PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, No. 11072, dated 24th September 1898.

With reference to G.O. R No.15, Educational, dated 10th January last, I have the honour to request that the Superintendent of Stationery may be instructed to supply apparatus for recording finger print impressions to the following officers of this Department:—

1. Inspectors of schools.
2. Inspectress of girls' schools.
3. Assistant Inspectors of schools.
4. Sub-Assistant Inspectors and Inspectress of schools (Sub-Assistant Madras range excepted).
5. Principals, Kumbakonam and Rajahmundry Colleges and Teachers' College, Saidapet.
6. Headmaster, Mangalore College.
7. Superintendent, Reformatory School.

2. One set of apparatus has already been sanctioned for this office and this set will be made available for all the institutions and offices in the city of Madras, excepting the offices of the Inspector of schools, Central Circle and the Assistant Inspector of schools, Presidency Division. Inspecting officers being touring officers, it is not possible for them to take a loan of the apparatus from any of the other offices, nor can the apparatus in the office of the Inspector of schools be used for the purpose of recording.

and Assistant Inspectors be lent to the Sub-Assistant without considerable inconvenience. A separate set for each of them is, therefore, necessary. I have, however, excluded the Sub-Assistant, Madras range, as this office can, without much inconvenience, be permitted to have the use of the apparatus in this office or in the office of the Inspector or Assistant Inspector. Inspecting officers will be directed to take the apparatus with them always when on tour, so that it may be made available to all the Educational institutions which they may visit in the course of their tours. One set of the apparatus will suffice for the College of Agriculture and the Teachers' College, Saidapet and its branches.

2. The apparatus seems to have been supplied to all the registration offices and to most police stations, and schools in out of the way places, which the inspecting officers visit only at long intervals, may take a loan of it from the registration office or police station hardly.

FOR ORDERS.

Please see notes

flagged E in G.O. No. 918, d/4th Decr. '97-
Sets of apparatus have already been supplied to Collectors, Divisional Officers, Tahsildars & Dy. Tahsildars. The apparatus so supplied is not intended for the sole benefit of the officer in whose charge it is placed, but must be placed at the disposal of officers of other departments when required in order to take impressions for the purpose of service registers, and pension applications. So it does not seem necessary to arrange for the supply of apparatus to the Educational Officers &c. These officers may visit the nearest registration office or the nearest Dt., Taluk or Dy. Tahsildars' office together with the individual whose finger-print they desire to record.

It is submitted that the Director of Public Instruction's letter ought to have been transferred to this Dept. for disposal. The Educational Dept. has without even unofficially consulting this Dept., sanctioned the Director of Public Instruction's request. The apparatus has now to be supplied to 4 Inspectors, 2 Inspectresses, 9 Asstt. Inspectors, 6 Sub-Assts. Inspr., and to 5 other officers, or on the whole to 31 officers. Each set costs Rs. 2-8-0, so that the total cost of supplying the 31 Educational officers will be Rs. 202-8-0.

please see page flagged Fin E.O.
No 918 8/4-12-98. The cost of supplying the apparatus to the officers shown in the list was estimated at Rs. 2040/- and the cost of supplying the Educational officers in question will be additional expenditure of Rs. 202-8-0
