His age is by his own statement 50 years and by appearance about 50 years.

I consider Angusamy Naidu to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Incipient Cataract & chronic Rheumatism

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Read the proceedings of the Distt. Magte. No. 893 dated 28th July 1882 calling for the records and explanation from the Sub. Magte. on the allegations contained in the petition.

Read also the report of the Sub. Magte. No. 34 dated 29th August 1882.

Order

This is an application to revise a discharge by the Nanguneri 2nd class Magte. of certain persons accused under Sec. 379 I.P.C. for cutting and stealing crops. There have been three adjournments for Rengappa Reddi to produce his evidence. A further one could not be granted and accordingly he has been heard in person. The tale told by the prosecution is monstrous strange and no additional evidence is now offered.

2. I think the Magte. was fully [illegible] justified in discharging the accused on the statement before him which certainly cannot be termed evidence. The accused were charged with cutting the growing crops on 12 Marcals of land. Two witnesses Alwar and Muthu Reddi went to the field to hide under a ridge at midnight an improbability in itself which is rendered impossibility by there being no ridge to hide behind. They heard two of the accuseds' voices from amongst 10 or 30 persons cutting the Nanja crops. They were saying "Cut the crops carefully as if they were cut by daylight." Bullocks and men were threshing. They got the Station House Officer and others about 10 in number. Now this party went straight to Rengappa Reddy's field passing within 200 yards of the threshing floor and did not see the people. They then went to Alwar Reddy's field. Cutting was going on and one man was seized by the Head Constable. The various witnesses seized various accused who all managed to escape, one being an old man of 60.

The 2nd class Magte. went and examined Muthu Reddy's house. He is a partner of Rengappa Reddi's and there found the paddy which probably had been cut off the field as alleged by 7 witnesses in due course several days before.

4. No order for a retrial will issue, but a Head Constable has mixed himself up in the case which palpably arises from a village faction. So the whole case must be sent to the Supt of Police and if sufficient evidence be forthcoming which is improbable, sanction will be accorded for prosecuting such of the witnesses as against whom there is evidence."

(Signed) W. G. Underwood

Ag Distt Magte.

The case was then referred to the Divisional Inspector and he reported that there was not sufficient evidence to justify a prosecution of the Complainants for making a false charge, but there was no doubt that the case arose from a village faction, and the Head Const: instead of investigating it carefully and reporting all the circumstances, took a part

in it which was anything but creditable to him. He sided with the Complainants and charged the defendants on most unsatisfactory evidence under Sec: 379. P. C. In his defence he states that he acted in good faith, but it is certain that he abused his powers and put the defendants to much trouble. I resolve to reduce him to the 4th Grade.
