To

The Assistant Commissioner
of S. A. & C. Department
Negapatam Sub Divn

Sir,

I beg to submit the few following lines for your kind consideration and early action.

Having entered the Govt Service in April 1866 I have now completed nearly 32 years service. Owing to ill health I took a year's furlough from October 1897. Nearly 10 months of that leave have already expired & I have only 2 months more left before me. Even this long rest has

9
15
5

not done me any good. My health remains quite as bad as it was before. My memory has failed and I am unable to write fast or freely owing to an attack of the writer's cramp. Owing to extreme weakness in the limbs I am unable to ride or even to sit ~~or~~ and steady myself on horseback. In these circumstances I am afraid I will not be able to do justice to my work if I join my duties at the end of my present leave which expires on 6th October next.

As I have put in the requisite period of Service (30 years) for retirement I beg you will please make up my application for a "Retiring Pension" and obtain sanction for the same with effect from 6th October 1898 that being the date on which my present leave expires. Out of my present total service of 32 years 5 months & 25 days (calculated from 12th April 1866 to 6th October 1898) one year, 5 months & 25 days have to be deducted as non qualifying (being periods of sick leave and furlough) This leaves a net pensionable service of 31 years. The whole of my service was superior & therefore the whole period is counts towards pension.

My service distributed according to departments stands as follows –

12. 4. 1866 to 17 - 4. 1872 Provincial
18. 4. 1872 to 27. 4. 1877 Local Funds
28. 4. 1877 to 17. 6. 1877 Municipal
18. 6. 1877 to 23. 11. 1877 Local Funds.
24. 11. 1877 to 9. 2. 1881 Municipal
10. 2. 1881 In transit.
11. 2. 1881 to 6. 10. 1898 Imperial

The period of Municipal service was under the Madras Municipality & that service also counts as will be seen from an analogous case decided by Govt. in 1890 (Vide Copy of G.O enclosed) The case of the individual therein referred to was exactly similar to mine. He was transferred from Govt Service to the Madras Municipality & thence – again to Govt. service as was the case with me. By Municipal service it should be understood that the pay only came from the Municipality while work done under Govt. Inspectors in the Educational Department. My transfer to the Madras Municipality was ordered in the interest of Public Service ~~at~~ and not at my request and not also to suit my private interests.

The one day shown as in transit was included in 3 months' leave on loss of pay granted to me by the Municipal President in order to enable me to try the appointment that was given me in the Salt Dept. where I was subsequently confirmed in the Salt Dept. it was with retrospective effect from 11.2.81 So the 10th which was spent in transit has to be treated as leave on loss of pay. I hold original records for all these and shall submit if required.

As final orders have to be obtained regarding the grant of pension before the expiry of my present leave I beg early steps may be taken on this application

The place where the pension is to be made payable may be inserted as Madras.

Sir,

I have the honour to inform you that the application for pension ~~gratuity~~ of Mr. M. A. Janakiramayya Asstt. Inspector 3rd. grade Salt Abkari & Customs Dept. Kattumavady Circle is being delayed for want of the information noted below. Where possible your answer should be written opposite to each point to which your attention is drawn.

2. The enclosures and your reply should be returned with the least possible delay.

I have the honour to be,
Sir,
Your most obedient Servant,

Chief Superintendent.

Attention is drawn to No. 39 of the printed Memo. of Instructions from this office in regard to the applicant's service from 1st April '96 to 30' September '96. The acting allowance of Rs 30 from 6' October '93 should not be included in calculating the average Emoluments vide Article 530(i) Civil Service Regulations. The necessary alterations should be made in the amount of pension on the 1st page of the pension application, as also in

in the Memo of Calculation of Average Emoluments.

II The period of Service rendered under the Madras Municipality from 28-4-77 to 17-6-77 and from 24-11-77 to 9-2-81 should be rejected as non qualifying as the same was not provided for by payment of pensionary contribution as required by the rules. Rejecting this period, the total qualifying ~~temp~~ service put in by the applicant would fall short of 30 years, in which case a Medical Certificate of incapacity for further service should be furnished. The three months leave without allowances while serving in the Municipality should also be shown separately as non qualifying. If however the applicant's transfer from service under government to the Madras Municipality was duly sanctioned by government, a copy of the Government Order conveying the sanction should be furnished.

