under Art 445-A. of the Civil Service Regulations, and that he should be allowed for the said period a higher rate of leave allowance under Art. 374-A of the said Regulations. It thus became necessary for me to satisfy myself that the whole period above referred to was actually spent out of India by the applicant, and as already reported in my letter to the Board

No.

No. 681/Ang, dated 6th August 1898, the evidence produced by the applicant after much delay was not sufficient to enable me to arrive at any definite conclusion on the said point. I had, therefore, to address the British India Steam Navigation Company's Agents at Negapatam, Penang, and Madras as well as the Honorable the Resident Councillor at Penang, on the subject of M.R.Ry Renga Iyengar's absence from India. The certificate of the British India Steam Navigation Company's Passenger Agents at Negapatam No. B 348, dated 9th August 1898, *herewith submitted in original and received by me on 13th Aug 98, proves that the applicant "proceeded as a passenger on board the S.S. "Lalpoora" bound for the Straits, on the 9th March 1898 from

* Enclosure No 8

Negapatam". The letter from the Hon'ble the Resident Councillor, Penang, No. 3760-98, dated 13th August 1898 and received by me on the 31st idem, (also herewith submitted in original) × Enclosure no 9 shows that the applicant "resided in Penang between 15th March and 2nd June 1898". And the letter from British India Steam Navigation Company's Agents at Madras dated 4th August 1898 and received by me on the 8th idem (also herewith submitted in original) × Enclosure no 10 shows that "S.S. 'Loodiana' left Penang on the 2nd June 1898 and arrived at Madras on 9th idem." On the strength of these documents the applicant can, I submit, be considered to have spent 3 months (from 9th March to 8th June 1898) of his leave out of India; and I have accordingly admitted his claim for the aforesaid period being counted as qualifying service under Article 445-A, and also allowed him for that period the increased rate of leave allowance under Art 374-A of the Civil Service Regulations, 3rd Edition, as already reported to the Board in my letter No. $\frac{744}{\text{Eng}}$, dated the 1st instant. As on the date of receipt of the Hon'ble the Resident Councillor's letter above referred to, I was absent from Mangalore on my inspection tour, I have had to obtain the applicant's pension papers from my office there; and it was necessary also to arrange for drawing for the applicant

408 CSR
4th Edn

applicant the difference of leave allowance due to him for the period of his leave spent out of India. In these circumstances, I respectfully beg that the Board and Government may be pleased to allow for the short delay that has become unavoidable in submitting the present application.

13 A separate list detailing the enclosures to this letter is appended.

Resolution

The papers relating to the pension application of M. R. Ry Tadalangovil S. Renga Iyengar avergal, late Uncovenanted Assistant of Settlement Party No II, received with the letter read

read above, will be submitted to Government through the Accountant General, with the following remarks:-

(1) Referring to para 8 of the Deputy Commissioner's letter it is observed that the date of the applicant's birth - corresponding to "13 Alpisi of Soumya" as originally entered in the service Register is 27th October 1849. The alteration of this date into 1st. November 1848, without, apparently, the sanction of Government was irregular: but as observed by the Deputy Commissioner the alteration does not affect the applicant's eligibility for pension, or the amount of pension claimed.

2 The applicant's name is spelt in different ways in the

Service Register, Pension application and other papers, submitted by the Deputy Commissioner.
