The Sanitary Commissioner in his letter No 653/V dated 23-6-98 enclosed, however, solicits, for reasons stated therein, the sanction of Government for the retention of the applicant in service after the date of the medical certificate viz from 13-11-97 to 9-12-97. If the sanction is accorded, the applicants qualifying service will amount in all to 25 years and 1 day and will render him eligible for a pension not exceeding Rs 27-8-10 equal to 30/60 average emoluments in lieu of the amount certified to be admissible to the applicant in the preceding paragraph. Any pension that may be sanctioned to the applicant should be subject to such reduction as Government think fit [illegible] of the Regulations, as his character and past conduct, as appears from the accompanying correspondence regarding his degradation, have not been entirely satisfactory

Memo No. 409.

From the papers forwarded to this office by the President, District Board, Coimbatore with reference to certain charges preferred against you by the Vaccinators Velu Modali and Venkataswami Routh it is found :-

(1) That you used very intemperate language in addressing a Vaccinator;

(2) That you neglected your duty in not verifying more of Vaccinator Rungaswami Naidu's work and

(3) That you ignored the order laid down in the Vaccination Code para 64 in having had private money transaction with your subordinate.

You are therefore with the approval of the Sanitary Commissioner transferred to the Cumbum Range, Kurnool District on a reduced salary Rs 60 per mensem as a punishment.

You will give over charge of office to the most senior 1st class Vaccinator and proceed to join your new appointment without delay.

From,

To,

The President,
District Board, Coimbatore

Sir,

Returned by packet post.

In reply to your Reference on No. 55/248 dated 28th February 1888, I have the honor to inform you that after perusing the papers+ relative to certain charges preferred against C Rungaswami Pillai, Deputy Inspector of North Coimbatore and after a personal examination of the Deputy Inspector, I have come to the following conclusions:—

(a) The question whether the Deputy Inspector has defrauded 1st class Vaccinator Velu Modali to the extent of Rs 15 and the value of 2 pieces of cloth (Rs 8) is one for the police to investigate.

8
DEPARTMENT
No. 4
676

(b) So many figures in Velu Modaly's register has been altered — so many twos (thus 2), which do not count for grant, converted into fours (thus 4), which do, that the Vaccinator Velu Modali has certainly got all the grant

he

he deserved.

(c) The Deputy Inspector has satisfactorily explained why a deduction of 93 cases was made.

(d) That 2nd class Vaccinator B. Venkataswami Routh is evidently actuated by spite. He is altogether unjustified in bringing forward 3 of his charges. His letter to the Deputy Inspector and indeed his whole conduct, is marked by gross insubordination, and, in my opinion he should be discharged from the service. In 1886 the Deputy Sanitary Commissioner reported on him thus:— "This Vaccinator does not work satisfactorily and is disobedient."

2. Deputy Inspector C. Rungaswami Pillai has used very intemperate language in addressing a Vaccinator. Has neglected his duty in not verifying and initialling in the register more of Ramasawmy Naidus work, has ignored the order laid down in para 64 of the Vaccination Code in having according to his own admission, had private money transactions with his subordinate.

3. I shall, with the permission of the Sanitary Commissioner transfer C Rungaswami Pillai to the Kurnool Dist and post 1st class Vaccinator Deputy Inspector Murthuza Hossain to North — Coimbatore.

Sir,

I have the honour to forward herewith a list of papers relative to certain charges preferred by P. Velu Mudali, 1st Class Vaccinator, Kollegal Taluq, and B. Venkataswami Rowth, 2nd Class Vaccinator Erode Taluq against C. Rungaswami Pillai, Deputy Inspector of Vaccination, North Coimbatore

2. The following are the principal heads of Charges:—

P. Velu Mudali.

(1) That on the 23rd June 1896. Rungaswami Pillai borrowed of him Rs 15 and did not reply it,

(2) That on the same day he purchased for the Deputy Inspector a silk handkerchief for Rs 5/- and piece of silk for Rs 3/-

but

8
5
676

ut the value of these Cloths, though demanded, was not paid by the Deputy Inspector,

That, while he was entitled for the 1st quarter of 1887 to extra grant to the amount of Rs 22-10-- for 181 cases at annas 2 per case, the amount was for reasons unknown to him, cut down by the Deputy Inspector to Rs 11-- --,

(4) and that, while the Deputy Inspector checked every case of Vaccine operation performed by P. Velu Mudali, he has examined only 3 out of 273 cases operated upon by Ramaswami Naidu, acting for Velu Mudali.