III From the Audit Registers for 1866-67 and 1867-68, it would appear that the applicant was first entertained only on 16th April '66 and not on 12th April '66 as shown in the Service Books and pension application. The discrepancy should be explained.

This is a matter for Govt. decision.

15/11/81

IV The omission in Columns 4 and 5 on page 4 of the original Service Book should be supplied and duly attested.

V From the Audit Register for 1872-73, it would appear that the applicant was on leave on loss of pay for 3 days in October '72 while the same is not shown in the Service Book and pension application. The omission should be explained.

Routine No. 3117

Dated 22nd November 1898.

Read letter from the Accountant-General, Madras, No. ADK/217, dated 4th November 1898.

Resolution.

The objections raised by the Accountant General in his letter No. ADK/217 dated 4th November 1898 are answered seriatim as under:-

(1) The applicant acted as an Assistant Inspector from 14th April 1893 to 31st March 1896 and was a sub-protem Assistant Inspector from 1st April 1896 to 31st September 1896 not in any particular vacancy but in one of the permanent vacancies in the general body of Assistant Inspectors in the Presidency. The acting allowances drawn from 6th October 1893 were therefore taken

into

into account in calculating the average emoluments for the five years preceding his retirement. The inclusion of acting allowance drawn under similar circumstances has been allowed by the Accountant-General in the cases of M.R.Ry Perumal Pillai and M.R.Ry Varadachari (Vide the marginally noted ⊗ correspondence. In these circumstances no alteration has been made in the pension application.

⊗ Vide Boards' Proceedings Mis No. 4944, dated 29th December 1892.
Government Order No. 364 (Pension), dated 26th April 1893.
Boards' Proceedings Routine No. 2833, dated 28th October 1895.
Government Order No. 1372 (Pension), dated 19th November 1895.

(ii) The Accountant General's attention is invited to para 5 of Boards' Proceedings Mis: No. 3457, dated 29th August 1898 wherein the sanction of Government was solicited for the recovery of the pensionary contribution from the Madras Municipality – to which applicants' services were lent by the Educational Department from 28-4-1877 to 17-6-1877 and from 24-11-77 to 9-2-1881 as was done after retirement in the case of one Abdur Razzak Sahib (Vide Government Order No. 726 Pension, dated 21st June 1890).

(iii) The applicant states that "12th April 1866" entered in the service-book was the date of his appointment and that the date of joining was the 14th idem

April 66

idem as stated in the objection. The necessary corrections have been made in the pension application and service-book.

(iv) The omission in columns 4 and 5 of the original service book has now been supplied and the entries duly attested.

(v) The applicant states that so far as he is able to remember there was no occasion for him to take three days' leave without allowances in October 1872 and that he is not able to account for the entry regarding it in the audit register. The verification report of the Inspector of Schools, Presidency Division, Madras, No. 764 dated 21st March 1897, attached to the pension application does not show that the applicant was on leave without allowances during the period referred to.

2. The Accountant-General's letter under reply is herewith returned together with the enclosures as requested.

Please see the Accountant-General's report. The applicant entered the Govt: service on the 14th april '66 as Head Master of the Govt: Taluk School Sripermadur, Chingleput Dt: on a salary of Rs.30/- p.m. and on the 18th April 1873 he was promoted to the post of Inspecting schoolmaster, Trivellore Range on Rs.35/- p.m. - an appointment under the control of the Local Fund Board, Chingleput Dt. In April 1877 he was transferred to the Madras Municipality, as Inspecting Schoolmaster, Triplicane Range, on the same pay, but in June following he reverted to his appointment under the Dt: Board, Chingleput. On the 24th Nov: 1877 he was again transferred to the Madras Municipality as Inspecting

ing Schoolmaster, Triplicane Range, which post he held till the 11th Feb: 1881 when he secured an appointment on Rs.45/- in the Salt and Abkari Dept: wherein he remained till his retirement on the 5th Oct: 1898.

The Acctt:-Genl: holds that the applicant's service under the Madras Municipality from 28th April to 17th June 1877 and from 24th Nov: 1877 to 10th Feb: 1881 is non-pensionable inasmuch as his transfer to the Madras Municipality did not come before Govt: and as consequently no contribution on account of pension was paid to Govt: on his behalf. He says that the transfer should therefore be regarded as an interruption entailing forfeiture of past service.

