ORDER THEREON, 21st July 1898 No. 526.

Under articles 485, 518 & 552 *sub B.* of the Civil Service Regulations (*2nd* Edition), the Right Honorable the Governor in Council is pleased to grant to *G. Honiah, late*

rules has not been granted as the applicant's

conduct and character have not been thoroughly

satisfactory.

Please see default sheet flagged A.

1. Reduced to 1st C.C. on 1st Oct. 84 for giving his ele-
phant a son back, and not reporting that the
animal was unfit for work.

2. Reduced to 1st C.C. on 1st March 1887 for gross neg-
lect of duty in consequence of which an elephant in
his charge fell ill.

Max. Pension admissible: Rs 2-3-2 *per m.*

Please see the Acct. Genl's report. The applicant's age on
the date of retirement was less than 56 years. The Invaliding

Surgeon says that his incapacity for further service is due
to "Chronic Asthma, General Debility and failing eyesight."

Both the Insp. Genl. and the Acct. Genl. are doubtful whether
art. 521(a) C.S.R. applies to the case.

Art. 521(a) C.S.R. says, "A superannuation pension
or an Invalid Pension granted on account of incapacity
for further service due to old age or natural decay from

advancing years shall, if the officer's service began after he attained the age of 30 years be reduced in a certain proportion."

The applicant began his service in Sept 1884 when he was more than 40 years of age, and has now been invalided after 13 years' service in consequence of "Chronic Asthma, General Debility and failing eyesight." G.O. 454 Pension, 31st July 1898 seems in point, and it is submitted that art. 521(a) applies to the present case.

1st 7-7-98

See p. 1, I submit, a doubtful case. Ganjam woodcut is malarial but the invaliding surgeon does not put down the general debility and asthma as the effects of malarial. On the whole the article wd seem to apply. The pension has been calculated accordingly (Rs 2-3-2). If this reduced pension is granted, no further reduction need, it is submitted, be made with regard to his unsatisfactory past service. As, if the principle of granting past service is applied, it is withheld.

He was a servant in the Maliahs. Let him have his full pension.

P. M. Please calculate it out or let up O.M. to H.S. asking him what it wd be.

The amount of pension payable to the applicant without the reduction under art. 521(a) is Rs. 3-5-6 per m. as stated in the draft order.

Certified that the finger-print of P. P. G. Choudhury has been taken in my presence and under my personal supervision from the left hand of the individual whose pension forms the subject of this Application.

seems to have been caused by his service in a malarial part of the country rather than by old age and it is doubtful therefore whether Article 52 (as Civil Service Regulations) is rightly applicable. If on a consideration of the circumstances of the case, Government decide to apply the Article in question, a reduced pension of Rs 2-3-2 a month will be admissible to the applicant. 3. Any pension that may be granted to the applicant should be subject to such reduction as Government may see fit to make, owing to his character and past conduct, which from the entries noted on the 3rd page of the application, do not appear to have been entirely satisfactory.
