Memorandum

Kalutara 21 Nov: 1892.

Letter from the Superintending Surgeon
IV Circle No. 588 of dated 9 November 1892.

Shall the hours to entrust the
report on Clerk Subramaniam Chetty called
for in the statement printed with Town
minute No. 38868 of 16 September 1892.

2. The Executive Engineer recommends
on 30 September that the clerk should be
relieved as he was unfit for his duties.
As the Assistant Surgeon in
Charge cannot be there he was requested
by further service, the Executive Engineer
was asked to state his reasons for
considering that the clerk should not
be retained for another year.

3. The Executive Engineer accordingly
now reports that the clerk is of absolutely
no use to the Supervisor under whom
he is serving. He is also unmethodical
and for getting to such a degree that
he cannot remember even for a few
minutes orders given to him. The Su-
pervisor expresses his willingness to
part with the clerk provided another
but this I do not consider at all
desirable and the clerk should be
relieved at once.

Retrenchment