The Board of Rev:, Sep: Rev:, however, contends that the transfer was not voluntary but made by competent authority in the interests of the service and that therefore the service under the Municipality should be admitted towards pens after rec ery

recovery of pensionary contribution as was done in the case of one Abdul Razaak Sahib.-G.O.No:736,d/21-6-90,Pension. The Acctt:-Genl: points out that this can be done only with the sanction of the Govt: of India-Art: 832,C.S.R. The Acctt:-Genl: also points out that under the rules as they stand at present, the combination of the two services is inadmissible, except with the special sanction of the Govt: of India (-Vide note to Art: 862,C.S.R.)

It will, however, be seen that the transfer of the applicant's ~~s~~ service to the Municipality was made in the interests of Govt: and that it did not benefit him in any way. His service under the Madras Municipality amounts to only 3 years, 4 months and 6 days and if the interruption caused by the transfer be condoned by Govt: under Art: 465,C.S.R., his qualifying superior service will then amount to 27 years, 7 months and 21 days, but no pension will be

be admissible to him as he has not produced a medical certificate of incapacity for further service, nor attained the age of 55 years. So the Acctt:-Genl: says that if the sanction of the Govt: of India be obtained for the combination of the Municipal service with the other pensionable service, the applicant's qualifying superior service will in all amount to 30 years, 11 months, and 27 days which will render him eligible for a retiring pension of Rs.48-13-2 p.m. under Arts: 509 and 518 (b) C.S.R. Orders are solicited as to whether in the circumstances the Govt: of India should be addressed.

Note

In the case of A. V. Parasurama Iyer, who was transferred to the Madras Municipality as Inspecting School Master in Augt. 73 and continued therein till his retirement in May 1896, the sanction of the Govt. of India was obtained to the combination of the two services and pension was paid according to the rule of proportions. vide G.O. 428/9 / 1-6-97 (H) & 674 / 2-9-97 (G) Pension

As remarked by the Hon'ble Mr: Stokes in the note for orders under G.O.No:734, Educational, d/20th Nov: '89, flag E the rules about transfer to foreign service were not in force in 1875, & it would therefore, it is submitted, be hard to reject the applicant's service under the Municipality.

The applicant took furlough for one year from 6th October 1897 on account of failing health and in his letter dated 28th July 1898, he says that this rest did give him no good and that he is unfit for further work owing to an attack of ~~winter's~~ writer's cramp &c., So, in the circumstances of the case, the Board may, it is submitted, be directed to order the applicant to appear before the District Surgeon with a view to obtaining that officer's opinion as to his fitness for further service or otherwise. Should he be unable to certify that the applicant is incapacitated by disease or other cause for further employment in the Salt Dept., the Board may then be asked to reinstate him till he reaches his 55" year, if it thinks fit. If the Board cannot do this, then the applicant may, it is submitted, be considered to have been on leave without allowances from the 5th October 1898 to 18th May 1900 when he will according to the entries in his service book have

have attained 55 years of age.

The applicant's service from 11-2-81 to 5-10-97 having amounted to less than 18 years he was eligible for only one year's furlough, and this was given him. He is not eligible now for any leave except "leave without allowances". Art 372, C.S.R says as follows:- "Leave without allowances may not be granted in combination with the grant of other leave. But it may be granted in ~~combination~~ continuation of other leave if circumstances arise which prevent the return of the Officer to duty and which in the opinion of Govt, or the authority empowered to grant the leave, are such as to justify the concession. No officer is entitled to extraordinary leave".

When he attains the age of 55 years he will, if reinstated by the Board, be eligible for a pension of about Rs.54-13-3 per mensem. But if he is given leave without allowances till the 55" year, he will get the same

pension

pension as that now certified by the Accountant-General viz: Rs.48-13-2 per mensem.

Sir,

I am directed to submit, for the orders of the Govt. of India, ~~the ac~~ following ~~companying pension~~ case relating to the ~~pension~~ claim of M.A. Janakirama Iyer, late Asst. Inspector, Salt Abkari and Customs Dept., Madras. to a pension.

