Sir,

With reference to your letter No RC 467/ML of 96 dated 9th April instant, I have the honor to inform you that the pay abstracts maintained in my office from 1st May 66 show the name of one T. Venkatarow. In the month of May he was acting clerk and was paid Rs 15, an equal sum being paid to the permanent clerk. I therefore presume that the said Venkatarao served in the post during the whole month.

2. From 1st June he ceased to be acting and his name is shewn under permanent footing of a clerk on Rs 30 and he drew pay at the rate up to the end of February 1867.

3. From March 1867 the bills do not show the name of the clerk.

4. From 1st June 66 to the end of February 67 the abstracts do not show any leave to Venkatarow but rather each abstract contains a certificate to the effect "no leave granted during the month".

I have the honor to request that you will be so good as to let me have your opinion in the following matter.

2. In Government orders nos 52 dated 15 January 73 and 360 dated 25 March 73, Revenue Department, one permanent post of Vernacular clerk on Rs 20 in this office was transferred to Temporary Establishment under the Assistant Collector. With this transfer, the clerk holding the vernacular clerk's post on Rs 20 was also transferred to the Temporary Establishment under the Assistant Collector. After a few months of his continuance in the Temporary post, he was again taken into the Permanent Establishment. There was not even a day's break in the clerk's service in consequence of these changes. I request to be informed whether under the circumstances mentioned above the clerk's transfer to the Temporary post entails forfeiture of past service. I am of opinion that it does not under clause (e) of article 463 C.S.R.

Sir,

I have the honor to submit herewith an application ⊗ for Pension, on behalf of Tripasuru Venkatarow Pantulu late 2nd English Clerk of the Collector's office, together with the marginally noted documents.

2. The following variations have been noticed between the entries in the Service Register and those in the corresponding Pay Bills and Annual lists.

(a) Item 18 in the History of Service:—

From the Service Book

1. Service Register (with the Finger Prints of the applicant).
2. Last Pay Certificate.
3. Memo of average Emolument.
4. Memo of Contribution paid on account of Foreign Service.
5. Copy of Letter R No $\frac{467}{\text{Eng}}$ of 96 dated 9.4.96 from the Collector of Ganjam to the Registrar.
5A Do Do Do Do from the Registrar to the Collector.
6 Do R No $\frac{1244}{\text{Eng}}$ of 98 dated 22.9.98 from the Collector to the Accountant General &
6A Do Do Accountant General to Collector.
9/7. A Blank form of Permanent Pay order with the Finger Prints of the applicant.

9
201

⊕ together with Finger Prints

it appears that the applicant for Pension was acting Vernacular clerk on Rs 20 from 1.1.73 to 1.4.73; and the Pay Bills of the corresponding period also quite agree with the Service Book. But the Annual List of 73 shows 3.2.73 as the date of commencement of the acting appointment, in question. It may however be concluded that 3.2.73 is wrong and a mistake for 1.1.73, as from the latter date he drew his acting allowance.

(b) Items 26 to 28 in the History of Service:—

From the Service Book, and Pay Bills he appears to have acted as Vernacular clerk on Rs 25 from 1.9.74. But the Annual List of 75 shows 28.8.74 as the date of commencement of service in the said post. The date, 28.8.74 is a mistake for 1.9.74, which is the date from which the acting allowance was drawn.

3. The applicant being a Permanent Vernacular clerk on Rs 20, served in the Assistant Collector's office as a Temporary clerk on Rs 20 for 6 months and 15 days from 1.6.73 to 15.12.73; and he was taken back as Vernacular clerk. On a reference made to the Accountant General as to whether this Temporary Period would entail any forfeiture of his past Service, it has been decided that under article 463(c) of the Civil Service Regulations there could be no such forfeiture under the circumstances concerned. Copies of the Correspondence on the Subject are herewith Submitted. (vide Enclosures nos 6 and 6A).

4. Being a permanent English accountant on Rs 20 he was transferred to the Department of the Registrar of Assurances as a Permanent clerk on Rs 30, in which post he served from 1.6.66 to 28.2.67; and this period has been duly verified from the Pay Bills &c of the Registrar's office. Copies of correspondence on the Subject of verification of this portion of Service are Submitted herewith. (vide Enclosures nos 5 and 5A).

5. The applicant had afterwards to lose his Permanent appointment owing to the Reduction of Establishment and to certain other changes that were made in the then existing staff

of the Registration Department (vide G.O. no 189 dated 6.2.67). But in continuation of the permanent appointment, that had been lost, he was taken as a temporary clerk on Rs 25, in which post he served for 5 years and 19 days from 1.3.67 to 19.3.72. This temporary appointment having terminated, he was reentertained in the Collectorate on 20.3.72 as a permanent Vernacular clerk on Rs 15. Here, a question may arise as to whether this temporary service is countable or not, for pension. But under article 413 C.S.R it does not appear to be countable. This period has therefore been shown under "non qualifying". Again, in consequence of this interruption in service, the applicant may appear to have suffered a forfeiture of the whole of his past service. But under article 463(d) C.S.R there is no reason for such forfeiture.