B. Venkataswami Rowth

(1) That the Deputy Inspector inspects only a few places and cases, and enters in his diary more than he inspects, as may be seen from a letter written by the Deputy Inspector's private writer Venkoba Roa.

(2) That the Deputy Inspector's private writer referred to above does inspection work for him and the Deputy Inspector takes credit for it,

(3) That the Deputy Inspector received a small sum of money from a certain Munsiff Monegar (of Vyappadi Erode Tq) and

and got 2 fowls worth 4 annas from the same monegar as may be seen from a letter written by the monegar.

(4) and that, while the other Vaccinators had received their extra grants for the first 3 quarters of 1887, he did not receive his, and when he asked the Deputy Inspector for it, he told him that he would try to get him the grant on condition of his paying him half its amoun

3. An enquiry was held into the matter by Mr. Sturrock on the 6th, 7th and the 9th instants and the statements of the Vaccinators, the Deputy Inspector and his private clerk Venkoba Roa are among the papers in the list alluded to in para 1.

4. Mr. Sturrock has recorded that there is considerable difficulty in understanding the Deputy Inspector's method of recommending extra grant and suggests that the matter should be enquired into departmentally.

5. The Vaccinators have been transferred to the Southern Circle.

Sir,

With reference to G. O. No 2709 L. Mis of the 23rd October 1890, I have the honour in reply to inform you that the only information I can furnish you with was that which I gave in my letter No 473 of the 2nd September 1890 to the effect that Deputy Inspector Rungaswami Pillai had not been performing his duties to my satisfaction by hurrying from place to place so as to show a large tract of ground travelled over but not exercising proper supervision over his immediate subordinates. I should have been only too glad to have afforded the Acting Sanitary Commissioner any information he required but had none to give except what is stated above.

Sir,

With reference to your telegram of the 19th current, I have the honour in reply to inform you that I have just returned from a tour of inspection in the Nandikotkur talug. Vaccination I regret to say is almost in abeyance. I made the Tahsildar and Deputy Tahsildar accompany me who were able to see for themselves in what a very perfunctory manner the duties of the Deputy Inspector and Talug Vaccinator had been performed. Numbers are unprotected in important villages, such as, Nandikotkur (population 2175) Atmakur (Pop. 4059), Velgode (Pop 2204) Velpanur (Pop 2178) and Mandlem (Pop 1507) and where the operation had been performed it was so imperfectly done as to afford in my opinion little of any protection. Rungaswami Pillai does not appear to have

taken

taken the trouble to verify the cases in Velpanur but simply signed the Kurnam's register. You know that during your recent visit Rungasawmi Pillai had neglected to scrutinize the work of Chakrapany Naidu and when he was ordered to do so found that false entries had been made.

When ordered to present himself before me on the 17 October he passed through Kurnool without taking the slightest notice of me and then afterwards in your presence made a false statement by declaring that he was not here on the above mentioned date; afterwards admitting the fact.

I think Deputy Inspector Rungaswami Pillai is hardly a suitable man to be placed in charge of so important an office and I therefore trust you will be pleased to give me a trustworthy Deputy in lieu of him as Government are carefully watching the Vaccination scheme in this District.

Sir,

I have the honor to bring to your notice the unsatisfactory work and conduct of C. Rungasami Pillai, Dy. Inspector of Vacca. Dindigul Range.

2. Since his transfer to the Range in September 1895 numerous complaints have been received against him of irregularities, and as a matter of fact, the marginally noted villages in Kodaikanal and Palni Divisions were never inspected for over 3 years. His explanation that no Vaccine operations were conducted in those villages, and that he had nothing to supervise there is absurd as it was his duty to see that the villages were duly visited by vaccinators. The enclosed extracts from the District Medical & Sanitary Officer's remarks will show his unsatisfactory conduct in other respects also. The District Medical & Sanitary Officer suggested

1. Pulathur ... not visited for 3½ years.
2. Vellagam ... do ... since November 1894.
3. Kilakuchittipatti .. do .. for 3 years.

