Sir,

With reference to your endorsement No 4054 27/5/98 herewith returned with the enclosures, I have the honour to submit the Service Register and Pension Application of Mr. H. Ramappa after duly supplying the omissions in Colns 9 & 12 regarding the Inspecting Schoolmaster's date of termination of the Service. 1. From the entrys made in column 4 in page 2 of the applicants service book it is clear that his pay from Provincial Revenues was Rs 10 only from 17-10-64 to 22-7-65 which is also borne out by the entries in the Annual Return for 1865 on record in this office. Explanation is requested as to why the period of service has been treated as superior.

2. The circumstances under which the applicants service as Head Master Rate School Mudabidri from 5-3-68 to 1-6-69 which is a non pensionable appointment was treated as Service qualifying for pension should be stated.
If this is due to an oversight necessary correction should be made in the entries on the 2d page of the application.

3. Attention is drawn to article 56 of the Civil Service Regulations according

Pd/2/6

to which the proportion should be worked upon the aggregate pay drawn by the applicant during the whole of his qualifying service alone. The memo of calculation of proportionate debit should be revised.

4. In the annual Return for 1865 the date of the applicant's appointment is shewn as 22-12-64 while no such date appears in the 2d page of the application. The discrepancy should be explained.

5. In some of the Audit Registers on record in this office the applicant's House or Country name appears as K instead of as H. Information should be furnished as to whether this name also refers to one and the same person.

6. From a remark made in the Annual Returns for 1865 against the applicant's name it appears that his service for that year was once before verified in this office. If so the circumstances which led to that verification should be explained.

The reply should be forwarded through the Director of Public Instruction

Reply.

To para 1. As the aggregate emoluments of the applicant amounted to Rs. 15, the Service for the period (17-10-64 to 22-7-65) was shewn as "Superior;" but since the actual amount paid to him from Provincial Funds was only Rs 10, the period is now treated as Inferior in the application.

Para 2. The applicant appears to have been transferred as Head Master of the Rate school, Mudbidri (5-3-68 to 1-6-69) on public grounds and not at his request. Hence his services for the period were considered as "lent" and consequently treated as qualifying for pension. It is stated by the Inspecting School master H. Ramappa that a moiety of the cost of the Establishment during the period was paid to the School fund from Provincial revenues.

Para 3. A revised memo: of calculation of proportionate debit is submitted as required.

Para 4. The applicant was under training till October 1864 when, the climate of the locality not being agreeable to his constitution, on his representation, he was directed by his departmental Superiors to go to his own native place Kasaragod and be there as 2d master of Kasaragod Taluk School. Accordingly he joined the post on 17th October 1864 and ever since, this date appears to have been reckoned as the date of his first appointment. The Educational Officers are unable to account for the discrepancy noticed.

Para 5. Huttiangadi is the Country name of the applicant and he is always known by that name. K may possibly be a clerical mistake or misread for H.

Para 6. This office is unable to furnish the information called for in this para.
