I (a) Attention is drawn to No. 24 of the printed Memo. of Instructions from this office and to (b) No. 20 thereof regarding the sick leave from 1st Feby '70 to 16th December '70 which is irregular having been granted against the rules in continuation of Privilege leave from 1st November '70 to 30th Novr. '70.

II In the audit Register for 1875-76, the applicant is shown to have been absent on leave without allowances for one month from 17th Jany '76, but no corresponding

corresponding entry is made on the 2nd page of the application, and in the Service Book. The omission should be explained

III The following discrepancies should be explained.

(a) In the annual returns from 1877 to '81 the applicant is shown as a permanent accountant on Rs 25 only instead of on Rs 30, as given on the 2nd page of the application.

(b) In the audit Registers for 1871 and in those from 1873 to 75 and in the annual returns from 1877 to 81, the date of the commencement of the applicant's service is given as 1st June '70. while the date given on the 2nd page of the application is 29th July 69.

(c) In the Audit Registers for 1874 and from 1875 to 78, the applicant's age is given as 27-29-30-31 and 32 years respectively, which will make the year of his birth as either 1847 or 1846 instead of 1844 as entered in the Service Book.

Resolution.

With its reference read above, the Board in the Separate Revenue Department has forwarded to this office a copy of objections I(b), II & III raised by the Accountant-General on the pension application of S. Vijiaraghavalu Chetty, late accountant of that Department, with the request that, as the objections relate to the period when the accountant was employed in this Department, they may be explained at an early date.

The objections are replied to seriatim below:-

I(b) Attention is drawn to No. 20 of the printed memo of instructions from this office regarding the sick leave from 1st February 1870 to 16th December 1870 which is irregular, having been granted against the rules in continuation of privilege~~s~~ leave from 1st November 1870 to 30th November 1870.	From the pay bills and the acquittance rolls maintained in this office, it appears that

15/11/98 16/11/98

Corresponding entry is made on the 2nd page

privilege leave was granted to the applicant from 1st November to 30th idem and sick leave in continuation thereof from 1st December (not 1st February, as stated in the copy of the objections furnished to this office) to 16th December 1870. The grant of the sick leave was no doubt irregular, as ~~as~~ pointed out in the memo, but at this distance of time it is not possible to explain this irregularity or to say who was responsible for it. The leave in both cases appears to have been granted by the late Mr. J. Grose as Secretary to the Board.

II. In the Audit register for 1875-76 the applicant is shown to have been absent on leave without allowances for 1 month from 17th January 1876 but no corresponding entry is made on the second page of the application and in the service book. The omission should be explained.

The applicant drew full pay for the months of January and February 1876, and the leave statements for those months do not contain any entry to the effect that he was on leave without allowances for one month, as alleged in the memo. It may therefore be inferred that the ~~entry~~ entry in the Audit register referred to is incorrect.

III. The following discrepancies should be explained:-
(a) In the annual returns from 1877 to 1881 the applicant is shown as a permanent accountant on Rs.25, only, instead of ~~on~~ Rs. 30, as given on the second page of the application.

The applicant was promoted temporarily from the post of permanent accountant on Rs.25 to a post on Rs.30 in consequence of the arrangement made for the entertainment of the additional establishment sanctioned for Trade work (Vide G.O.No.1479, dated 9th October 1875), and he continued to hold this temporary appointment till 1881, in which year he was confirmed with retrospective effect under the authority conveyed in G.O. No. 975, Revenue, dated 24th June 1881. In the annual returns from 1877 to 1881 referred to by the Accountant-General, the permanent pay of the applicant was therefore correctly shown as Rs.25.

(b) In the Audit register for 1871, and in those from 1875-76 1875, and in the annual returns from 1877 to 1881, the date of the commencement of the applicant's service is given as 1st June 1870 while the date given on the second page of the application is 29 July 1869.

The applicant drew pay as a temporary accountant on Rs.25 in the Trade Department from the 29th July 1869 under G.O.No.2143, dated 22nd July 1869. He was subsequently confirmed in the same ~~department~~ appointment on the receipt of the order from the Government of India, (G.O.No.33, dated 7th January 1870) confirming the local Government's order (G.O. No.2143, dated 27th July 1869) sanctioning the entertainment of two additional accountants. The entries in the Audit registers and in the annual returns referred to are therefore presumably incorrect.

(c) In the Audit registers for 1874 and from 1875 to 1878 the applicant's age is given as 27,29,30,31 and 32 years respectively which will make the year of his birth as either 1847 or 1846 instead of 1844 as entered in the service book.

The approximate age of the applicant seems to have been given in the annual returns from 1874 to 1878 as 27,29, 30 31 and 32, but the date of birth given in the subsequent returns, viz 22nd January 1844, appears to be correct.

RESOLUTION :---

The information called for in the Accountant-General's letter No $\frac{\text{ADK}}{181}$, dated the 28th September 1898 regarding the pension application of S. Vijiaraghavulu chetty, late accountant in this office, is furnished below.

I (a) On the 7th July 1898 the applicant appeared before the Surgeon, third district, for examination as to his fitness for further service, and stayed away from office from that date. No medical certificate having been received, a reminder was sent to the Surgeon, 3rd district, on the 9th August 1898. He reported on the 11th idem that he had directed the applicant to attend his office daily for a few days for purposes of observation, but that he had attended for a day or two in the beginning of July 1898 and had absented himself ever since. The Board

Board thereupon directed the applicant to comply with the Surgeon's orders at once, and to explain his failure to do so in the first instance. On the 16th August 1898 the applicant reported that the failure referred to was due to his illness and that he ~~had since~~ had since appeared before the Surgeon, and had been invalided by that officer. The medical certificate was finally received in the Board's office, through the Surgeon General, on the 29th idem. Hence the delay.

IV. The necessary certificate has been appended below the finger prints in the application and in the service register, and has been duly signed.

I. (b), II and III:- A copy of Board's Proceedings (Land Revenue) No. 2759 Routine, dated the 8th instant, in which these objections are replied to, is herewith forwarded to the Accountant-General The entry "1st February 1870" in objection No. I(b) is evidently a clerical error for "1st December 1870". The enclosures to the Accountant General's letter under reply are herewith returned.