Sir,

With reference to your letter No 1078 dated 19th October 1897, I have desired the District Sanitary Officer to make an examination of the Deputy Inspector as to his fitness for further service. In regard to the recommendation of dismissal from the service, I have the honor to point out that if you are still of opinion that the offences are of the gravity that would require this action, it would be desirable that a full investigation of the charges be entered into and that the Dy: Inspector replies thereto be required. ~~I may tell you~~ I would remind you that Deputy Inspectors of Vaccination are Government servants and are entitled to make an appeal through this office to Govt: Under these circumstances practical experience shows offences must be of an

an aggravated character that charges must be framed with care and that they must be fully substantiated. For instance I would suggest to you that it would not be of much use entering into the question of the villages this man has not visited, unless it be clearly shown that the staff is such can overtake the work in these as well as in other localities, and the fact that neglect of vileges has proceeded for any length of time cannot be accepted without involving you or if you have delegated the powers to the District Sanitary Officer, that officer in some sense as responsible as the programmes of the Dy. Inspector and the results of the work in the localities where Vaccination are working are placed before you month by month. The charges made by the District Sanitary Officer are certainly of too trivial a nature to substantiate a claim for dismissal from the service.

Sir,

With reference to your letter No. 1530/V dated 26th October 1897, and your subsequent letter stating that the Deputy Inspector has been invalided, I have the honour to furnish for your information the following details of the charges against him:—

(1) The Deputy Inspector had not inspected certain hill villages or seen that vaccination work was done therein for years together. He states in explanation of the failure that no vaccination work was performed there and that he out of pity for the vaccinator and pressure of work failed to report the neglect to the higher authorities. Most of the villages above referred to are mentioned in the programmes of the vaccinator for each year, but the programmes have not been followed strictly and the Deputy Inspector does not appear to have taken any notice of

of this neglect. The latter has entirely neglected his work.

2. The Deputy Inspector had withheld the pay of a Vaccinator for about a year on his own responsibility and without reporting to the higher authorities until after considerable delay.

3. A complaint has been received from a calf watchman to the effect that the Deputy Inspector had cashed his pay bill for july 1897 and that the money has not yet been paid to him.

(4) A first class Vaccinator of the Dindigul Range has also complained that the Deputy Inspector had obtained illegal gratification from a Vaccinator, and demanded money from him also similarly, promising not to molest him if money was paid. The Vaccinator cites witness and demands enquiry.

(5) The Deputy Inspector devotes too much time to office work and little in inspection work.

2. Charges 1 and 2 have since been enquired into and disposed of. The result shows that the Deputy Inspector was clearly culpable, and the records connected with the same are herewith sent for your information and favour of return. Charges 3 and 4 have been referred to the Revenue Division officers concerned for enquiry and report and the result is awaited. As regards No 5, the Diaries of the Deputy Inspector from January to August last were compared with those of the Deputy Inspector, Paramakudi Range, and the result showed that while the Paramakudi Officer devoted only 34 days to office work during the period, the Dindigul man is found to have devoted 84 days.

3. If he obtains a pension after the charges have been disposed of, it should be certainly a reduced one for his bad work.

Deputy Sanitary Commissioner, Madras.

Honored Sir,

As directed by your honour in person I beg to submit my explanation to the several charges brought against me by the President District Board, Madura, in the order in which they appear in the President's letter.

Firstly.-- I am found fault with for not inspecting certain Hill Villages or seen that vaccination work was done there -- for years together.

I submit, Sir, that I was in charge of the Range -- for only 25 months and during this period I inspected the Hill Division Villages where vaccination was performed thrice, once in November and December 1895, again in ~~March~~ Septemr and October 1896 and lastly in August 1897 (Exhibit NO: I (a to d)). In February and August 1897, finding that the vaccinator failed to furnish the-- usual list showing villages visited by him I withheld his Hill allowance, vide Monthly Return for February and August 1897,-- copy attached (Exhibit No:2), and called upon him, vide Order Nos:122,204,358,389,394 and 410 (Exhibit No:3), to submit the list, so that I may ascertain whether he performed vaccination in any of the villages not hitherto visited by him. This he-- did not submit till I handed over charge and I was consequently not able to see whether the villages now reported by the President ~~w~~as not having been visited by the vaccinator were seen by him or not in these months. I was never fined in the-sum of Rs 3 for the failure here brought to notice ~~as stated-- by the President~~ although they were suggested by the District Medical and Sanitary Officer.

8
12

Secondly.

Secondly.-- I am charged with having on my responsibility withheld withheld for about a year the pay of a vaccinator without reporting to reporting to the higher authorities.

