No. 787 A/E   *Madras*, 24 June 1898.

SIR,

With reference to official Memorandum from Government, No.27 dated the 17th Instant, I have the honor to state that the increased rate of pay at Rs 70/- per mensem drawn by C. Audiah for the period from 3rd January 1893 to 30th June 1893 was included as "Emoluments" for purposes of pension, as defined in Article 530 of Civil Service Regulations, as the increase was sanctioned by Government under the powers vested in it for creation of permanent appointments and increases thereto.

2. As, however, C. Audiah drew the higher rate of pay only for the period of 5 months and 28 days, and as the increase was intended to remain current as a temporary arrangement, it appears to me that the allowance of Rs 20/- per mensem should be excluded from "emoluments". I have accordingly substituted a revised Certificate and report for the one sent with this office No.555 A/E dated 3rd May 1898 and have altered the memo shewing the calculation of average emoluments.

I have the honor to be,
Sir,
Your Most Obedient Servant,

No. 27 d/17 June 1898

OFFICIAL MEMORANDUM.

With reference to the Examiner's Certificate and report No. 555 A/E d/3d May 1898, it is observed from the history of the applicant's service set out in the application that he acted as Supdt, Dowlaishwaram Workshops, from 3-1-93 to 30-6-93, drawing an acting allowance of Rs 20/- per mensem which has been included in the calculation of his average emoluments under art. 530(i), CSR. From the applicant's service book it appears, however, that he held the above appointment permanently during the period referred to. The Examr. is requested to explain the discrepancy and, in case the entry in the service book is incorrect, to asertain and report how the vacancy in which the applicant acted had occurred and (1) whether he was appointed to act for the time being or (2) whether his appointment was provisional or subprotem under arts. 109 & 110 CSR, in which latter case only the acting allowances drawn can be reckoned for pension under art. 530(i), in accordance with the Govt. of India's ruling embodied in G.O. 755 Financial, d/14th Sepr. 1897.

Note.

The Examr. has included the acting allowances drawn by the applicant from 3-1-93 to 30-6-93, in the calculation of his average emoluments under art. 530 (i) CSR. But under the Govt. of India's ruling embodied in G.O. 755* 14-9-97 Finl. only allowances drawn by an officer appointed provisionally under art 109 CSR. or sub protem under art. 110 CSR, can be reckoned for pension - *(Flag D)
The papers do not show the nature of the acting appointment held by the applicant and moreover there is a discrepancy between the service book and the history of the applicant's services shown in the application in regard to the above appointment - Hence this reference.

OFFICE NOTE No. 788 A/E

To

W.

With my O.N.No.597 A/E dated the 16th May 1898, I forwarded to you copy of my certificate and report upon the pension application of C.Audiah, late Maistry Government Workshops Dowlaishweram, in para 3 of which, the question of counting his service (10 years and 13 days) on the temporary establishment towards pension was dealt with.

2. As the resolution of the Government of India No.2550 dated 6th August 1870 on which that part of the certificate and report was based has made it specifically applicable only to officers and clerks in the Upper Godavery Circle, it seem to me extremely doubtful whether it can be considered as sufficient authority for dealing with the case of Audiah who was a maistry in the Upper Godavery-And as the pension admissible to Audiah is over Rs 10/- per mensem (vide Article 403) the concession asked for by him to count the temporary servi

as

as Service qualifying for pension would probably require the approval of the Secretary of State under Article 1005 (a).

The word temporary in the Upper Godavari Works cannot be looked on as temporary on any of the present works – The establishments with Maistries included in the pay abstracts were passed by the Superintending Engineer and paid out of funds sanctioned by the Government for that purpose and not charged to works as usual, so that in fact being sanctioned were in a manner permanent and were counted as such by the Central Province Administration when the Upper Godavari Works were stopped and some of the Maistries were transferred to the Central Provinces –

Through the Exe Engr Godavari Eastern Dn

The humble memorial of C. Audiah, retered Maistry or Foreman Fitter Govt. Workshops, Dowlaishweram.

Respectfully Showeth

(1) That your memorialist has retered from the public service from 1st January 1898.

(2) That his application for pension is now in the office of the Examiner of P. W. Accounts, undergoing verification —

(3) That the Executive Engineer, Godaveri Eastern Division, has communicated to him the copy of Examiner's letter No 1036 B/E d/ 28 march/98 to the Secretary to the Commissioner, Central Provinces and asked your memorialist to produce any further Correspondence, in respect to treating the memorialist's services from 1st June 1861 to 13 August 1876 as pensionable, as the Government of India Resolution No 2550 dated 6th August 1870, did not

not apparently admit of C. Audiah temporary service, counting towards pension —

(4) That your memorialist submits that, in his petition, his name was not included in the list of names of clerks & others submitted to the Govt. of India in respect to whose services in the upper-Godaveri, the Govt. of India has passed their resolution." No $\frac{2550}{6\text{-}8\text{-}70}$ (quoted in para 3 above) ordering their services to be treated as pensionable.

(5) That your memorialist further submits, that the omission of his name in the above list was due to the fact, that he was employed on out-door work, as maistry in Workshops and maistry on Coal boring operations upper-Godaveri, and that the names of members of office establishment only were entered in the list, submitted to Government of India. On enquiring, your memorialist was repeatedly assured by his superior officers, that the concession of counting the service in the upper-Godaveri, which was granted by the Govt. of India in their resolution No $\frac{2550}{6.8.70}$ to clerks &c will also be granted

granted to your memorialist, at the time of retirement.

(6) Your memorialist further submits a memo dated 18-3-86, signed by Mr. T. Vanistavern the late Executive Engineer upper Godaveri which goes to prove, that your memorialist's pay was not charged to works, but was paid from the allotment for the Temporary Establishment, on pay bills sanctioned by the Superintending Engineer, and further submits that he entirely relied upon article 418 of the "Civil Service Regulations" 2nd Edition, which to the misfortune of the memorialist, appears to have been cancelled in the new edition —

(7) Your memorialist submits respectfully that, under the above circumstances, the Govt. will kindly take into their consideration the hard case of the memorialist and move the Government of India, to be pleased to sanction the reckoning of the long service of the memorialist extending over 15 years (June 1861 to 13.8.76) in the upper Godaveri towards his pension or sanction under powers vested in the local Government the reckoning as serviceable, of as much of

of the upper Godaveri Service of the memorialist, as would give him, full pension and thus protect him and his children in his old age.

(8) For which act of kindness your Memorialist, as in duty bound, shall ever pray.
