Head Constable
Shaik Adam

Read diaries of Anantapur Division Inspector dated 15th, 17th 18th October 83 and 16th November 1883.

18 AUG 1898

Station House reports dated 10th, 11th, 12th 13th, 14th 15th, 18th, 22nd October 1883 and occurrence reports dated 10th, 11th October 1883 of Maroor station and that of Anantapur Circle d/10, 12th & 16th Oct/83 relating to crime No. 18 of 1883 of Maroor Station High way Robbery.—

On early morning of 10th October 1883 some travellers proceeding in 3 carts to Anantapur were attacked by 4 robbers about half way between Maroor and Anantapur. One of the carters Giddapah attacked the robbers and struck one with his whip accross his shoulders. These travellers were met by 4th Grade Head Constable No. 285 Shaik Adam of Maroor returning from ~~Maroor~~ Anantapur near Raptad and within 3 miles of Anantapur about 6 A.M on the same day and reported him what had occurred, and how they could identify the robbers. This Head Constable seems to have satisfied himself the crime did not occur in his station limits and simply told the complainants to report the matter in Anantapur where

9
8
117

where they were going and never took their statements down, nor reported the matter as he might have done from Raptad village to his Magistrate, Inspector, and Anantapur Station House Officer — nor returned with the complainants into Anantapur within 3 miles, but proceeded to his own Station Maroor 10 or 11 miles off and did nothing, more than enter this grave crime as information and report it as such by Yadast to the Anantapur Station House Officer although he must have gone along the road on which it occurred.

He did not even mention the circumstance to 2 men of his Station and never set out for enquiry till late on 10th night when the Madakasira Inspector who was going down South ordered him off to meet the Sub Inspector of Anantapur and work at the Case.

He does not appear to have reported the crime by express to Superintendent, nor his Inspector, for his first report of the crime only reached the Superintendent in Anantapur on 12th October and his reports show clearly he thought a great deal more of making out the crime as having occurred in Cusbah Station limits, than of trying to detect it. He professes to have visited certain villages on his way to Station on 10th October but does not mention what they were in his Station House report, which is a most meagre report of a grave crime, and shows nothing done towards its detection. His reports of 11th, 12th, 13th, 14th show he did next to nothing for detection of this Case and in report of 15th October 1883 he States he saw one Kishnigadu who was absent on previous occasions, and that he had no marks on his person, whereas on 18th when Inspector had Kishnigadu arrested he was found to have distinct whip marks on his right shoulder, which was spoken to by the Medical Officer, and the man was identified by Giddapah and convicted and sentenced to one Years rigorous imprisonment by the Deputy Magistrate on 16th November 1883.

On personal enquiry by Superintendent this

this Head Constable stated he saw Kristnigadu on 11th October and saw marks on his person but did not report it as he had many marks as of small-pox and he endeavours to show that there were 2 Kristnigadus known as "Pedda" and "Chinna" Kristnigadu respectively but this is evidently a false subterfuge as in his reports he speaks simply of Kristnigadu without any affix and before Superintendent he stated he did not report absence of Channa Kristnigadu on 11th by "porapadu" or mistake. His occurrence and Station House Office reports show that he only took it as a crime after being directed to do so by Sub Inspector and not immediately it was reported to him as he ought to have done. He has behaved very badly, and his explanation is most unsatisfactory.-

Order.

He is reduced to 1st Class Constable and removed from Station charge for gross apathy and neglect of duty, in respect of a case of Highway-robbery reported to him and he is transferred to Penukonda Casbah Station where Inspector will keep him till he shows himself fit to be trusted at an out station.

Read diaries of Penukonda Inspector of 21/4. 30/4 and 5/5/84 and Statements thereto attached.

From these it appears that 1st class Constable Shaik Adam No. 285 of Penukonda Station when ordered to be Station watch on the night of 19th April left the Station without permission, and went to the Jumkhandi theatre that was performing that night, and tried to get in without paying, and as he was refused caused great annoyance to the proprietors, and insulted them, and was suspected of throwing stones, for when he was refused admittance, he went away from the gate threatening the man at the gate and shortly after stones fell, some of the troop went out, and this man was seen in the street about, and entered into altercation with them, and ~~too~~ threatened to beat them, they went off to complain to the Magistrate's house but were told to bring their complaint in the morning. The Head Constable who was in the Station, was informed of

9
1

of the disturbance, and went down towards the theatre where he met the theatre people and Constable 285, the former Complained to him of the annoyance caused and Settled things quietly for the night, Constable 285 had no business to leave the Station, he professes to have done So as he was told of a disturbance there, but he cannot Say who told him, and if as he Says the Head Constable was in the Station, he Should have informed him, and taken his orders, but he did not, and there is no reliance to be placed in his Statement and from the evidence of 7 witnesses it is evident he was the cause of the disturbance.