Perumal Naidu the 2" class vaccinator of Andiputty Division whose pay I am charged with having withheld has been in the habit of sending false returns since he joined this Division in May 1896. In September 1896, when I inspected his -- work I found most of the cases entered in his book were copied from his predecessor's Register, vide + my Diary for the week ending 19" September 1896 (Exhibit No 4), and letter No:240 of 24-11-96 (Exhibit No: 4(a)) Such of the cases that he vaccinated were ~~n~~either unsuccessful- (No: 172 of 2-4-97, Exhibit No: 5), or were not traceable by me for want of Nominal list. I warned him verbally during my first inspection of his work ~~that~~ in September 1896 not to send false returns and instructed him to send with the monthly returns the -- Nominal lists bearing the signature of the Village Heads. These he never did. I consequently withheld his pay for 8 months, Viz, from September 1896 upto April 1897 only, but not for about a -- year as stated by the President (No:269 of 23-12-96, Exhibit No:6). I informed him in 150 of 28-3-97, (Exhibit No:6A), and 819 of 24-12-96 and 850 of 9-1-97 (Exhibit No: ~~6B~~ 6 b & c), that I would withhold his pay-- that if after submission of his nominal lists and my inspection of his work I am satisfied that he has done his work properly I would get him the pay which was withheld by me. The power of withholding the pay of a vaccinator for short work being vested in the Deputy Inspector by an Order of the President (No: 1909 of 17-8-92, Exhibit No:7), and this being a serious offence I withheld his pay and reported his conduct to the District Medical and Sanitary Officer, Madura, in September and December 1896, Monthly return for September 1896, -- (Exhibit No:6 ~~and~~ viz letter No:269 of 23-12-96). He was thereupon reduced and transferred in March, vide Order No:2021 of 11-3-97 (Exhibit No:8) after enquiry by the President, but his transfer did not immediately take effect as no one was sent to relieve him. He remained in Andiputty and continued as usual to copy old cases, this also I have brought to the notice of the District Medical and Sanitary Officer, Nos: 185 of 22-4-97, 258 of 25-7-97, 280 of 30-8-97 and 296 of 17-9-97 (Exhibit Nos 9, 10 & 11), and also my monthly returns for the period (Exhibit 12). I beg also to state that I was from September 1896 until the

+ Vide also my memo No 620 dated 24th September 1896 directing the Vaccinator to explain why he copied old cases from his predecessors register. Exhibit No 4(a)

date of his relief bringing to the notice the defects in his work and the fact of having withheld his pay. The President, District Board, is furnished with a copy of the Monthly Return and Weekly Reports. A perusal of this would have shown him that I have been withholding the vaccinator's pay. Is it then just, I submit, Sir, that I should be charged for not reporting to -- higher authorities?. It would thus appear, Sir, that I reported to higher authorities the fact of my having withheld his pay. It was open to the President to inform me that he disapproved of my action. The charges, therefore, I respectfully submit, is-- unjust and is not in accordance with the fact of the case.

Thirdly.-- It is pointed out that I cashed the pay bill of calf watchman for July 1897, but failed to pay him the money-- till the 8" of January 1898.-

The facts are these. I conducted the animal vaccination in Periyakolam Taluk in July 1897. Venkataramuloo -- Naidu, vaccinator of Periyakulam, sent in august 1897 the vouchers connected -- with the watchman's cooly for July 1897. ~~In~~ September I prepared a contingent bill for the sum of Rs 11 and odd and presented it for payment at the Dindigul Treasury. I drew this amount at Dindigul as the said amount Rs11 included certain charges incurred-- by me from permanent advance besides the watchman's cooly for-- July 1897, and the vaccinators' contingencies. I, however, sent-- an order No: 734 of October 1897 (Exhibit No: ~~13~~ 18.), directing--- him to meet me on 1" November 1897, with his watchman at Periyakulam, so that I may inspect the work and pay the watchman also his cooly for July 1897 through Venkataramuloo Naidu. I went to Periyakulam on the 1" November 1897, but the vaccinator and watchman were not found there as ordered. I was inspecting the surrounding villages till about the 7" making enquiries as to the whereabouts of these two individuals. They did not meet me. On the 8" I received an order No: 5224 of 3-11-97 (Exhibit No: ~~12~~ 14) from the District Medical and Sanitary Officer, Madura, wherein I was directed to meet him at Madura. I saw the gentleman in obedience to this order and he invalided me. I came back to -- Periyakulam on the 13" but to my disappointment they failed to see me even then. SIR,

I have the honor to forward herewith the pension application of C. Rungasawmy Pillai, late Deputy Inspector of Vaccination, Dindegul Range, Madura District.

