Respected Sir,

With reference to the Accountant General's letter to the Collector dated 17th January 1899 No. A.L.R. 264 calling for certain information regarding my service I humbly beg to submit the same hereunder.

Para 2. As to my service in the Educational Department from 4th February 1864 to 15th October 1869, my service Register was once forwarded by the Collector when I was in the Collector's office in 1878 and the service was duly verified by the signature of T.E. [illegible] garu the then Deputy Inspector of Schools in Col 9 & 12 of the Service Register and the Register was returned to the Collector by the Inspector of 1st Division. This correspondence may be forthcoming in the Collector's Office or if not maintained at least entries may be found in the General Sent and Received Registers. The correspo~~nance~~ ence between the Treasury Deputy Collector

of schools now accompanying the Service Register that no proof was available for verification appears to have passed subsequently in 1889 & 1890 unawares of the verification. Previous [illegible] in copies of appointment orders from the several authorities concerned are herewith submitted as [illegible] in- no evidence therefore of contemporary employers seems necessary

But a note calculated from 1st April 1844 was added to that in the Treasury Deputy Collector's Office when the Register once went there for verification. but a remark is found recorded in his service Register that the above appointment was declared non-pensionable by the Accountant General. On the 10th March 1874 he was appointed as permanent Gumasta on Rs 15/- per mensem in the Tanuku Taluk.

3. As the service rendered by the applicant in the Educational Department from 4-2-64 to 16-10-69 counts towards pension under clause (d) of article 463 of the Civil Service Regulations I request that it may be verified in your office as no records are available either in this office or in the office of the Assistant Inspector of schools (vide correspondence attached to the Service Register).

4. The applicant has a total superior service of y m d 34-8-28 including the period of y. m. d 4-4-21 during which he had no employment in Government service. Of the above total service y m d 27-0-17 is qualifying and the rest non-qualifying. He is, therefore entitled, under articles 502 and 503 of the Civil Service Regulations to a Superannuation Pension of Rs 58-2-5 per mensem.

III Attention is drawn to article 556 Civil Account Code with reference to the alteration in the annual returns from 1895, of the year of the applicant's birth into 1843 from 1844 and 1845 as shewn in the returns previous thereto.

IV The following discrepancies should be explained:

(a) In the audit Register for 1874-75 the date of the commencement of the applicant's service in the Revenue Department is given as 1st November 1874, and in the audit Register for 1875-76 and annual returns from 1875 to 1879 as 17th March 1874, while the corresponding date given on the 2nd page of the application is 10th March 1874.

(b) In the annual returns from 1883 to 1886 the date of the applicant's appointment as sheristadar Ellore Taluq is given as 1st December 1882 instead of 23rd November 1882 as stated on the 2nd page of the application.

as acting Gumastah, Tanuku Taluk and was confirmed in the same post with retrospective effect (Vide Head Assistant Collector's orders Nos $\frac{82}{9.3.74}$ + $\frac{795}{6.11.74}$). The date of his first appointment in the Revenue Department viz 10th March 1874 is, as entered in the 2nd page of the application, correct.

IV (b) The applicant says that 23.11.82 was the correct date on which he joined the Sheristadar's post, Ellore Taluk. But the Tahsildar of Rajahmundry reports that he was relieved there on 22-11-1882 while the Tahsildar of Ellore states that he joined his appointment at Ellore on 1.12.1882. The days intervening between seem to have been spent in transit. In the pay abstracts maintained in this office, it is noted that the applicant was relieved at Rajahmundry on the afternoon of 22nd November 1882 and took charge at Ellore on the afternoon of 1st December 1882.

The delay is due to the required information having been received from the Agency Division Deputy Collector on the 7th instant. Please see my letter Ref. on C. No $\frac{41}{98}$ dated 1st instant

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

Read—the following paper:—

From H. W. C. CARNDUFF, Esq., Officiating Secretary to the Government of India, Legislative Department, to the Chief Secretary to the Government of Madras, dated Calcutta, 9th March 1899, No. 547.

I am directed to address you regarding the practice observed by Local Governments and Administrations in submitting their reports on Bills introduced in the Legislative Council of the Governor-General and circulated for opinion.

