STATEMENT OF CASE.

1. Rank. 1st Class Civil Hospital Assistant, No. 132.
2. Name. Trichinopoly Kanniah
3. Department or Office. Civil Medical Department
4. Marks of identification. 3 black moles on the anterior aspect of the right shoulder joint. 2 moles on right side of the belly below the last rib. a mole on the inner side of right upper leg & another on the inner side of right forearm.
5. Age. 49 years.
6. Service. 27 years
7. Sick leave granted during the service. 6 months & 16 days.
8. Disease or cause of Disability. Chronic Gastritis
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This Officer served in Eastern Bengal and in the hill tracts of Ganjam and later on on famine & cholera duty in all the Ceded Districts where he contracted Malarial Fever and Dropsy with gastric catarrh. He was frequently recommended leave, and finally in 1891 transferred to the North Arcot District where the symptoms of malaria gradually wore away but those of gastritis persisted. His general health has since been breaking down. His tongue is coated, appetite poor and digestion much impaired. He has acute pain in the stomach for about an hour after food and often swooned with it. He has occasionally had vomiting four or five hours after food, and there is marked dilatation of the stomach, a bulging of that organ with sharp movement from the left to right of the epigastrium being both perceptible and palpable after food. The bowels are constipated. His memory is weak and he often complains of giddiness and has tremor of the hands. He is so very nervous and weak that he cannot be prompt and energetic in attending to urgent cases, (that is, obstetric, &c.). He has thus from physical incapacity shown himself in some instances lately unequal to the highly responsible nature of his profession, nor is he fit, I believe, for service of any kind in future.

The application has not been prepared in strict conformity with the Rules published in Standing Order No. 5 of 1898. Your attention is invited to the following points:-

(1) The various appointments held from the 5th July 1872 to 30th September 1881 with the date and period of each should be entered in the application (Rule XVI. 15). As this period of service is not thus specifically accounted for in the Service Book, duly certified abstracts should be obtained from each of the officers under whom the Hospital Assistant served and these should be submitted with the application. (XVI-46)

(2) The date of transfer to the Civil Department entered in column 1 of the Service Book (page 10) and column 5 of the application differs from that entered in column 6 of the former and in the verification certificate by the Chairman, Municipal Council Adoni.

(3)

(3) No explanation is forthcoming for the omission of signatures of the officers concerned in column 12 in respect of the entries of transfers from Adoni, Siruguppa and Hudagalli (Rule XVI 42).

(4) The periods between (1) 11th October 1891 and 22nd October 1891 and (2) 14th October 1893 and 17th October 1893 have not been accounted for in the Service Book.

(5) The dates of the beginning and ending of the Privilege leave in 1892 and 1896 do not tally with the periods specified in the Service Book and entered in column 7 of the application.

(6). The date of birth has not been entered in the application (Rule XVI 3).

(7) The lengths of periods entered against item 8 on page one of the application are not correct as shown in pencil. They should, however, not be entered till the date of the Hospital Assistant's relief or the date the invaliding certificate is countersigned by the Surgeon General (vide XVI 25).

(1). I think it will be very difficult to obtain duly certified abstracts regarding the various appointments held from 5th July 1872 to 15th May 1878 from each of the Officers under whom the H/Assistant served notwithstanding the great delay which will take place. Information regarding the services in question might be procurable from the office of the Controller of Military Accounts, and that Officer might be asked to furnish it if available. I have called upon the Hospl: Assistant for a statement of the services.

(2). The date entered in Col. 6 of the service book & in the verification certificate of the Chairman, M. Council, Adoni, viz. 16th May 1878, is not the date of the Hospital Assts transfer to the Civil Dept:, but the date of his posting to the Munl: Dispy:, Adoni, while he was still in the Military Dept:; and the date entered in column 5 of the application is the beginning of his remaining portion of service in that Dispensary after he was permanently transferred to the Civil Department.

(3). The one signature in the middle of column 12 on page 11 is supposed to be common to both the entries of transfers from Adoni and Sirugoppa; so also is the signature in Col. 12 on page 13, to the first two entries, viz. transfer from Hadagally and appointment to Yemmiganur.

(4). The periods referred to are those that were spent during transit. They have since been entered in the service book.

(5). The period of privilege leave availed of by the Hospl: Asst. in 1892 & 1896 was 30 days on either occasion, and it has been shown as one month, a month being reckoned as 30 days as per Rule XVI - 15.

(6). The assumed date of birth has now been entered in the application.

(7). The Hospl: Asst: having been relieved on the afternoon of the 11th Instant, as reported in this Office letter, No. 135/S.G. dated 14th Instant, the lengths of service have been entered with the necessary corrections. The difference in the length of service entered in the application from that shown in pencil is probably due to 30 days being calculated as one month in converting the total number of days in Cols 7 & 8 of the history of service in the application into months in accordance with Rule XVI - 15.

Refpn (?) No. 3228/3, dated the 6th October 1898.

It is much to be regretted that sufficient attention has not been paid to the work of correcting and completing the pension application in spite of the delay in its resubmission. The verification statement obtained from the Pay Examiner necessitates corresponding alterations and additions in the history of services on page 2 of the pension application (as directed in para 6 of the Accountant-General's letter) but this has been left entirely untouched. The services of the Hospital Assistant in the Military Department having been verified

Nor has any steps been taken to obtain the finger prints of the Hospital Assistant in the documents specified in para 8 of the Accountant General's Letter

I have no records to show the dates of commencement and terminations of appointments mentioned in the above statements nor has there been fellow Medical Subordinate

ho had served with me except in one or two instances. My stay in some of the ap-
pointments was calculated to be only a few days or weeks. The reason for this was owi
the prevalence of Cholera and famine in various parts of the District, where
Medical aid was greatly needed. There was no break of service by reason of punish-
ment, furlough, suspension &c during the above mentioned period or at any stage
my service on any account. I have no contemporaries whom I could cite as
tness. I recollect two or three Hospital Assistants, viz M. Baboo, Police Hospital, Vellore,
agannayakulu Raju, Vepery Hospital, Madras and J Paul, Native Detail Hospital, St Thomas
Mount. I am not aware of the whereabouts of those Officers now.

If any prescribed form of affidavit is adopted for the purpose in question, I beg
that it may be ordered to be forwarded for my signature together with my Service
Register for finger print.