2 The Deputy Inspector was punished† twice during the whole course of his service – once in 1888 and, again, in 1891. He was transferred to Cumbum from Coimbatore* for (1) using intemperate language to a vaccinator (2) for neglecting to verify a due proportion of the work done by a vaccinator and (3) for having had money transactions (against departmental orders) with a vaccinator

Vaccinator (Vide enclosed order of transfer A) There is no written explanation of the applicant to the several charges above indicated, except the enclosed letter marked B to the address of the President District Board Coimbatore. In 1891 he was reduced+ from 1st to 2nd Class Deputy Inspector for "unsatisfactory work". but, in justice to the applicant, I think it necessary that the circumstances under which this punishment was meted out to him should be set forth in detail, so that this at least may not go against him while passing orders on his application for pension.

Vide also letter of the President's letter marked BB.

+ Vide Enclosure marked C

3 In 1890, when I was acting Sanitary Commissioner, I observed that the then "District Medical and Sanitary Officer of Kurnool had endorsed on one of the diaries received from this Deputy Inspector

to

to the effect that the "Deputy was evidently not up to his work." As the particular diary upon which this remark was made went to show that the Deputy was working under exceptional difficulties, I requested the Distric Sanitary Officer to state in detail his reasons for arriving at the above conclusion. He declined to comply with my request. I, thereupon, referre the matter to Government which in its order (G.O. No. 270, Mis dated 23rd October 1890) I now forward, having handed over charge to the permanen incumbent prior to its receipt, ruled "that the District Medical Officer's refusal to state in detail his reasons for reporting that Deputy Inspector of Vaccination was "not up to his work" was altogethe wrong and improper, an Dr Ranney will now be required to supply the necessary information calle

for

for to the Sanitary Commissioner." In obedience to this order, the District Sanitary Officer furnished an explanation (copy enclosed) a perusal of which will show that no specific complaint was brought home against the Deputy by the District Sanitary Officer although he stated, as an afterthought in a subsequent letter (copy F enclosed) that "Rungasawmi __does not appear__ to have taken the trouble to verify the cases in Velapanur but simply signed the Kurnam's register, and had neglected to scrutinize the work of Chakrapani Naidu" &c. My own opinion is that the Deputy Inspector worked under exceptional difficulties in Kurnool, and that an investigation of such loose statements would have proved that he was not responsible for any such facts. The Deputy was afforded no opportunity of explaining the charges made against him by the new Sanitary [illegible]ner. The reduction in [illegible] 1895 from Rs 70 to R[illegible] was due to his transfer [illegible] Masulipatam to Madura, the pay of the latter range being only Rs 60. It was not effected as a punishment.

4. The Deputy Inspector was transferred in September 1895 from Masulipatam to Madura, while he was on privilege leave, which he availed himself of on the 15 July 1895. On the 15th August 1895, another man was sent to Masulipatam in h[illegible] room. The District Board consequently granted Rungasawmy Pillai privilege leave allowances up to 15 August 1895 and declined to pay him any allowance for the remaining portion of the time viz from 16th August to 14th September 1895. This i[illegible] referred to the Accountan[illegible] General for favor of opinion and suggested that the District Board, Madura, might

might be asked to pay the amount as money was available there. Both the Districts totally declined to grant him the allowance. I recommend, therefore, that his allowance for the said period may be paid from provincial funds.

5. The applicant is an enrolled servant of Government.

6. Before he was invalided, I received certain charges against him from the President District Board Madura. In reply, I addressed letter No. 1530/V dated 26th October 1897 attached. In consequence, charges were framed in his letter No 1078 dated 8th January 1898 by the President, in which he advises a reduction of pension. The investigation of the charges has only just been closed. I forward a copy of the Deputy Inspector's defence. I have examined the papers to which he refers and fail to see that the President

F

G

H

J

has established any of the charges. The most suspicious circumstance seems to me to be the third charge as to payment of the calf-watchman, but the Deputy Inspector gives the explanation that money under this head must be paid personally, as no charge for money orders is allowed. This being so, his explanation of why the money could not be handed over personally seems to me reasonable.

7. The delay in the submission of this application was due to the incident alluded to in the preceding para.
