CERTIFIED that I have carefully examined K. Venkita Krishna Ayyengar.

son of K. Kanna Ayengar

a ~~First Assistant~~ Municipal High School, Walajah

in the District of North Arcot.

His age is by his own statement 52 years and by appearance about 52 years.

I consider K. Venkita Krishna Iyengar

to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Atonic Dyspepsia and Debility

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATEMENT OF CASE.

1. Rank. First Assistant Municipal High School - Walajah
2. Name. K. Venkitakrishna Ayyengar.
3. Department or Office. Educational Department
4. Marks of identification. As noted in the Service Book.

8. Disease or cause of Disability. Atonic Dyspepsia and Debility
9. Abstract statement of the case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This officer has been suffering from attacks of Dyspepsia frequently during the past 10 months, and has been treated for it by the successive Hospital Assistants of Walajah Hospital besides native treatment. About an hour after food severe pain is felt in the region of stomach, extending downwards to the testes especially if he does work as teaching or talking - Digestion is very poor, and his bowels are irregular. His heart is weak and his general health is much broken down partly by this ill-health and partly by old age. His vision is imperfect, being unable to read small type or make out figures clearly. His hand shakes when writing. He has been working as a teacher for the past thirty years. Considering the state of his ill-health, and debility, I recommend his retirement, as he is not fit for further duty.

(Through
The Director of Public Instruction
and the Accountant-General.)

Sir,

I have the honor to submit, with remarks, for the early sanction of Government, the Pension Application together with the marginally noted enclosures,— on behalf of M. R. Ry. K. Venkatakrishna Aiyangar, late First Assistant Master, Municipal High School, Walajapet.

1. Service Book
2. Pension Application dated 29th October 1898 — verified and copies of orders consulted; — with the Head master's letter N° 190 dated 1st Novr. 1898.
3. Certificate for retirement on invalid pension, dated 5th October 1898.
4. Last Pay Certificate.

2. He is a Government teacher transferred with the Government Middle School, Walajapet to the Municipality in G.O. N° 1768, Financial, dated 17th August 1883; and

and he is entitled to Pension from Provincial Funds under Article 849 (2) of the Civil Service Regulations and G. O. No. 1472, Pension, dated 7th December 1889, communicated to the Local Boards and Municipal Councils in G. O. No. 19 L. dated 8th January 1890.

3. The whole period of his service as Teacher amounts to 30 years, 2 months and 12 days; – of which, that from 1st August 1868 to 23rd August 1873 i.e. 5 years and 23 days does not reckon as service, as he was then paid from School-fee collections. It was on the 24th August 1873 that he was taken to the regular establishment of the then Government Anglo-Vernacular School, Walajapet.

He was on Private Affairs Leave for one month from 21st June 1880.

The period thus reckoning as service amounts to 25 years and 19 days from the 24th August 1873 to 10th October 1898 (both days inclusive)

. During this period he discharged his duties atisfactorily.

. His service was verified with reference

to

to the Acquittance Rolls, Letter Books and File Books and found correct. The records relating to the beginning and ending of each appointment held by him have been duly consulted.

The Service Register has been verified by the late Dr. John Bradshaw, the then Inspector of Schools up to 31st December 1888 and this verification was made by him on the 6th February 1889; and subsequently up to the date of retirement, the whole period of service was verified by the Head Master and this Office.

6. Early in December 1897, the Inspector of Schools suggested that the Teacher be asked to retire at once, as he considered him old and sickly; but J. W. Hughes Esquire, I.C.S., the then Ex-Officio Chairman was pleased to order that he might retire in September or October following in the usual course.

7. The Medical Certificate of unfitness for further service granted to the teacher

by

by Dr. John Lancaster, District Medical and Sanitary Officer, North Arcot is sufficiently convincing; and M. R. Ry. K. Venkatakrishna Aiyangar, now aged 52 years and 9 months, is thus entitled to an Invalid Pension under Article 485 of the Civil Service Regulations.

8. But for pressure of work in connection with Plague duty and of other important work, the verification of the service and the preparation and submission of the Pension Application would have been more prompt.

9. I beg to recommend that an Invalid Pension of Rs 25 per mensem be granted to M. R. Ry. K. Venkatakrishna Aiyangar with effect from the 11th October 1898, in consideration of the very long and meritorious service rendered by him as a Teacher in the Walajapet (late Govt. Middle now Municipal High) School for a period of over 30 years.

I have the honor to be,
Sir,
Your most obedient Servant,

Chairman.

Sir,

With reference to your memo No 52 dated the 20th inst communicating to me Accountant General's No A.D.K./256 dated the 6th inst calling for certain particulars relating to the application for pension on behalf of MR R.K.Venkatakrishna aiyengar, late First assistant Master, I have the honor to submit the following.

The several points raised by the Accountant General are answered seriatim, and, for facility of reference, the paragraphs of my letter are numbered to correspond to those of the Accountant General's communication.

1. The medical certificate invalidating the applicant for further service is dated 5-10-'98, while the retirement was given effect to on 11-10-'98. He was retained in Service for 5 days after the

grant of the certificate. This was due to the unavoidable delay (a) in the certificate being transmitted to you from Vellore, the Head Quarters of the District Medical and Sanitary Officer and (b) in the same being communicated to me from your office.

Thus the order of retirement No $\frac{583}{9-11-98}$ was received by me on 10-10-'98 and effect was given to it on the afternoon of the same day.

2- The applicant's finger-prints have now been obtained in the service book and in the first page of the application. I am unable to obtain his finger-prints in the Collector's half of the Permanent pay order, the form not being available. On the same being furnished, this requisition also will be duly complied with.

3- The date and reason of termination of the applicant's service have now been duly entered in the service Book and attested by me.

4-(a) During the year 1878-79, the applicant's pay was Rs 30 to the end of September 78, and Rs 31 from 1st October. In the annual Return for 1878 the pay of Rs 31 drawn during the latter part of the year was shown instead of Rs 30, the pay on the first April of that year.

(b) The date of applicant's first appointment is 1-8-'68. The period of 5 years and 23 days commencing on that day and ending 23-8-'73 is not reckoned as service as he was then paid from School-fee Funds.

The period to be reckoned as service commences on 24-8-'73 vide Proceedings (Enclosure A) of the Director of Public Instruction No 2045 dated 6th Oct '73, ordering, in its concluding Para, his appointment as First Asst Master with effect from 24-8-'73. Hence the entry in the audit register for '74 of the date of the applicant's appointment as 1st October 73 is evidently an error.

(c) The time of applicant's birth being 2nd February '46 he completed the 31st year of his age in February '77 and entered on the 32d in March '77. The entry of 32 years as his age in the Annual Return for '77 means that during the year his age was 31 years till 2" February '77 only and 32 after that day till 2d February '78; that is, his age on the last day of the official year 1877-78 was 32. From the records of the School I find that the entries are correct.

The papers under reply are herewith returned.

I have the honor to be,
Sir,
your most obedient servant

Head Master.
