CERTIFIED that I have carefully examined

son of *Moorthy Naidu*
*Varadappa Naidu*a 2nd class Constable
in the Police Department

His age is by his own statement 48 years and by appearance about 50

years.

I consider

Moorthy Naidu
to be completely and permanently incapacitated for further service of any kind or in
the Department to which he belongs in consequence of *31 Leprosy*

His incapacity does not appear to me to have been caused by irregular or intemperate

habits.

STATEMENT OF CASE.

1. Rank. *2nd Class Constable Police Constable*

2. Name. *Moorthy Naidu*

3. Department or Office. *Police*

4. Marks of identification. *Scar on right forearm, two inches below bend of elbow, scar on outer side of right knee. Decay of both central upper incisor teeth.*

5. Age. *46 years*

6. Service. *26 years + 5 months + 25 days*

7. Sick leave granted during the service. *30 days hospital leave from 20-8-95*

8. Disease or cause of Disability. *31 Leprosy.*

9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

He has not been in hospital since 1895, when he was under treatment at Congeasram for "ulcer". He states that he has been feeling very weak for the last 5 or 6 months and he attributes this to a Hydrocele from which he suffers. The Hydrocele is, however, a small one and does not account for his general condition. On examination, I find him suffering from leprosy, not in a very advanced state. There is thickening of the integuments of the nose, cheeks and chin and this is accompanied by Anesthesia. There is baldness of the eyebrows, eye lashes and beard, with an unmistakable general leprotic appearance. There are also commencing Contracting of the joints of the left thumb and of both little toes.

He has been under observation in Hospital since the 3rd inst. and he has been taking Iron tonics. He is not likely to recover his health and as he is suffering from unmistakable leprosy, I consider him unfit for further service.

Disease not due to irregular or intemperate habits.

Minute No. 159 Dated 28 January 1887

1st Class Constable No. 251, Moosthu Nairn of Kelambakum Station (Tirupoor Division) is reported by his Inspectors to have sent, through a private individual, some Station House Reports, entrusted to him, by his Head Constable for delivery at the Cusab Station, instead of taking them himself as directed.

The Constable in his defence, denies having sent the Reports through any body, but states that he lost them on his way. Whereas the fact that, the Constable handed over the reports to a private individual referred to was proved, during the Inspector's personal enquiry into the matter, and therefore Superintendent reduces 1st Class Constable No. 251 Moosthu Nairn to be 2nd Class, for disobedience of orders and for lying in his defence.

The Constables in their defence state that, owing to the misunderstanding amongst the Gang concerning certain misbehaviour of one of their women, the whole lot of them became so very violent that it was out of their power to suppress them and that subsequently the Sub. Insp. together with his men, and the villagers came to the place and began to beat the Gang so mercilessly that the Gang had to cry out that they would complain against the Inspector to the Magt. also citing them (Constables) as witnesses, and that, therefore the Inspector preferred to make this report against them prior to their giving evidence against him.