2. In such cases it is the practice of some Local Governments to consult large numbers of officers and others, and to forward, with little or no comment, all the replies received, irrespectively of whether or not they contain any useful criticism. The result is either that valuable opinions are in danger of being lost in the mass of papers before the Governor-General in Council and Select Committees, and may in consequence not receive the attention they deserve; or that an enormous labour is devolved upon the officers of the Supreme Government in sifting the voluminous material placed before them. I am, therefore, to say that, although a Local Government is, as a general rule, free to consult as many persons as it thinks fit, it appears to the Government of India that more discrimination in this connection might perhaps be exercised, and that none of the opinions elicited should be transmitted unless they either are concurred in or contain matter which is deemed worthy of notice and consideration. In no case, for example, should the reply of an officer be forwarded who states that he has no remarks to offer on the subject of the measure before Council, while, where a person consulted indicates approval in general terms, the Local Government might simply report the fact in its letter without enclosing any copy of the communication to that effect.

3. I am to express the hope that these observations will in future be borne in mind.

PUBLIC DEPARTMENT.

Read—the following paper :—

From the Deputy Adjutant-General, Madras Command, to the Chief Secretary to Government, dated Ootacamund, 11th January 1899, No. B—I. 630.

Referring to Proceedings, Madras Government * (Military Department), No. 532, dated 1st February 1877, I am desired to inform you that it is proposed to reprint *with corrections* the book entitled "Routes in the Madras Presidency" (Edition 1879) and to request that the sanction of the Madras Government may be obtained to the work being undertaken at the Government Press, Madras.

* *Vide* also Proceedings, Madras Government (Military Department), Nos. 2007 and 5706, dated 4th April and 12th October 1877.

2. I am also to enclose for information a copy of my letter, No. B—I. 19490, dated 6th ultimo, to the Superintendent, Government Press, on the subject and of that officer's reply † thereto, and to state that the Lieutenant-General Commanding the Forces, Madras, intends to ask the Government of India to sanction the cost of as many copies of the work as would be required for the use of—

(*a*) the Military Department,

(*b*) Civil officers serving under the Madras Administration to whom the Madras Government consider copies should be issued gratis, and

(*c*) Foreign (Indian) Governments and Administrations to whom the Government of India consider copies should be issued gratis, being borne by the Military Department; the cost of the remaining number of copies being met by sale, at the Government Press, Madras, to others to whom they would not be issuable free of charge.

† No. 5508, dated 20th December 1898.

3. Should this meet with the approval of the Madras Government, the Lieutenant-General Commanding would feel obliged by your favouring him with a list of the officers coming under the head of (*b*) above and with information as to the number of copies (plain and interleaved) that would be required by each.

4. I am also to ask that the Madras Government may be moved to issue instructions to Collectors, &c., concerned to afford General Officers Commanding Districts in the Madras Command every assistance in their power in order that the several routes may be carefully checked and corrected and thus brought up to date.

5. An early reply will be deemed a favour.

Enclosures.

From the Deputy Adjutant-General. Madras Command, to the Superintendent, Government Press, Madras, dated 6th December 1898, No. B.—I. 19490.

It being under consideration to reprint *with corrections* the book entitled "Routes in the Madras Presidency" ‡ (Edition 1879), I have the honour to request the favour of being informed whether the work can be undertaken at the Government Press, Madras, and, if so, as to the approximate amount of expenditure it will entail on the assumption that 200 copies (viz., 100 plain and 100 interleaved) will be the maximum number required by this office for use and distribution.

‡ One uncorrected copy herewith, which please return.

2. It is probable that a considerable number of copies will also be required by Civil Departments under the Madras Government whose sanction to the work being undertaken by the Government Press will be obtained by the Lieutenant-General Commanding the Forces, Madras, on my hearing from you.

From the Superintendent, Government Press, to the Deputy Adjutant-General, Madras Command, dated 20th December 1898, No. 5508.

With reference to your letter No. B.—I. 19490, dated 6th instant, I have the honour to inform you that the printing of a new edition of the "Routes in the Madras Presidency" can be undertaken at the Government Press, Madras.

2. In 1879, 700 copies of Routes were printed and stock was exhausted about 1890, there have been many demands for copies since. Judging by experience I should advise printing an edition of 1,000 copies, but in case this number is not approved of, I also give an estimate for 800 copies.

Order—No. 152, Public, dated 7th February 1899.

The request in paragraph 1 of the Deputy Adjutant-General's letter is sanctioned.

2. The correspondence will be communicated to all departments of the Secretariat, and to heads of departments under the Public Department, in view to lists being furnished to this department of the number of copies (plain and interleaved) of the revised edition of the Route Book, which should be issued gratis to Civil officers serving under this Government. The Government considers that the work should be supplied gratis only to officers who may need it for the effectual performance of their duties. The Superintendent, Government Press, will report the number of copies which should be retained for sale at the Press.

3. All Collectors will be requested to render the assistance asked for in paragraph 4 of the Deputy Adjutant-General's letter. Instructions to officers of the Public Works Department on the same subject will issue in the Public Works Department.
