STATEMENT OF CASE.

1. Rank. Second class Constable N^o 113
2. Name. Camil Pais
3. Department or Office. Police
4. Marks of identification. a small scar on the forehead.
5. Age. 38 years.
6. Service. 18 yrs
7. Sick leave granted during the service.
8. Disease or cause of disability. Defrasy.

9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

History- This constable states that 6 months ago he noticed discolouration of skin of the left leg, attended with loss of sensation of the foot, and that since then such patches of discolouration have made their appearance in different parts of the body from time to time - gives no history of hereditary taint.

Examⁿ. There are more or less extensive patches of discolouration in different parts of the body especially in both the upper & lower extremities; the skin is anæsthetic in these parts; the left foot is swollen & there is a perforating ulcer in the sole of that foot. The muscles of the left hand have undergone atrophy & the fingers are contracted. There is general muscular wasting & an enfeebled appearance of body generally. He is not likely to be benefited by treatment to fit him for work.