6. The applicant served as Sub Broken Estate Head clerk in the Collectorate for some time; and the necessary contribution statement for this period has been enclosed.

7. For some part ((ie) from 26.8.96 to 15.9.96) of the last five years of his service, the applicant drew some acting allowances, which were subsequently recovered under orders from the Accountant General in his objection statements on the Huzur Treasury accounts for September and October 1896 (vide nos 61 and 128 respectively). Also from 2.10.96 to 10.11.96 he drew some allowances, which were not recovered, as no such recovery was necessary. But the total sum of allowances in question thus drawn for both the periods has not been included in the memo of average emoluments as the acting appointment was made in consequence of a Privilege Leave arrangement.

3. The appointment of Sea Customs Head Clerk in which the applicant is stated to have acted from 4th October 1877 to 30th April 1878 is not traceable in the annual Returns for that year. The omission should be explained.

I was born on 5th decreasing moon of Bhadrapadam in the year "Subhakritu" ([illegible] 5th) corresponding to 24th September 1842. In 18[illegible] it was ordered that all the clerks should open service Registers. Accordingly I opened one. In that I entered the above English date in column "Date of Birth". As the date of my birth in English Era was not recorded by my parents, I might have referred Browns Ephimiracy or some other calendar for the corresponding English year. In doing so, I might have noted by mistake "Sobhakritu" (శోభకృత్) the next vernacular year instead of "Subhakritu" (శుభకృత్) and altered the year 1842 into 1843 and produced the Service Register in the office.

Dated 10 February 1899 (Camp.)

Sir,

In returning herewith your ADK/263 dated 16th January 1899 together with its accompaniments, I have the honor to reply as follows:—

Objection 1. The necessary affidavit, furnished by the applicant on the 2nd instant is enclosed. Enclosure 1

The correct date of applicant's birth is Bhadrapada Bahula Panchami of the year Subhakrut, which is stated to correspond to 24th September 1842. I have no means of checking this date now available in ~~my~~ the office.

The error appears to have crept in at the time of the conversion

1899
PENSION DEPARTMENT
16
To
201

of the date, owing to the calculation having been mostly based on the next vernacular year, which with a difference of one letter ~~is~~ and with practically no difference in sound, agrees with the year now stated as the correct date of birth. This appears to be due to an error of calculation. In the annual lists since 1879, 24 September 1843 has been given as date of birth, but the correct year seems to be 1842. The applicant says that the alteration was made on the very date on which the original entry was made in 1874 when Service Books were opened for the first time, and I do not therefore consider that the sanction of Government would be necessary in this case. A statement furnished by the applicant on the subject of the above birth date is enclosed.

Enclosure 2

As regards the conduct

of the applicant, the necessary note has now been made.

Objection 2:— The annual lists referred to in this objection appear to have been submitted from this office since 1866, and they are therefore not available for the 2 previous years 1864 and 1865.

Objection 3. From Pay Bills of this office, the applicant appears to have actually held the post of Sea Custo clerk in the Huzpur Offices from 4.10.77 to 30.4.78 and received for the period his permanent pay as Vernacular clerk on Rs 30 + acting allowance at Rs 2.8.0 per mensem. The date 4.10.77 has also been shown in the annual Return of the Huzpur Sea Customs Establishment for 1878, a copy of which is enclosed for your information.

Enclosure 3.

Objection

Objection 4:— The word "Promotion" shewn in the History of service is struck off and the correction attested.

Objection 5:— For the period in question viz from 24 November 1888 to 30 June 1890 contribution appears to have been paid as per appendices to the Treasury Accounts submitted to you for the marginally noted months. An extract from these Appendices is enclosed for your information.

Encl 4

Objection 6:— The date 1.2.59 appears to be a clerical error in your office for 1.2.89 which has been given in the annual lists of this office for the years 1896, 1897 and 1898. The applicant was permanent Record Keeper on Rs 50 and Sub Protem Estate clerk for sometime on Promotion. During this period his permanent appointment was changed into that of English 2nd clerk on Rs 50 per mensem but he was allowed to continue in the Estate appointment which ceased by the 30 June 1890. The date 1st February 1889 is the date from which the change of permanent appointment took place as above set forth. As regards the date 18 April 1866, I have to state that there are no audit Registers in this office. This date falls within the period from 26 March 1866 to 6th May 1866 during which the applicant seems to have held, as per service book, the post of Permanent Headclerk of the Birth and Death Registration department. A reference to the Pay Bills of this Department shews that the applicant was paid pay in the above post up to 17 April 1866 at Rs 20 per mensem and from 18 April to 6 May 1866 at Rs 10 per mensem. As during this period he was the permanent Birth and Death Headclerk and as he does not seem to have taken any leave and as the date 18th April 1866 is borne by the audit Registers of your office, it is very probable that during the period in question viz from 18 April to 6 May 1866, the applicant might have been put to act in some other appointment, and paid acting allowances on a separate supplemental bill. Such a bill is however not forthcoming here and it may be found in your office.

Objection 7

Objection 7:- I enclose herewith statement from the applicant stating that he was transferred to the Registration Department on Public grounds. There is no record in my office on the subject
