To

The Secretary to Government,

Fort Saint George.

SIR,

I have the honour to submit, for the favourable consideration of Government, the enclosed application for invalid pension on behalf of Mr. Edwin Holder, Assistant Superintendent, School of Arts, together with his medical certificate and a memorandum of average emoluments.

2. The circumstances under which Mr. Holder was declared unfit for further service were fully stated in this office letter No 11899, dated 19th October last. He did good work for a number of years, but latterly he acquired intemperate habits, which became more confirmed after his wife's death. I commend him to the merciful consideration of Government.

3. Mr. Holder ~~regrets~~ requests that his pension for the first three or four months may be paid at Madras. The delay in the submission of the application is due to his having been too ill to sign it.

I have the honour to be,
Sir,

CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

Certified that qualifying service in Superior grades has been duly proved for 11 years 8 months and 18 days; but as the applicant's incapacity for further service has been certified by the Medical Board, Madras, to be due to "Chronic Alcoholism" the result of his irregular or intemperate habits, no pension can be granted to him agreeably to Article 498 of the Civil Service Regulations.

In para 2 of his letter to Government No: 13438 dated 25 November 1898, enclosed the Director of Public Instruction recommends the applicant's case to the merciful consideration of Government on the ground that he had done good work for a number of years. The grant to the applicant of any pension in conformity with the Director's recommendation would involve a relaxation of the rule contained in the Article quoted above, and require the sanction of the Secretary of State, vide Article 1005 (a) of the Civil Service Regulations.

Under ordinary circumstances an Invalid pension not exceeding ~~Rs~~ 76.6.4 per mensem equal to 11/60th of average emoluments would be admissible to the applicant under Articles 485 & 518 (b) of the Regulations.

From the enclosed copy of letter dated ~~dated~~ 6 January 1899 from ~~Solicitor~~ Mr A.C. Rentse Solicitor it appears that the applicant died after his retirement. In the event of any pension being sanctioned to him the arrears of such pension due up to the date of his demise, should be made payable to his heirs.

The delay in the submission of this application is explained by the Director of Public Instruction in the last para of his letter quoted above.

In accordance with rule 3 under Article 994(b) the attention of Government is respectfully solicited to Article 514 of the Regulations.

FOR ORDERS.

(A)

. Please see the Invaliding certificate. On the 3d Sepr. last, the applicant appeared before the Medical Board under the influence of drink and was invalided for "Chronic Alcoholism." The Board consider that the incapacity is the result of irregular ~~and~~ or intemperate habits, and the applicant is reported to have died on the 6th Decr. last. As the incapacity is the result of irregular or intemperate habits, the Acctt. Genl. reports that the claim to a retiring allowance is barred by art. 498 C.S.R. The Director of Public Instruction however, commends the case to the merciful consideration of Govt. on the ground that the man did good work for a number of years. If the recommendation be acceded to, it would, the Acctt Genl. points out, involve a relaxation of art. 498 C.S.R, and require the sanction of the Secy of State with reference to art. 1005 of the C.S.R. The rule in art. 498 C.S.R is absolute & the Loc. Govt. has no discretion.

There do not appear to be any circs. in Mr Holder's case wh. wd. distinctly differentiate it from any other case of incapacity, the result of drunkenness, so as to justify an application to the S. of State.

Mr Holder is stated to have died on 6th Decr. so that the pension if passed wd have been payable from 2 Sept 98 to that date.
