It is however observed that

It is however open to Government to Commute the absence without leave into leave without allowances vide Civil Service Regulations Article 464. If this is done it will enable the applicants Services from 16th July 1876 to be counted for gratuity.

2. The finger points of the applicant have not been sent as the applicant is reported to have died on the 20th August 1898.

III.—Retirement on Invalid Pension or Gratuity.

8. If the officer applying for pension is sixty years' old or upwards, no certificate by a medical officer is necessary; it suffices for the head of the office to certify to the incapacity of the applicant, otherwise incapacity for service must be established by a medical certificate attested as follows:—

9. If he is serving at or near the capital town of a province, by the surgeon-general or deputy surgeon-general of the province, or by a medical committee over which the surgeon-general or deputy surgeon-general should, when practicable, preside.

10. If he is a superior officer and is serving in the interior of the country under such circumstances that, in the opinion of the government, he can be conveniently required to appear before a medical invaliding committee—by such committee.

11. In other cases, the government may either accept a certificate given by a single commissioned medical officer or medical officer in charge of a civil station, or assemble a special invaliding committee at a convenient civil station. If the pension applied for exceeds Rs. 100 a month, a certificate by a single medical officer should not be accepted as sufficient, if it is possible without undue inconvenience, to assemble an invaliding committee or to cause the applicant to appear before the surgeon-general, Indian medical department, or the standing medical committee at the presidency.

12. In no case shall a medical certificate of incapacity for service be granted, unless the applicant produce a letter from the head of his office or his department, to show that the latter is aware of his intention to appear before the medical officer.