He was Suspended from 28th April 1884 pending enquiry into his conduct by Inspector of the theatre people who had gone on to Dharmavaram, and ordered into Head Quarters for Superintendent's personal enquiry, after it, and while there at Superintendent's Office, was very impertinent to the School Head Constable & Head Quarters Inspector, when directed according to Superintendent's orders to remain at the School he persisted in walking about the Compound, and Spoke impudently. Ordered that he draw only 1/4 pay from ~~28~~29/4/84 to 8/5/84 while under Suspension, and that he be reduced to 2nd Class Constable for 6 months, and that his restoration at the end of that period will depend on his good conduct.

Read Diaries of H Division Inspector dated 10th and 22nd June 1885 and papers thereto attached.

On 9th June 1st Class Constable No 285 Shaik Adam of Penukonda Station was named to an important Road ghaut on the road to Madakasira.

The Head Constable visited the ghaut at 6 a.m on the day in question and found him absent and also learned from the Taliaries and Village Police Sent to assist in watching this road that this Constable had left his ghaut daily on the 3rd, 4th, 5th, 6th 7th and 8th idem.

The Inspector found this Constable in his house in Penukonda at 10 a.m. of the Same day - and when he directed him to give his explanation he was very impudent and told a lie that he had left his Carbine and ammunition with the Taliary, while he afterwards brought it out of his house. Instead of giving his explanation for his absence, he wrote an impudent arzee that he could not give his explanation then.

9
10
117

He then sent Superintendent a petition direct this was returned to be submitted through his Inspector and he was ordered to be suspended from 3rd June till he should give his explanation to Inspector, this he did on 20th June denying that he was absent on 3rd, that on 4th he left for Addithakalapully village one mile off, for his food – that on 5th, 6th, 7th & 8th he was present at his ghaut, that on 9th he left the ghaut and came to his house in Penukonda for food, where the Inspector found him in his house. He accuses the Head Constable of setting up the Talaries and Mathigas to speak falsely against him – and also that he has reported him falsely out of spite – and that the Inspector believes what the Head Constable says rather than what he says. His explanation only aggravates his offence by adding insubordination to neglect of duty, for he admits that his Inspector has himself found him absent from his ghaut and in his house, on the very day the Head Constable has reported finding him absent.

He is ordered to be reduced to 2nd class Constable, for absence from ghaut duty on 9th June 1885 and insubordination – and for the period he was under suspension for not giving his explanation, viz from 3rd June to 20th June 1885 he will only draw one-third pay.

Shaik Adam.

1st class Constable No: 285 Shaik Adam of Reserve is awarded one Black Mark and reduced to 2nd class Constable under the Black Mark system for:-

i ~~By~~ Being absent from the Treasury Guard at 3 P.m on 14.5.94

ii Gross insubordination towards his superi officer

iii Not giving his explanation when called upon to do so.

This Constable was on the Huzoor Treasury Guard on 14th May/94 and was found absent at 3 P.m on that day, when he should have been present. This accordingly was reported by the Treasury Guard Head Constable who called upon him for his explanation which he refused to give, and answered that officer, most disrespectfully showing gross insubordinatio

The Constable afterwards submitted a petitio to me in which he ~~says~~ states he returned to the Treasury Guard a little before 3 P.m and went and slept on the rear side of the building where he slept for half an hour and has witnesses to prove the same.

That he refused to give his explanation an

according

according to the wording in his petition, spoke most disrespectfully to his superior officer.

This Constable as will be seen by his Defaulter sheet is by no means a well behaved man, and his own written explanation proves his guilt in this case - He says he has witnesses to prove that he was sleeping at the rear side of the building, but I don't think it is necessary to enquire of these as he failed to report him-self to the Treasury Guard Head Constable when he arrived at the Treasury Guard as he should have done.

The offence being absent from Treasury Guard is a serious one, but in this case, it has been aggravated by the Constable being insubordination to his Superior officer and refusing to give his written explanation when called upon to do so. He has 26 entries n his Defaulter Sheet and has 2 outstanding defaulters against him.

I consider he richly deserves the one Black nark I now award him and under the Black Mark ystem he is reduced to 2nd Class Constable from 15-5-94

Read - Minute by the Superintendent of Police Anantapur District reducing 1st Class Constable No 285 Shaik Adam to 2nd Class Constable unde the Black Mark Rules for absence from Treasury Guard and insubordination to his Guard Head Constable.-

Appeal Petition

It has been proved that the appellant was absent from Treasury Guard at 3 P. M. when he should have been there, also that he refused to give his explanation to the Treasury Guard Hea Constable when called upon to do so.-

The two previous folls show that the peti-tioner was properly Black Marked I think therefore the Superintendent of Police did right in reducing this man under Black Mark rules and I Confirm the order of reduction.-

No 3083

Official Memorandum.

Order of the Inspector General of Police on petition No: 210 of 1895 from Shaik Adam 2d Class Constable (formerly of Anantapur) now in Cuddapah.

The petitioner was reduced to 2d Class in June 1894 and this order was confirmed by the Deputy Inspector General. On the petitioner's petition to Colonel Porteous, he remarked that although he could not dispose of the matter as the papers were not before him, he had no hesitation in saying that he considered the man had been bullied by the Reserve Inspector Mr. Meeah.

