Proceedings of the Board of Revenue (Land Revenue).

No. 2793 Routine, dated 14th November 1898.

Read Endorsement of the AG. Under Secretary to Government, Pension Department, No. 837, dated 2nd November 1898.

Resolution

With reference to Government Endorsement No. 837 the Board submits that the writer of the petition received therewith has already addressed it on the same subject and has been informed that "the circumstances set out---are not such as to justify the Board in requesting the Surgeon-General to convene a Special Medical Board" for the purpose of revising the District Surgeon's certificate as to his unfitness for further service. The present petition is presumably intended to be an appeal against the Board's order to that effect.