2. ~~The facts of the case are as follows:~~

Janakirama Iyer entered the Govt. service on the 14th April 1866 as Head Master of the Govt. Taluk School, Sriperambadur, Chingleput District, on a salary of Rs. 30 p.m. and on the 18th April 1872 was promoted to the post of Inspecting Schoolmaster, Trivellore Range, on Rs. 35 p.m. - an appointment under the control of the Local Fund Board, Chingleput District. In April 1877 he was transferred to the Madras Munici-

Municipality as Inspecting Schoolmaster, Triplicane Range, on the same pay, but in June following he reverted to his appointment under the District Board, Chingleput. On the 24th November 1877 he was again transferred to the Madras Municipality as Inspecting Schoolmaster, Triplicane Range, which post he held till the 11th February 1881 when he obtained an appointment on Rs. 45 in the Salt & Abkari Dept. wherein he remained till his retirement on the 5th October 1898.

His total service which amounts to 30 years 11 months and 27 days is made up as noted in the margin, and would render him eligible under ordinary circumstances in the absence of any special disqualification for a retiring pension of Rs. 48-13-2 p.m.

3. The Accountant-General points out that the applicant's transfer to service under the Madras Municipality in 1877 did not come before Govt., that consequently no contribution on account of pension was paid to Govt. on his behalf, and that, in the circumstances, the transfer should be regarded as an interruption entailing forfeiture of past services. ~~The~~ It may be contended ~~Board of Rev., Sep. Rev., however, contends that the transfer was not voluntary, but made by competent authority in the interests of the service, and that therefore the services under the Madras Municipality should be admitted towards pension after recovery of pensionary contribution.~~ ~~But~~ The Accountant-General also holds that under the rules as they stand at present neither the recovery of ~~the necessary~~ pensionary contribution nor the combination of the periods of services under Govt. and the Madras Municipality ~~without~~ without recovery of contribution is admissible.

4. ~~It will, however, be seen that the transfer of the applicant's services to the Madras Municipality was, as stated by the Board of Rev, made in the interests of Govt. and that it did not benefit him in any way.~~ ~~His~~ The service under the Madras Municipality amounts to only 3 years, 4 ms. and 6 days, and if the interruption caused by the transfer be condoned by Govt. under Art. 465 of the C.S.R, his qualifying superior service will then amount to 27 yrs., 7 ms. & 21 days, but no pension will be admissible to him as he has not produced a medical certificate of incapacity for further service, nor attained the age of 55 years. If, however, the combination of the Municipal with the other pensionable service be allowed, his qualifying superior service will in all amount to 30 yrs.

11 ms. and 27 days for which he will be eligible for a retiring pension of Rs. 48-13-2 p.m. under Art. 509 and 518 (b) of the C.S.R.

5. I am accordingly directed to commend the case to the favourable consideration of the Government of India and, with reference to the last sentence of the note to Art. 862 (iii) of the C.S.R., to request the sanction of His Excellency the Governor-General in Council to the combination of the two services in order that the applicant may be granted such pension as His Excellency the Governor.in.Council may consider appropriate to his service and conduct.

~~OFFICIAL MEMORANDUM.~~

Order No. 199 d/23d March 1899.

From the papers ~~forwarded~~ read above, it is observed that the applicant's transfer to service under the Madras Municipality on two occasions in 1877 did not come before Govt., that consequently no contribution on account of pension was paid to Govt on his behalf, and that the transfer should therefore ordinarily be regarded as an interruption entailing forfeiture of past services. The Acct. Genl. also points out that under the rules as they stand at present neither the recovery of the pensionary contribution now, nor the combination of the periods of service under Govt. and the Madras Municipality without recovery of contribution is admissible without the special sanction of the Govt. of India.

2. The service under the Madras Municipality amounts to only 3 yrs., 4 ms. + 6 dys., and if this interruption be condoned by Govt. the applicant's qualifying superior service will amount to 27 yrs. 7 ms + 21 dys.; but no pension will be admissible to him as he has not produced a medical certificate of incapacity for further service nor attained the age of 55 years.

3. It, however, appears from the applicant's letter of 28th July 1898, that the one year's furlough he took in October 1897 on account of failing health did him no good and that he was unfit for further work owing to an attack of writer's cramp &ca.

4. In these circumstances the Board is requested to direct the applicant to appear before the Dt. Surgeon with a view to obtaining that officer's opinion as to his fitness for further service or otherwise.