The papers are now before me I cannot see that the man has ever had a proper hearing from the Superintendent. The Inspector's report, seems to have been taken against him and his punishment ordered. The Superintendent says that the evidence of the guard was against the petitioner, but if so, it was never taken down in writing. The man was clearly insubordinate, but under the circumstances, I do not think this was surprising. I consider under the Circumstances

he

9

he has been punished for his insubordination sufficiently and I direct his restoration to the first class. He will however be considered to have been temporarily reduced for insubordination. The Superintendent of Anantapur appears to have made a very insufficient enquiry into the case in the first instance.

The following orders will be given to the petitioner. The Inspector General having read the papers Considers the petitioner acted very insubordinately. He, however Considers that his temporary reduction to the 2d Class from the date of Superintendent's order to the present a sufficient punishment and he now directs that he be reinstated in the first Class. This order will be entered in his Service Book.

2nd Class Constable
No 285. Shaik Adam
of Reserve Division

Not producing the last issues of
clothing at kit inspection as is requ
in Police orders

On the morning of 20th August/94, Reserv
Inspector inspected the kits of 32 Reserve Consta
and all of them showed proper issues of clot
except 2nd Class Constable No 285 who di
produce the proper issues of 1894. All the
men are fully aware that the last issues
clothing should be produced at kit inspec
and there is no excuse for this man not know
and doing the same.

Reserve Inspector has several times
warned the men that proper issues of clothi
should be produced at inspection but insp
of the same this man insists on paying no
attention to the order.

1879

His defence is that he did produce
proper issues of clothing at kit inspectio
but owing to the enmity that exists, this
explanation was taken from him, and cite
all the Reserve Constables who were on
parade

parade to prove his Statement.

All the men that Constable 285 cites to prove that he did produce proper issues of clothing at kit inspection, deny his Statement.

This man has already got 5 B.Ms. and was warned for dismissal the last time on 27.7.1894. It will be seen from his Defaulter Sheet that ~~this~~ his behaviour since the time of his enlistment has been bad throughout and instead of improving, has been steadily worse and the sooner his Services are got rid of the better for the force.

I now award him a B.M for the present charge which is fully proved against him and he has aggravated the offence by trying to make out the Reserve Inspector has reported falsely against him when the whole Reserve speak to the charge being true.

I gave the Constable a personal hearing and he States the same in his written defence that he did produce the proper issues and States that on account of enmity existing between him and Inspector this false charge has been brought.

He is a most insubordinate character and I have no hesitation in dismissing him from this date under the B.M System.

Minute

1st Class Constable No. 849 Shaikh Adam of L I Division is reduced to 2nd Class Constable for Causing a disturbance in Court.

This constable belongs to Galivaid station. On the 27-5-97 the attention of the Sub Magistrate was called to this man in his Court at Rayachoty; he being there without uniform and it was said was instigating witnesses in a case in which Const. No. 250 had been charged with the theft of a goat; the Sub Magte. turned him out of Court. Const. No. 849 was not a witness in the case whether he influenced other witnesses or not cannot be proved but his presence in Court where he had no business to attend to is proved by the Sub Magte. having had to order him out and by Const. No. 612 who was used for the purpose and this in turn proves that he was absent from his station Galivaid without leave. The first report of this matter is contained in Inspector's Diary of 28-5-97 and the punishment roll is received on 18-6-97. From Galivaid Station House reports it appears that this man went on Rayachoty beat on 26-5-97 and returned to his station only on 28-5-97 at 5 A.M. The Station House reports of Rayachoty shew that this Constable came direct to Rayachoty on 26-5-97 and was still there on evening of 27-5-97. The above establishes the fact that the Constable was absent

from

9
18
117

from his station from 26th to the morning of 28th May. The Constable explains that he had to go direct to Rayachoty on the 26th as no meeting was effected but states that he did not stay there but returned to Galivaid on 27th with one Lalu Khan and obtained the signature of the village magte there in his beat book before sunset. He further adds that he did not go to the Cutcherry with a view to cooking the evidence against Const. 250.

The witnesses named by 849 in his defence were examined by Insp. Lalu Khan supports him in detail saying he breakfasted with the Constable in Rayachoty river at 9 A.M. on 27-5-97 and walked with him back to Galivaid. If this were true the Const. could not have been in Court at all but as it has been clearly proved by sub magte and others that the Const. was there, this witness cannot be credited. The village magte of Galivaid, the Const. & other witnesses state that the Const. came to him at 10 P.M. with beat book to be signed this simply supports statements against the Const. for it was quite possible for him to leave Rayachoty late in evening & get back by 10 P.M. and his having taken the beat book at that time for signature at that hour points the fact that he was simply making a defence. I consider that the charge against the Const. of causing a disturbance in Court proved

proved

proved this will be his 29 recorded default and I consider that a Constable with such a discreditable record should not remain a 1st Class Constable. Reduced to 2nd class Constable.
